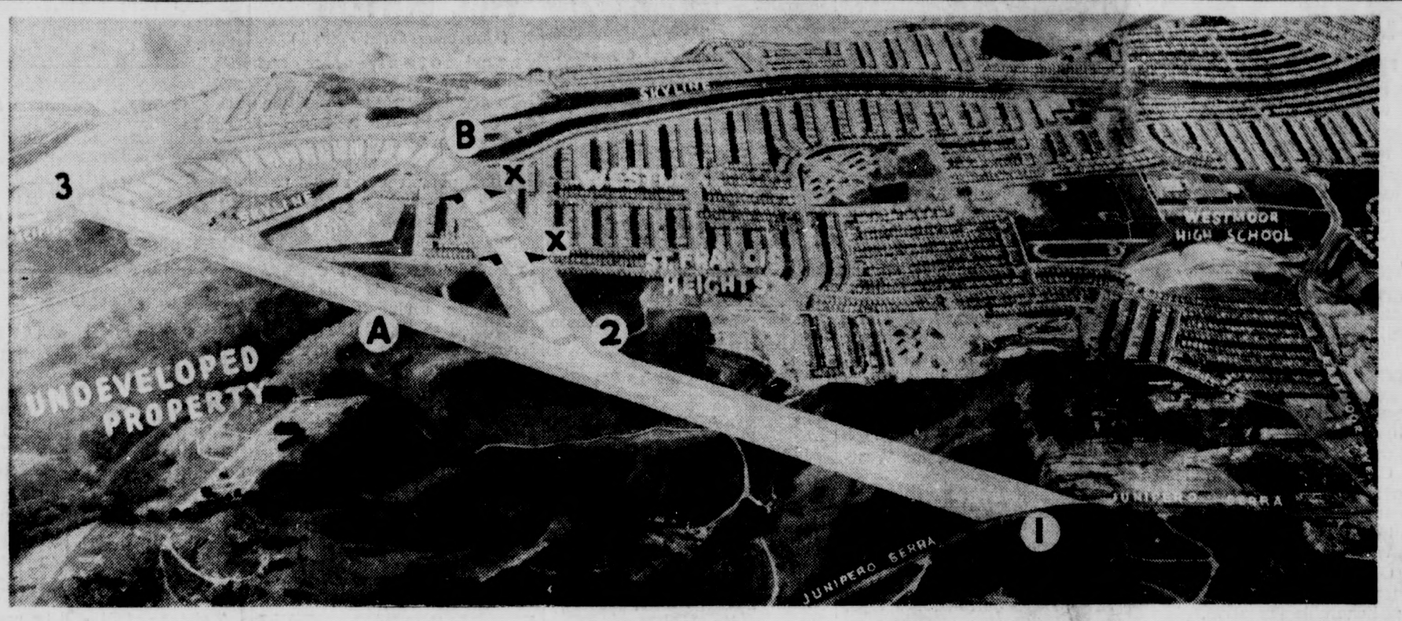
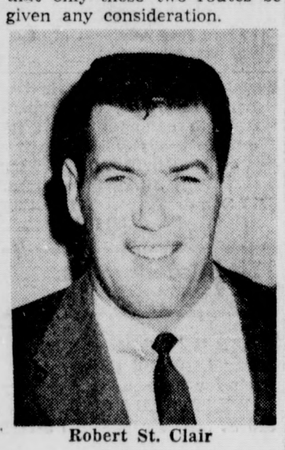
ST. CLAIR WILL FIGHT FOR ROUTE A-1-D



SUBJECT of a special public hearing to be held by the State Highway Commission at the War Memorial Bldg. on Tuesday are these two proposed routes for the lateral freeway connection between Junipero Serra and Skyline Blvd. All parties concerned had previously agreed upon Route B. However, there has been new pressure brought to bear in favor of modified Route A-1-D which would fall outside the Daly City city limits. A recent resolution from Pacifica insisting that all possible routes be reconsidered could force the lateral to follow state-owned Alemany through the heart of Westalke.

Mayor To Protest Resolution Drawn Against Reconsideration Of Freeway

Newly elected Mayor Robert St. Clair said Monday night that he will insist at Tuesday's 10 a.m. public hearing on the Junipero Serra-Skyline freeway lateral that Route A-1-D be adopted instead of Route B and that only these two routes be given any consideration.



Robert St. Clair

St. Clair's edict is in response to a recent resolution by Pacifica which in short demands that if any route for the proposed freeway be given consideration, all possible routes be so reconsidered.

The State Highway Commission's public hearing on the freeway lateral between Junipero Serra and Skyway will be held Tuesday morning, beginning at 10 a.m., in the Daly City War Memorial Building.

Local officials, civic groups and interested individuals are invited to attend this hearing scheduled by the commission "in an effort to eliminate the confusion and controversy regarding the section of the freeway to be routed through this area."

He said that he will argue in favor of the modified Route A-I-D, often referred to as the "McKeon Route" because it falls outside the limits of Daly City and is now considered feasible by the State Highway Commission.

According to St. Clair, the commission had previously indicated that this route was economically and engineeringly unwise.

He added that since its pathway had been revised and its requirements modified, the commission has recognized its value as a linking route between the two highways.

St. Clair said that in presenting his arguments he will be speaking for the entire City Council.

Meanwhile, it was learned that George McKeon is expected to appear Wednesday before the meeting of the County Planning Commission to ask that the county come out in support of Route A-1-D.

The county currently favors the previously adopted Route B and plants at this point to so argue at Tuesday's hearing, according to a county official.

It is feared that if Pacifica and Daly City cannot come to a new agreement on either of the proposed routes, that the state will have no alternative except to route the lateral freeway along Alemany.

This could result because, under state law, cities must individually grant consent for routings through their own property. If such consent can not be obtained, the state must seek a route through its own property. Alemany is state-owned.

St. Clair said that under no circumstances would the city permit this freeway to "bisect" Daly City by allowing it to be built along Alemany.

Alluding apparently to Pacifica, St. Clair spoke Monday night of the "common enemy," stating that an attempt is underway to re-open the entire issue in opposition to the Highway Commission's expressed intent.

The commission has said that "discussion will be limited to the previously adopted route and a recently studied alternate." St. Clair interprets this to mean that only Routes A 1-D and B should be discussed at the hearing and to this end he sair he intends to fight.

Westlake Market Is Burglarized

Westlake Market, 301 Miriam street, was burglarized Monday night by three men, according to a report from the Daly City Police Department.

The burglary was first reported by Santa Pearlman, 336 Miriam street, who said he saw three white males leaving the scene heading south on Miriam street in a light colored Oldsmobile sedan with loud pipes, black tires and rims.

Entry was apparently gained by smashing down the market's front door.

Owner Bob Fessenden said he had not yet been able to determine the exact loss, however, he added that about $150 in beer, wine, candy, gum and canned goods was taken, along with $60-$70 in petty cash.

Fire Department Receives Award

The Daly City Fire Department has received a Home Inspection Commendation Award from the California Fire Chiefs Asspciation.

Notification of the award was made during the Monday night meeting of the City Council.

The department was given a plaque in honor of the distinction.

In accepting the award, Fire Chief Elmer Kennedy said: "It was through the efforts of our Fire Prevention Bureau and the members of this department that we were selected to receive this honor. Our Fire Prevention Bureau has put forth a great deal of work in the home inspection program along with the many other inspection programs and will continue to do so in the future."

Councilman Frank Pacelli, in commenting on the award, said:

"I think we should all be very thankful that our Fire Chief has worked so hard with his department to merit thie achievement. The department deserves our fullest congratulaions."

Police Shoot Youth After Frantic Chase

A 19-year-old Daly City youth is in the Children's Hospital in San Francisco recovering from a gunshot wound in his leg suffered when he attempted to elude police early Sunday morning.

Roy Edwin Roberts, 195 Park Place, picked up one of more than a dozen bullets fired at him when he bolted after he had been stopped for speeding along Mission Road in Colma.

At the time, he was driving a stolen car with which he had first attempted to side swipe a pursuing police car and later tried to run down an arresting officer.

Roberts, after being pursued by Officers Frank Brown and Sal Rosano of South San Francisco for speeding and ignoring a red light, first ran the squad car off the side of Mission Road.

The police car recovered and continued the chase, finally stopping Roberts. As Officer Brown approached Robert's car, however, the latter suddenly gunned it in an attempt to run Brown down. Brown said the car missed him by only six inches.

Both officers said they emptied their revolovers at Robert's car as it raced away.

Later Broadmoor police found the stolen car abandoned on the auto strip along El Camino Real in the 200 block. They reported that they witnessed Roberts fleeing on foot. Officer Merril Baxley said he fired at the fleeing figure and then heard an answering shot come from the suspect's area. However, no gun

CALLAN ANNEXATION

'2000' Names Are Claimed By Group

Petitions bearing "more than 2,000" signatures seeking a referendum vote against South San Francisco's City Council-wrought annexation of Callan Park will be filed "sometime on Monday," according to James Claar, chairman of the City Taxpayers Association which initiated the move.

Claar said that at this point the committee has definitely decided to file its petitions, however, it is not certain whether it will do so during the day or at the council meeting Monday night.

"We're still checking out proper procedure," Claar said, "because this is the first referendum attempt ever made in South City."

The city claims that if these petitions are filed, an agreement between itself and the Callan interests, which calls for considerable funds for sewer installations, plus land for recreation facilities, to be contributed by the Callans, will automatically become null and void.

Claar said that his group's attorney (he declined to give

Chief Petrocchi Points Out Ways To Discourage Vacation Burglary

Police Chief Roland Petrocchi said this week that April 30 through May 6 will be observed as Burglary Prevention Week in Daly City, as proclaimed by Ex-Mayor Francis P. Pacelli. These dates are in conjunction with the official state-wide program set by the Peace Officers' Association of the State of California.

This is not "just another week", the Chief said, but has been set aside for a concentrated effort to remind homeowners of the simple precautions they should take this summer when they leave their homes for an evening or go off on a vacation trip.

From January to September of last year, there were 177 burglaries in Daly City. Unfortunately, many of these were the result of carelessness and probably could have been prevented. At this time of the year, people frequently go out evenings, weekends or on vacation trips and fail to take simple precautions to protect their homes and property.

Something can and must be done to curb this menace Statistics show homes account for four of every ten burgiaries. People can help by taking a few simple steps to discourage burglars. Chief Petrocchi pointed out several precutionary steps to take that involve virtually no expenditure and could mean coming home to everything as you left it.

Leave two or three lights "on" in the house during evening hours.

Put good locks on all outside doors.

Windows are usually a weak point in most homes, too.

Stop all deliveries when leaving for a vacation.

Pacelli To Serve On Sewer Board

Ex-mayor Frank Pacelli was selected Monday night to take over new Mayor Robert St. Clair's seat on the board for the Northern San Mateo County Sanitation District.

Joseph Verducci, councilman, was picked to serve as an alternate on the board.

St. Clair had been chairman of the board until his election as mayor.

LAVAYSSE CASE GOES BEFORE COUNTY COURTS

Roger S. Lavaysse, 24, of 7 Parkview avenue will appear before Superior Court Monday to answer charges that he was found in possession of marijuana by Daly City Police officers on February 27.

Lavaysse has pleaded innocent to the charge, despite the fact that police assertedly discovered one marijuana cigarette and enough loose marijuana for a second cigarette in the basement of his home.

According to the court clerk, Lavaysse currently is free on a $2,100 bond.

He is being represented by Thomas L. Bocci of South San Francisco.

STATE CALLS FOR BIDS ON JS PROJECT AT EASTMOOR AVENUE

The State Division of Highways has called for bids on 17 projects, including one calling for the installation of traffic signals, highway lighting and channelization on Junipero Serra Boulevard at Eastmoor avenue in and near Daly City.

Bids will be opened May 17 in Sacramento.

A total of $21,900 is available for the project including $10,900 in state highway funds, an estimated $5,500 to be paid by Daly City, and an estimated $5,500 to be paid by the county.

This particular project represents the culmination of approximately one year's work on the part of the city to secure these facilities, according to City Manager Ed Frank.

The effort was precipitated by the death of a four-year-old, Donald Uland, on April 8, 1960, when his father, Alfred Uland of Petaluma, was forced to jam on his brakes to avoid a car that had turned in front of him coming out of the Eastmoor avenue entrance.

Although the intersection was actually in county territory, the Daly City City Council was barraged with angry reaction from citizens in the area who demanded that something be done to provide traffic regulatory facilities at the site.

Prior to the Uland boy's death—the first fatality at the intersection—Chief Ray Sav-

St. Clair New Mayor, Verducci Named VM

Robert St. Clair, captain of the San Francisco 49ers, added another title to his collection Monday night when he took over as Mayor of Daly City, succeeding Frank Pacelli.

Although absent because of illness, Councilman Joseph Verducci was elected vice mayor, succeeding St. Clair.

In stepping down, Pacelli paid his respects to his colleagues, the various city commissions and committees, department heads, city employes and the press for what he described as an "eventful year in which it has been a pleasure and honor to have served all of you."

Before retiring from the mayor's chair, Pacelli read an extensive list of activities and accomplishments which occurred during his year's tenure.

St. Clair commended Pacelli for his dedication to his civic duty and for the "manner in which he went about his job."

Councilman Edward Dennis said: "Frank Pacelli spent nine tenths of his time for the city while he was mayor."

Present for the changeover was St. Clair's entire family, including his wife, Ann, and his four children, his mother and father, his mother-in-law,

(Continued on Page 2)

Merchants Divided So Far Over Off-Parking On Mission Street

About one sixth of the more than 300 questionaires mailed to Mission Street merchants tapping their interest in area improvement and increased off street parking have been returned to the City Manager's office.

The questionaires were mailed about a week ago by the newly formed Study Committee for the Improvement of Mission Street chairmanned by Frank Pacelli.

The questions were as follows:

1—Is your parking adequate?

2—Would you be willing to participate financially in providing parking in your imediate area?

3—Do you approve of the Mission Improvement Study Committee recently formed by the City of Daly City?

4—Would you be interested in actively supporting this committe?

Of the 55 questionaires filled out and returned, approximately half report that present parking is adequate and the other half express need for additional off-street parking space.

Of the same 55, more declined any willingness to financially or actively support the study committee than said they would back it.

Pacelli said Tuesday that no determination will be made by the committee until the majority of the questionaires are returned.

"We want to wait until most of them come back," he said, "before we jump to any conclusions.

"I might again urge all merchants along the street to fill out their questionaires and send them in to us as soon as possible."

He added that at this point there has been no talk of money.

"This is just a study committee trying to determine if the area wants any improvement and if so, if they're willing to pay for it," he said. "Cost will come later".

COUNCIL ADJOURNS FOR SPECIAL MEET

The City Council will hold an adjourned regular meeting next Thursday night in place of its usual study session in order to act on certain urgent city business.

The motion to adjourn until that time was asked for Monday by City Manager Ed Frank who noted that he had at least two matters that should receive official action as soon as po ible.

The motion was made and approved.

OLM Festival To Continue At Parish Hall Through This Sunday

At last it's here! After months of preparation, Our Lady of Mercy's "Fantasy Daze" festival will begin tomorrow at 2 p.m. with a preview for the children, and continue until midnight on Sunday, April 30.

Approaching the parish hall, it is hard to remember what it's really like. Simulated castle walls rise behind each booth, and color and harmony are everywhere to be seen. All booths are designed in keeping with the theme, and each offers something appealing, whether the age is two or ninety-two!

The general merchandise booth falls into the category of all, for stocking the shelves are items welcome in any home, from small appliances to beautiful glassware. Homemakers will enjoy the linen booth with it's large selection of aprons, towels, bedding and children's items, and the grocery booth, which speaks for itself.

Children of all ages will love the soft, cuddly animals in the panda booth, and boys and girls alike will want one of the hats from the hat booth, whether the choice is a baseball cap or one with a tyrolean brim (name engraved free); or a new "pet" from the gold fish booth.

Other interesting booths include the doll, garden and ceramics, record, ham and bacon, parcel post, grab bag and the new booth added this year, "toys for boys."

One of the outstanding features of the festival will be the Saturday night dinner, served from 4 to 7 p.m. The dinner will be served again this year by Joe's of Westlake, and reservations are urged as tickets are going fast. For reservations, please call Mrs. James Barrett at PLaza 6-0589.

Preceding the dinner, "Mr. Bob" and his friends from TV land will entertain the children in the parish hall. Beginning at 2 p.m. sharp, "Mr. Bob" will delight the youngsters with his pnuppets in an hour-long show, and, as an added bonus, each child will receive an autographed picture of "Mr. Bob," "Happy," "Leroy" and "Lester the Lion."

During the four days, refreshments will be served at all times, with a large variety of appetizing "snacks," and delicious ham or turkey sandwiches as the "specialty of the house" on Saturday and Sunday.

In the past weeks, throughout Westlake and surrounding areas, tickets have been distributed for free cash awards at "Fantasy Daze." These tickets will also be given out at the festival itself, the only requisite being, that the winner be present in order to qualify for each award, one on Thursday evening, one on Friday evening, and the final one on Saturday evening.

PROCLAMATION

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PACIFICA REQUESTING RE-HEARING OF THE ALEMANY FREEWAY PROPOSAL.

WHEREAS, the California Highway Commission on April 27, 1960, after complete study and careful deliberation, and with the expressed consent of all jurisdictions affected, did duly adopt that certain freeway route between Junipero Serra Boulevard and Skyline Boulevard at the Edgemar Freeway designated as "HR-Modified," and

WHEREAS, following representations and transactions unknown to this Council, and without request from any of the jurisdictions affected, the California Highway Commission, on March 22, 1961, consented to re-open a portion of the above-described freeway route matter in order to consider a newly-devised route designated as "Coleman Plan A-1," and generally known as the McKeon Connection, and

WHEREAS, it is the belief of this Council that if any one or more connecting routes between Junipero Serra Boulevard and Skyline Boulevard at the Edgemar Freeway are to be considered or reconsidered, the dictates of logic and justice demand that all such connecting routes, including the Alemany Boulevard Route ("Alternate A"), likewise be taken into consideration,

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. That the City Council of the City of Pacifica is opposed to any reconsideration of the Freeway route connection between Junipero Serra Boulevard and Skyline Boulevard at the Edgemar Freeway;

2. That in the event such reconsideration does take place, the City Council of the City of Pacifica does hereby request of the California Highway Commission that a full public hearing be given to the merits of all possible connecting freeway routes between Junipero Serra Boulevard and Skyline Boulevard at the Edgemar Freeway, including the above-mentioned Alemany Boulevard connection.

* * * *

I hereby certify that the foregoing is a full, true and correct copy of a Resolution which was duly and regularly passed and adopted by the City Council of the City of Pacifica at a regular meeting thereof held on the 12th day of April, 1961.

City Manager-Clerk, City of Pacifica
KARL A. BALDWIN

Referendum

(Continued from Page 1)

his name) interprets the agreement differently.

"Our man says that the clause in the city's agreement saying that the Callan obligations become null and void if a refcrendum petition is filed doesn't apply in our case," Claar explained.

"He tells us that the clause only concerns a petition against the annexation, not our effort to put the annexation move to a vote of the people."

City Manager Eugene Aiello said that the agreement reads as follows: that this agreement will become null and void if the annexation ordinance is not filed with the state by May 8."

He added that if the petition for referendum is filed with the city prior to this date, the city can then no longer legally file its annexation ordinance, thus nullifying the Callan agreement immediately.

Answering a rumor that the Callan brothers had approached the County Planning Commission again in an effort to re-establish unincorporation negotiations, County Planning Director Frank Skillman said this:

"Let's put it this way. There has been nothing official since the South San Francisco annexation vote. However, we have been in close contact with the Callans and have been kept abreast of what has taken place during the past month or so.

"But it must be remembered that legally the Callans cannot file again with the county until the present annexation vote in South City becomes defunct."

Lake Merced, San Francisco's "backyard fishing hole," was named Laguna de Nuestra Senora de la Merced, Sept. 24, 1775.

San Francisco had 60.6 telephones per population in January, 1960.

Kris Schivo Takes Top Art Show Prize

Kris Schivo, a senior at Westmoor High School, captured the grand prize in the recent Daly City-Colma Lions Club Youth Art Exhibit held at the War Memorial Building.

Kris, whose winning entry was a charcoal drawing, is the daughter of Mrs. Marie Connelly, 532 Del Mar in Pacifica. She is an honor student, having earned mostly A's and B's throughout her high school career. Her art teacher is Robert Nissen who rates her as an "outstanding art student."

Chairman Elio Fontana reports that this was one of the best attended and most successful exhibits to date.

Winners were as follows:

Group I—1st, Gloria Rodriquez, Woodrow Wilson, Grade 1; honorable mention, Mark Mucoutch, Olympic, kindergarten; Ted Reed, Woodrow Wilson kindergarten; Class project, Jefferson, Grade 1.

Group II—1st, Stephen Wahler, Abraham Lincoln, Grade 3; honorable mention, Linda Romer, Cynthia Ellis and Cheryl Philpot, Abraham Lincoln, Grade 3; Terry Dizon, George Washington, Grade 3; Linda Santos, Crocker, Grade 3; Michael Symth, Woodrow Wilson, Grade 2.

Group III—Class A (pictorial), David Dotur, Vista Mar, Grade 6; 2nd, Bob Kelleher, Vista Mar, Grade 5; honorable mention, Edward Berry, George Washington, Grade 6; Gail Donovan, Westlake, Grade 5, Cathy Bogdan, Westlake, Grade 5, Leanna Lucchesi.

Class B (crafts)—1st, class project, George Washington, Grade 6; 2nd, group project, Cista Mar, Grade 5; honorable mention, Kathy Mahoney, Daniel Webster, Grade 6; Mark Latno, Vista Mar, Grade 5; Peter Laffranchi, Crocker, Grade 6; Class project, Colma, Grade 6.

Group IV—Class A (pictorial), 1st, Bonnie Azevedo, Colma Upper Grade 8; 2nd, James Santos, Colma Upper, Grade 8, honorable mention, Steve Burdick, Benjamin Franklin, Grade 8; Gary Grant, Colma Upper, Grade 7.

Class B (crafts)—1st, Jean Dorfer, Benjamin Franklin, Grade 8; 2nd, Barbara Clably, Benjamin Franklin, Grade 8, honorable mention, Guido Podesto, Colma Upper, Grade 8; Paul Howe, Colma Upper, Grade 8; Richard Hall, Colma Upper; Jerome Lufrano, Colma Upper, Grade 7; Class project, Benjamin Franklin.

Group V—Class A (pictorial), 1st, Kris Schivo, Westmoor High, senior; 2nd, David Mark, Westmoor High, senior; honorable mention, Linda Collaza, Jefferson High, junior; Mike Karp, Westmoor, senior; David Mark, Nancy Golub, all Westmoor seniors.

Class B (crafts)—1st, George Garbarino, Jefferson, senior; 2nd, Lana Green, Westmoor, senior; honorable mention, Phil DeCampos, Westmoor, senior, Larry Day, Jefferson, senior; Theresa Tarango, Jefferson, junior.

Class C (photos)—1st, John Morino, Jefferson, junior; 2nd, Joe Bollentini, Jefferson senior; honorable mention, Sharon Wood, John Petersen and LeRoy Kusber, all of Jefferson High.

Parochial Schools—honorable mention, Patricia Woods, Bradley Cunningham and Bobby Maffei, all of Holy Angels.

SIMS PROMOTED TO SERGEANT

Police Officer Richard Sims has been promoted to sergeant effective May 1, according to Chief Roland Petrocchi.

Sims came out on top in the recently conducted exams for the vacant sergeant post.

Chief Petrocchi said that an exam for a new officer to replace Sims will be conducted Friday.

Sims has been with the force since July, 1956.

The Missions of California, 21 in number and extending from San Diego to Sonoma, have played an important part in California history.

Middletown in Lake County was so named in the 1860s when it was a stage stop halfway between Clear Lake and Santa Rosa.

WARD GLENN, program director for Station KAFE-FM, gives last minute instructions to Junior Red Cross students at Jose Ortega Elementary School as they prepare to record classroom songs for shipment overseas to their friends in other lands. The youngsters are among hundreds of local JRC students whose songs are being broadcast over KAFE at 12:15 p.m. each Sunday as the Junior Red Cross "Voice of Friendship." The pioneering series features recordings made by JRC children in many lands and exchanged around the world as a means of promoting friendship among all young people. With Glenn are (front row) Arnold Yee and Bruce Gomez; (back row) Robert Atkins, May Halimahn and Virgilia Signorelli. Next broadcast will be Sunday at 12:15 p.m.

SHOWN above are some of the committee members for the Westlake Festival, "Fantasy Daze," bowing in tomorrow through Sunday. Seated are William Creeggan, major investment; Mrs. James McHugh, directory; Mrs. James Davis, general merchandise; Mrs. Albert Bucci, floor, and Raymond Forcina, general chairman of the festival. Standing behind the ladies are Frank Kelechava, co-chairman for the floor and Robert Wagner, co-chairman for the directory.

VICE MAYOR

(Continued from Page 1)

grandmother, sister and brother-in-law.

In accepting his new position, St. Clair said that foremost in importance was the upcoming "battle against a common enemy" over the proposed lateral freeway between Junipero Serra and Skyline.

"I hope we can bond together to fight our common enemy," he said, "which is Pacifica to the south trying through its resolution to bisect the city as far as political entities are concerned."

The council chambers were specially decorated with flowers and plants to commemorate the changeover.

Following the council meeting, St. Clair entertained friends and associates at Val's Restaurant in honor of his mayorship.

SANDRA CALAVANO, Jefferson High School honor student, is honored for the third time in a row by the Lions Club as she wins county-wide speakers contest held in San Mateo. Deputy District Governor Gil Garrish presents her with the winner's trophy as Elio Fontana, Daly City chairman, looks on. Speaking about "Our National Heritage," she will face her biggest challenge on May 21 at the Lions Club Convention to be held at Hoberg's in Lake County.

Hearing Friday On Pacifica To Skyline Freeway

Representatives of the State Division of Highways will hold a public meeting on Friday, for the purpose of announcing that freeway location studies are in progress for the section of State Highway Route 229 between State Sign Route 1 and Skyline Boulevard.

The meeting will begin at 2 p.m. in the Council Chambers of the Pacifica City Hall, 170 Santa Maria avenue, Pacifica.

Representatives of local governments and civic groups as well as interested citizens are encouraged to present their views regarding factors which could affect the freeway location. The meeting will be of an exploratory nature and since studies have only recently commenced, alternate routes will not be presented at this time.

The commencement of studies on the portion of Route 229 between Skyline Boulevard and Bayshore Freeway in San Bruno was announced at a similar meeting in San Bruno on October 31, 1960.

Summer School Is Announced By JESD

A summer school program was approved Monday night for grades two through seven by trustees of the Jefferson Elementary School District.

Summer sessions will be held at Woodrow Wilson, Thomas Edison, Colma Upper and Franklin Schools beginning Wednesday, July 5, ending Friday, August 11.

Pupils attending Wilson and Edison will be in classes from 9 a.m. to 12:15 p.m. Pupils attending Colma Upper and Franklin will be in classes from 8 a.m. to 12:15 p.m.

Wilson and Edison will conduct classes solely geared to a basic program. What will determine further whether a pupil will attend one of the two schools, if he wants just the developmental (remedial) program, is his residence; that is, which school he lives closest to.

Colma Upper and Franklin will offer the developmental and enrichment program. Here again, what determines which of the two schools a pupil will attend for this particular program, is which school he is closest to.

Pupils will enroll for three periods at Wilson and Edison, and for four periods at Colma and Franklin, including one enrichment choice.

The developmental offerings will be arithmetic, reading and language arts (writing, spelling and grammar).

Enrichment offerings will be arithmetic analysis (grades 5-7); arts and crafts; choral music (grades 5-7); creative writing; elementary astronomy; homemaking for girls (grades 5-7); home mechanics for boys (grades 5-7); speed reading, and the World of Mammals.

Class sizes are expected to average 15 pupils for developmental, and 25 for enrichment.

The board appointed Robert Abbey, now principal at Garden Village School as principal of the summer school. Eugene Camous, presently vice principal at Colma Upper was appointed as vice principal for the summer school.

The board reviewed a map on the district's attendance centers for the fall term beginning next September, but took no action on the matter, tabling the item for their April 27 meeting. The public is invited to attend this meeting.

In other actions the board did the following:

Approved the hiring of T. F. Fitzgerald, San Francisco structural engineer, to do a report on the cost of converting Thornton School which has been vacated of students and teachers, into a storage and shop building.

Instructed Dist. Supt. Richard Foster to proceed with a study along with Fitzgerald on possible rehabilitation of Woodrow Wilson School.

Instructed Foster to represent the board at the highway commission meeting May 2 in Daly City to express its views on the freeway.

Appointed Trustees Katherine Mullen and Wayne Douglas to represent the board on the Sabbatical Leave Committee.

Bought two trucks from Neville Ford for $1,18.14 and $1,876.58, respectively.

Hired the following teachers: Mrs. Nancy Carlson, Barbara Feltham, Sylvia Little, Gayle Young, and Mrs. Alta Reed.

Accepted resignations from the following teachers: Mmes: Marie Beltz, Marilyn Caston, Margaret Gaffney, Rose Hochede, Sylvia Jassie, Carole Staudacher, Barbara Wilson, and Pamela Alexander.

JULIE KARRES, cast as the girl with a "Champagne Complex," a Daly City homemaker, only recently an Ohio resident with amateur theatre experience, will appear in the role of Allyn Macy for the Daly City Players production of "Champagne Complex" which will be held in the War Memorial Community Center on May 12 and

Frank Appointed To New Airport Advisory Group

City Manager Ed Frank has been made a member of a newly formed Airport Technical Planning Advisory Committee for San Mateo and San Francisco Counties.

Frank said the joint committee, comprised of city managers, planners and other civic officials, will work together with officials of the San Francisco International Airport in an effort to coordinate individual city master plans for development with the airport's own master plan.

Frank Skillman, County planning director, was named chairman of the committee. James McCarthy, San Francisco's director of planning, was made vice chairman.

The group plans to meet monthly on the third Wednesday of each month in the conference room of the airport beginning at 10 a.m.

Next meeting has been set for May 17.

Last week's organizational meeting was attended by various airport officials as well as city managers, planners and officials from Daly City, Burlingame, Millbrae, South San Francisco, San Bruno and San Francisco.

Demo Club To Hold New Frontier Party

Daly City-Colma Democratic Club will hold a New Frontier Party at the Broadmoor Community Center Sunday at 2:30 p.m. The public is invited.

Admission is $1 and this entitles you to all you can eat. Entertainment and music will be provided by club members.

Washington Has Facilities Available As Recreation Facility

The Daly City Recreation Department announces the opening of George Washington School facilities for recreational purposes. The newly completed school is located at Whittier and Lowell streets.

Facilities consist of four softball fields, lawn area, several paved basketball courts and children's playground apparatus. Recreation leadership will be provided on weekdays from 3:30 to 5 p.m. and 10 to 4 on Saturdays.

The recreation program will include children's games, sports activity, arts and crafts and special events. Ronald Madariaga, teacher at George Washington School, and present director of Lincoln Park playground, will conduct the recreation program at George Washington. Replacing Madariaga at Lincoln Park playground will be Miss Virginia Lea, former recreation director at Thomas Edison School.

13 Make Donations

The following residents of the Daly City-Colma area recently donated blood to the Peninsula Memorial Blood Bank:

Walter M. Randolph of Daly City sets the record by having contributed for his fifteenth time; followed by Robert E. Holcomb (10th time); Mrs. James C. Welsh (ninth time); Fred Adams, Jr., (eighth time); Vincent V. DeBono (seventh time); Keith L. Mathews (fifth time); Evert L. Mathews (fourth time); and for the second time around are Mrs. Dee Christian, Allyn R. Hutter, Howard E. Ferrel, Mrs. B. Harrel Jones, and Mrs. Frank E. Reaser of Colma. Mrs M. Magnhild of Daly City made her first donation.

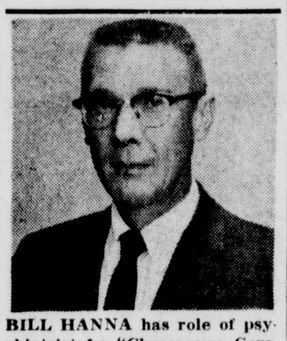
Firemen's Dance Is Set For May 6

The Widows and Orphans Association of the Daly City Fire Department will hold its 28th annual Firemen's Ball at the War Memorial Building on Saturday, May 6, beginning at 8 p.m.

A complete night of dancing will be provided by the music of the Benny Bentfield Orchestra, according to President Sam Grado, a volunteer fireman.

The evening's entertainment will be highlighted with many awards, Grado said, and refreshments will be available under the supervision of Lanty Malloy.

Admission is $1 per person, with all proceeds going to the benefit of the association. Tickets may be purchased at any fire station or at the door the night of the dance.



BILL HANNA has role of psychiatrist for "Champagne Complex." Bill Hanna has been a Daly City resident since 1957 and has been practicing law here since 1954. For the Daly City Players production of "Champagne Complex" however, he will have to become Carter Bowen, psychiatrist. Bill will appear in this role on May 12 and 13 at the War Memorial Community Center.

AREA WACS TO HOLD MEETING AUGUST 11-13

San Francisco Chapter 44 and Palo Alto Chapter 43 of the WAC Veterans Association are co-hosting the 1961 WAC Veterans Association National Convention, to be held at the Sheraton Palace Hotel in San Francisco on August 11, 12 and 13.

An excellent program is being planned around the theme of "The Golden Frontier" and will include a company party on Friday, Aug. 11; the Pallas Athene Luncheon on Saturday, Aug. 12; and a Sunday brunch on Aug. 13.

WAC's have always found it stimulating to overcome obstacles and meet challenges and this convention is no exception. The combined membership of the host chapters is less than 75 women and approximately 300 members are expected to attend the convention. As an interesting sidelight, the CBI Veterans Association is holding a national convention in the same hotel and on the same dates.

Both chapters are at work selling advertising for the convention yearbook, holding rummage sales, raffle ticket sales, pot luck dinners, etc., in order to raise money for their responsibility as hosts. There are also convention workshops held each month.

Any ex-WAC or WAC now on duty who does not know of the association and who would be interested can obtain further information on the above chapters from the following convention chairmen: S. F. Chapter 55—Miss Nelda Hagy, 119 Laidley street, San Francisco, MI 7-4148; Palo Alto Chapter 43—Mrs. Virginia Mueller, 1714 Celeste drive, San Mateo, Calif., FI 1-0826.

Youth Will Hold Social Meeting

The Intermediates (boys and girls, 12-14) of the Peninsula Jewish Community Center, northern area, will hold their second social on Sunday from 2-4 p.m. at the home of Mr. and Mrs. Harry Weglin, 21 Escanyo drive, South San Francisco. There will be games, dancing and refreshments. Center members as well as non-members are welcome.

Mrs. Weglin, chairman of the group is ably assisted by Mrs. Gladys Oberlander and Mrs. Clara Sharp. Miss Elfrieda Fox is the leader. For further information call Mrs. Weglin, JU 3-5792 or Mrs. Oberlander, OX 7-4115.

City Gets Good Premium Refund

The city received a substantial refund this week on its insurance premium for workmen's compensation, according to City Manager Ed Frank.

This year's check totalled $3,996.72, Frank said.

He added that this represents an approximate 21 per cent refund. Maximum allowed is about 65 per cent.

The refund indicates a good year, he said, in terms of the low amount of most claims filed.

Health Exec Nix To Annual Exams For School Kids

"There is no need for the annual medical examination on the part of the great majority of school children" said Dr. Oliver E. Byrd, executive head of the department of health education at Stanford University, who was guest speaker at 17th District, California Congress of Parents and Teachers, meeting held last week at Brentwood School, East Palo Alto.

Dr. Byrd stressing "teamwork in School Health," pointed out that school health programs involve the services of many individuals and organizations with active cooperation and understanding. The functions of the school administrator, coordinators, teachers and financial support, he said, are only a few of the necessary contributions in the development and maintenance of school health programs.

Dr. Byrd covered the subject of health thoroughly, elaborating on the various aspects and concepts to the extent that health education should be integrated into the school curriculum.

Preceding Dr. Byrd's address, Mrs. Foriest Cunningham, district president, called upon Mrs. Arthur J. Huelse, historian, to submit the annual report of activities during the past fiscal year.

Letters To The Editor

DR. MILES THANKS VOTERS AND PRESS

Editor:

Upon my election as Trustee of the Jefferson Union High School District, I would like at this time to express my appreciation to the newspapers for their coverage and to thank voters and friends who supported my candidacy.

It was a privilege to become so closely acquainted with the other fine candidates. It is my sincere hope that their many and varied abilities will be fully utilized by the Board for the betterment of the district.

We, the Board, will endeavor with the cooperation of the press to keep you, the taxpayer, well informed, and solicit your expression on the important problems that will come before us.

It is indeed a privilege to serve you and to have this opportunity to work for the best possible education for the youth of our district.

Dr. Jerry Miles
1325 Linda Mar
Medical Bldg
Pacifica.

Fontana Grateful To Those People Who Supported Him

Dear Editor:

I do want to thank so many of my friends, and you, in contributing to my re-election to the Jefferson Union High School District Board of Education.

Working with my colleagues on the board, I believe we have provided our citizens with a good high school program.

Together with our administration, the board is dedicated to a program striving towards one important and common goal "An Intelligent High School System and Program."

Elio A. Fontana

Robert Eskew's . . . WORDS TO READ BY

I know . . . we've got a new mayor . . . certainly the biggest and possibly the handsomest in the city's history—Mr. Robert St. Clair.

In fact, I was among the first to congratulate him at the conclusion of Monday night's council meeting.

But anyway, I want to drop the "new mayor" bit for now (he'll be around for a whole year, come on) and tell you about something wonderful.

It's a movie called "Sand Castle" currently premiering at the Nob Hill Theater (located in a portion of the Fairmont Hotel) in San Francisco.

This is a marvelously executed film. It is relatively plotless yet totally absorbing. Perhaps it is because I blossomed in a beach town years ago, up to my scalp in sand and salt water most of the time, that I viewed the movie with such delight. But honestly, I think it's more than that.

I suppose you would call the picture an "art film"—the art in this case being cinema-photography (add a dash of graphic character study just for taste.)

The elements are heady ones—earth, sea, sand, salt air and sky, dreams, fantasies, illusions, creation and death as they might casually arrange themselves on any sun-soaked, breeze-blithe holiday at the beach.

A pint-sized boy and his thimble sister are the central characters in the drama. As the lens opens, we find them, hand in hand, combing the water's edge in search of choice shoreline adventure.

After a severe jeering by an in-group of own-age "natives" (probably for holding his sister's hand) our small boy finds a derelict "fox hole" shovel half buried in the wet sand. And hereby hangs a castle the likes of which hasn't been seen since Elsinore (or maybe even Disneyland).

As the boy digs, piles, carves, molds and caresses his castle into being like a lithe and freckle-faced Michelangelo, the world of lotion and lounge, towel and tent gathers about him to behold his miracle in sand.

Enter the blimp man in his bloomer shorts, deep in a gin-and-tonic torpor; the bikini lady whose only shame is a touch of shade; Omaress, the tent dweller, who devours racing forms and peers occasionally out of her canvas cave (with binoculars yet) to ascertain if the odds on evil are up to snuff; the volley ballers all, with their eternal animosity toward the opposite side of the net; the young lovers (sans menthol fags) chasing and splashing in the shallows of the sensual sea; the derisive pack of young natives spurned by our small boy and hot for revenge; and finally, a bevy of nuns in full regalia down by the shore to bat out a bit of baseball, a la Ingrid Bergman in the "Bell's of St. Mary's.

(This last touch I would argue with but it hardly seems worth it, so inoffensive, and perhaps revitalized, was the cliche.

And while these sundry characters gather like witnesses to a new world, the small boy creates and creates and creates in the seven hours of his imaginary day.

Then, at the peak of his triumph, a sudden summer rain strikes, scattering the populace like dozens of ten pins. Only the boy and his sister remain as the beach crowd frantically flees from —of all things—water. Waiting for their mother to return, the children doze beside the castle and for a time the boy dreams that it has come to life and the world is regal again. He dreams in color, and this is as it should be.

When he awakes finally, the tide has moved in, flooding the castle moats, storming its walls, eating deeper and deeper into its foundation until at last, with the forming shore breakers crashing thicker and thicker, the sea begins to topple the turrets and barricades, and "Sand Castle" (a dream out of dust?) becomes, as it was in the beginning—sand without end.

The mother re-enters then and the obedient children follow her out of the promised land.

Throughout, the camera is king: the cool contrast of thin glass, thick ice, silvery gin and bubbling tonic water against the steaming sand and the blimp man's blistering skin; the dark fingers of the volleyballers like quick spiders about the white plastic of the ball; the difference between a freckle and a dab of wet sand upon the glistening face of a sleeping lad who has worked hard and long in his young boy's cause; the tumbling teeth of the sea that devour sand castles like hors d'oeuvres at a mayor's champagne party; and the architectural closeups of the castle with its "windows to the world" which tell one long before the tide and the voice that says it:

"The castle is not gone. It is within you. It always was. It always will be."

And so the small boy and his sister leave at last to discover what new and magical kingdoms lie ahead.

It's News To Vets

QUESTIONS AND ANSWERS

Q.—I am on active duty in the Army with a part time job when off duty. If I am disabled or killed on that job, am I or my dependents eligible for compensation from the Veterans Administration?

A.—Yes. If you should be killed accidently, through no fault of your own, your dependents would eligible for compensation under the present law. If you should be disabled, you would become eligible for compensation after your separation from the service.

Q.—President Kennedy recently asked the VA to pay 1961 GI insurance dividends as soon as possible. When will this be completed?

A.—Payment of the 1961 dividend was completed by March 17, 1961, with the exception of some veterans not reached because of address changes, etc.

Q.—I have found an error in my World War II service record. When can I get it corrected?

A.—Submit proof that your record is incorrect to the service involved—Army, Navy, Air Force or Coast Guard—immediately. Generally, application must be made within 3 years after discovery of the error or before October 26, 1961, whichever is later.

Q.—Is there a simple way to determine whether a veteran or dependent is eligible to receive pension under the old or new pension laws?

A.—Yes. The magic date is June 30, 1960. A veteran or dependent receiving and entitled to receive a pension from the VA on June 30, 1960, is eligible to receive pension under the old law but can elect under the new law. Those who became entitled after June 30, 1960, must come under the new law.

FIREMEN are truly an animal's best friend as proved here by (left) Fireman John Castagnola and Capt. W. H. Albee of Station 2, Daly City, who have just rescued two new-born kittens from behind a kitchen sink at the home of William Houston, 160 Los Banos. The mother cat, "Cream Puff," had deposited them there by climbing up under the subfloor from the garage below. —Staff photo

New Processing System Slated For Hi Schools

Teachers and counselors at schools within the Jefferson Union High School District will have more time for teaching and working with students this fall.

Following the lead of modern business and many other school districts in California, the district this summer plans to install an electronic data processing system which will take over many of the clerical and paper handling chores which formerly had to be done manually by teaching and guidance personnel.

First duties to be assigned the new machine system will be processing of report cards and class schedules for the estimated 4,500 students attending Jefferson, Terra Nova and Westmoor High Schools.

By the spring of 1962, attendance and pre-registration paper work will also be included in the district-wide program.

The new data processing center will be located in the Westmoor High School and will be the first in San Mateo County to fully integrate registration procedures and business administration functions.

POINT WORTH REMEMBERING

The fact that the oil level shows full on the gauge does not always mean that the crankcase is full of oil, warns the National Automobile Club.

It may be that part of the supply is made up of gasoline seeped down from the cylinders where it never was burned. Crankcase ventilation takes care of this to a great extent, but if a car has badly fitting piston rings, the burden may be too heavy.

WILLIAM J. SWEENEY, JR., Daly City dealer and a member of the Studebaker-Packard national dealer council is shown here with S-P executives L. E. Minkel (right) marketing vice president and Frank J. Suslavich, vice president and general sales manager. Sweeney attended a two day meeting of the auto firm's national dealer council in South Bend.

Length Of Terms Is Determined For HS Trustees

Slips of paper drawn by lot Monday night determined the length of terms for four of the five trustees of the Jefferson Union High School District.

Dist. Supt. Edward Morgan had prepared four slips of paper, three with the number four on them, one with the number two. The numbers represented the number of years the new terms beginning July 1 would last. All four members who picked one of the slips ran in last week's school board race.

Because of a stipulation in the state's education code which applies to districts where four out of the five members have run, such a determination was necessary, so that a sequence of 3-2 is established.

This 3-2 sequence means only three of the five face reelection at one time, followed by the other two facing reelection two years hence.

Dr. Jerry Miles, newest member of the board, drew a four-year term, as did Mrs. Anna Eason and Elio Fontana. Chairman Lyal Ingersoll drew the only two, meaning he will face reelection again in two years along with Trustee James Cooper, who did not have to run for reelection in the recent election.

Morgan said he believed that this was the first time in the history of the state, that length of terms for trustees had to be determined in this way, excepting in the formation of a new school district.

City Of Hope Will Re-Do 'Dial M' Show

The hit show "Dial M for Maidel" performed by the Guardian Chapter of the City of Hope, is extending its run. After playing to capacity houses in March, and by public demand, the guardians are adding two additional performances, May 6 and May 13.

The production, directed by Fanya Silverman and with choreography by Elsie Waxman of Daly City, has a cast of over 50. Dial M for Maidel is a modern musical comedy, written by Cy Kleinman of New York.

The story line is about the age old problem of a middle aged man looking for a wife . . . with money. The modren sets were designed by Alan Kimmel of Actor's Workshop fame.

The additional performances will be held again at the Veterans War Memorial Auditorium at Van Ness and McAllister streets in San Francisco. The tickets are all on a reserved basis. Curtain time is 8:30.

All proceeds from the show are for the children's Leukemia Wing of the City of Hope Hospital. For an evening of fun make up a party. There are still many good seats left. For further information contact Mrs. Yank at JU 7-8871 or the City of Hope office, FR 6-8688.

RUSSIAN EASTER (April 10 to April 15) was celebrated by the San Francisco Boy Scouts when Cubs (l. to r.) Charles Schultz and Richard Ravel visited the Community Children's Nursery at 2174 Post street. In the international custom of Easter gifting, the Cub Scouts presented some authentic Monitor recordings and told the nursery students about the Scout-O-Rama plans for the Cow Palace on May 5 and 6. Children were delighted to learn that they will be admitted free! Shown here with the Cub Scouts are: (l. to r.) Alan Himuro, Kurt McCracken, Mark Riordan, Coleen Ikemi, Jean Nosaka, Richard Woo, Robin McCracken, David Bancroft, Colette Ikemi and Anita Reed.

PREPARING for the Temple of Judea Sisterhood's annual Donor Luncheon and Fashion Show to be held May 3 at the Fairmont Hotel are (l. to r.) Mrs. Robert Hoffman, who will model, Mrs. Clifford Glicksman, who is in charge of reservations (PL 6-3266); and Mrs. Harry Minkin, committee member. Benioff Fashions will be featured. —Staff photo

Blood Bank Returns; At Sharp Park May 12

The Peninsula Memorial Blood Bank Mobile Unit will be at the Masonic Hall on Old County Road, Sharp Park, on May 12 from 3 p.m. to 7 p.m. to take donations.

Mrs. Grace Ayres, Chairman of this year's Blood Bank Committee hopes to raise at least 100 pints of blood to replace those used by Pacificans in the past year.

The blood donated is for the Pacifica Blood Reserve Fund. This fund makes blood or plasma available at any time to anyone living in Pacifica, or to relatives in other parts of the country through an exchange system.

Individuals or groups who wish to donate please contact Mrs. Grace Ayres, Chairman, at FL. 5-2580. You will be reminded of your appointment by phone in ample time.

Pacelli Hopes For Tie-In With Contest

The ninth annual "Dream Girl" beauty contest for the San Mateo County Fair will be held on Thursday, July 20, at 7 p.m. at the county fair grounds, according to William M. Wilson, fair manager.

Daly City was again asked Monday night to conduct a special contest within the city which would provide a contestant for the county title.

Councilman Frank Pacelli, as acting chairman of the Civic Celebration Committee, said that he hoped the "Miss Daly City" and "Mrs. Daly City" contests to be held in June could in some way tie in with the county fair contest.

The "Dream Girl" winner will be eligible to compete in the "Maid of California" contest.

ALLEN MILLER, to appear in "Champagne Complex," a veteran member of the Daly City Players, has been active not only on the stage but also back stage in the field of set designing. In the play "Champagne Complex," which will be held at the War Memorial Community Center, May 12 and 13, he will be cast in the role of Helms Fell Harper, "the youngest vice-president in the U.S."

Chapmans Have 3rd Daughter, Patricia

A daughter, Patricia—their fifth child and third girl—was born last week to Mr. and Mrs. William Chapman at Kaiser Hospital in San Francisco.

Chapman is City Engineer for Daly City.

Patricia weighed in at 9 pounds, 5 ounces.

The mother and new daughter are both at home, Chapman said, doing well.

times ..... 24tl Fashion Show lb

The South San Francisco Women's Club presented "Fashions on Local Tours" at their Grand Avenue club house last Saturday, at 1:30 p.m.

'Midst a setting of Bay Area blooms arranged by Garden Section Chairman Mrs. James Howard and her committee, apparel from Hagen s and Marguerite's Tall Shop in San Bruno featuring fashions for club women was shown, under the direction of Fashion Coordinator Mrs. Thomas Needham. Commentator was Bernard Mallorino, Principal of Southwood School.

Members assuming modelling roles were: Mesdames Vernon Axness, Clifton Bennett, Robert Boston, John Broughan, Lloyd Cottrell, Charles Eisenbrey, Harry Farros, Joseph Hogan, James Howard, Richard Jordan, William Kasper, Charles Lewis, Ralph Marcus, Sherman Nash, Thomas Needham, Edwin Ray, Richard Solomon, James Toboni and Robert Whitehead.

Mesdames Robert Boston and John Broughan were co-Chairmen of this event, with Mrs. Richard Jordan in charge of tickets. Mrs. Richard Solomon headed the door prize committee and Mesdames Harry Leitner and Ralph Marcus were in charge of programs. Mrs. Finley Acker and her committee served refreshments at the close fo the program.

Highlight of the afternoon was the "Surprise Entertainment" under the direction of Mrs. Charles Verhagen.

Reservations were taken by Mrs. Richard Jordan of 1357 Hillside Blvd.

You can enroll now in the campaign to "Keep California Green and Golden" this year.

Six Business Licenses OK'd

Six new business licenses, four of them for the Skyline Plaza Shopping Center, were approved Monday night by the City Council upon the recommendation of Director of Finance J. A. Arch.

The new businesses are as follows:

Skyline Foods, Inc., Vincent J. Nevolo, president; 250 Skyline Plaza.

Gutman's, Inc., Lyndell D. Morgan and George R. Gutman, 6235 Mission St.

The Jug Shop, Norman A. Murfee, 230 Skyline Plaza.

Don's TV, Inc., Donald H. Goldman, 130 Skyline Plaza.

Shaw's Plumbing, Anthony J. Riddell and William Kenter, 3268 San Jose Ave.

Skyline Hardware, Molly and Stanley Levy and Arthur Bronstein, 150 Skyline Plaza.

Kindergarten At Colma K-6 Hosts Tots Mothers

On Tuesday afternoon, April 11, from 3:15 to 5 p.m., Mrs. Gibbons and Mrs. Hammond, kindergarten teachers, were hostesses and served refreshments to the mothers of the children who are enrolled in the kindergarten classes at the Colma K-6 School.

These parents combined pleasure with business as they visited and made colorful costumes which the kindergarten children will wear at the May Day Festivities which will be held May 1 at the Colma K-6 School at 1 p.m.

Those parents attending were: Mrs. G. Reed, Mrs. C. Molina, Mrs. T. Wendt, Mrs. M. Kelly, Mrs. N. Young, Mrs. M. Conti, Mrs. G. Tricerri, Mrs. G. Solari, Mrs. Maguire, Mrs. Gehughty, Mrs. Hobson, Mrs. B. Altamirano, Mrs. P. Cancilla, Mrs. M. Oakley, Mrs. Shirley Zanini, Mrs. E. Flint, Mrs. J. O'Shea, Mrs. S. Dodge, Mrs. F. Moreschini, Mrs. F. Giacalone, Mrs. Lapachet, Mrs. V. Sottile, Mrs. A. Quock, Mrs. J. Jardin, Mrs. R. Berridge, Mrs. H. Powell, Mrs. P. Casalnuovo, Mrs. E. Denys, Mrs. H. O'Neill, Mrs. G. Rodriguez, Mrs. S. McMullan and Mrs. E. Lowe.

RITA KAPLAN, Daly City songstress, is shown singing one of her numbers which highlighted a recent presentation of the City of Hope show held earlier this year. The local songbird will repeat her musical talents for the forthcoming new presentation.

TV and RADIO

By Mona Baker

For the third straight year national recognition has come to Mrs. Blanche M. Stricker, sixth grade teacher at Pedro Valley Elementary School in Pacifica for her "imaginative and creative uses of television as a teaching aid." Her entry was judged the best out of 1,640 finalists in the "Expedition" Teacher Awards Programs supported by the Ralston Purina Company through the National Education Association. Announcement of her 1961 Honor Award Plaque was made last Saturday at the NEA luncheon in Washington D. C.

Meeting Mrs. Stricker at a special press conference arranged by KGO-TV, we found her to be a most dedicated teacher and extremely enthusiastic about television and its potential at a supplementary teaching tool. She feels that television "is the most outstanding medium that can be used to supplement, enrich and round out the individual." Also a modest person, she hastened to add that her awards "wouldn't have been possible without the assistance of the parents and children." Since she is now ineligible for further awards on the program she said that her fondest wish is "that this precedent that we have set in the Laguna Salada District not be allowed to die on the vine." She earnestly hopes that other teachers will participate in the program.

Certainly television programs such as "Expedition" do offer much in the way of enrichment for school youngsters, but it takes a teacher with the vision of Mrs. Stricker to see the potentials and utilize the project to the fullest. Throughout the country the program has had great impact on both students and teachers. At present the "Expedition" series teachers guide program is used by more than 100,00 teachers as a supplement to teaching and as a stimulus to learning for nearly 5,000,000 students.

KGO-TV also received recognition with a special "Award of Honor" for its locally produced "Expedition - California" series. One of the programs "Clipper Ships and Paddle Wheels" will be shown on the entire ABC network on August 8. Also Channel 7 plans to repeat all their locally produced "Expedition" programs at the same time (Tues., 7 p.m.) during the coming summer months.

If you are the manager or owner of a business or perhaps are contemplating going into business, be sure to set your alarm for 6:30 a.m. weekday mornings and tune to KPIX's newest public affairs program "Business Guidelines: Managing the Independent Business." Presented in cooperation with the University of California, the 13-week program will cover a wide range of topics from taxes to labor and is conducted by the faculty of U.S. School of Business Administration.

Watching the first programs, we feel certain the businessman will find the series enlightening and of great benefit. We would like to see more visual aids to keep the program moving and interesting.

An important part of the program is a series of test questions posed by the lecturer on Fridays which can be checked on special cards supplied by Dept. of Correspondence Instruction of University Extension.

The new course on Channel 5 is the first time a "course" in business has been presented on local or network television.

—●—

Busy getting organized is one of the largest coordinated news teams ever assembled from the four networks, ABC, CBS, MBS, NBC, to bring to the nation's viewers comprehensive coverage of the forthcoming "Man in Space" operation. The evening before the attempt a special program will be presented detailing preparations and preliminary activities. The next day the firing and recovery of the capsule will be covered "live," with a follow-up program in the evening evaluating the results of "Project Mercury." So be sure to stay by your television sets for "you will be there" through the magic of television when the historic moment occurs.

—●—

Busy too is community channel KQED who this month has been conducting an "April Shower" campaign to wipe out a deficit. Continually operating "on a shoestring" the station has only 9,500 viewer-members although more than a half-million viewers watch the programs. KQED's tax deductible membership dues are $10 but all contributions large or small are welcome. Do send in yours today as "thanks" for the many fine programs brought to you by Channel 9.

—●—

NEW PROGRAMS: Over KGO-TV "What's new in Books" (Sun. 1:30 p.m.) premiered this week featuring review of approximately 10 to 15 books each week by two noted book authorites Lew Longfeld and Ann Alanson.

On KRON-TV, new education series "On Campus" (Sun. 1 p.m.) produced in cooperation with U. of Calif.

Two new medical programs over KQED: "Family Doctor" (Fri. 7:30 p.m.) and "The Great Issues of Conscience in Modern Medicine" (Wed. 10 p.m.).

Pacifica Nursery Plans Open House

The Pacifica Nursery School will hold the second in a series of open houses designed to acquaint the public with its program on Friday, April 28.

The school will be opened to visitors from 9:30 to 11:30 a.m. during which time the nursery school will be in operation "as usual". Children are accepted into the two-day-a-week program at 33 months and into the three-day-a-week program at four.

Parents who might be interested in enrolling their children next fall in a nursery school program are particularly urged to visit the nursery school while it is in session.

The school is located in the Pacific Manor section of Pacifica at 610 Edgemar avenue. For further information call Mrs. D. A. Lazzeri at EL 9-1471.

Zion Representative To Speak At Hadassah

Ray Levin, Northwest States Area Representative of the American Zionist Council will be guest speaker at the next regular monthly meeting of the Westlake Group of Hadassah, on Thursday, April 27 at noon at the Lake Merced Sports Center on Harding Road.

The meeting, a luncheon will feature a forum of five members of the Westlake Group of Hadassah led by Mrs. Lloyd Warren Bauer, Mrs. Alan Goldstein, Mrs. Morris Karr, and Mrs. Lee Nebron. They will discuss: "Israel, its Problems Past and Present."

Levin, for many years active in Zionism both in Israel and in the United States, will lead a question and answer period following the panel.

New Faces Appear At HS Board Meet

There were two new faces at Monday night's board meeting of the Jefferson Union High School District.

Dr. Jerry Miles of Pacifica signed the oath of office officially seating him on the board. He won the right to a full-term in last week's school elections, however, he has been appointed by the County Superintendent of Schools to complete the term of Dr. Robert Rockstein, who resigned earlier this year. The latter's term expires June 30. On July 1, Dr. Miles will take the oath for the term he was elected for.

Mrs. Sue Lykins, new secretary to Dist. Supt. Edward Morgan, and recording secretary to the board, made her first appearance at the meeting, also. She succeeds Dorothy Duncan, who has held that position for eight years, and now plans to reside in Hawaii.

HS Summer School Registration Open

Registrations for summer school are still being accepted, with approximately 300 students already enrolled for the 1961 session, according to Robert Watt, summer school director.

Registration will be accepted until May 5. Watt said he expects a total of 1,000 students to enroll.

Two classes are being offered this year on a four-hour a day basis for four weeks. These are courses in civics and sociology. These courses begin June 21 and end on July 14.

Along with the selection of regular classes, clothing, arts, crafts, mechanical drawing, and typing are being offered as elective courses.

Summer school will begin June 21 and end August 11. The six-week session, for incoming ninth graders, will begin June 21 and end July 28.

Coriander seed is dried, ripe fruit of an herb of the parsley family.

Unsurpassed quality does not mean high prices

Despite Gray's reputation for excellence, prices are very reasonable.

Society Notes

Jewish Youth Form New Club

The Jewish Youth Club, a new teen-ager (14-18) social group is being sponsored in the North County area by the Peninsula Jewish Community Center. Advisors are Ruben Kesler and Mrs. George Lowenberg. The group meets every other Sunday at the homes of members. The culb has a two-fold purpose, one is social and the other is community service.

With these purposes in mind, future plans will include a basketball team, beach party, Saturday night dances and a service project that has already been initiated.

The girls have started making place mats for the elderly women patients at Millbrae Serra Sanatorium, to be presented on Mother's Day. The co-chairmen of this project are Elfrieda Fox and Sandy Olsen. The boys basketball team will meet on Tuesdays at the San Bruno recreation center, leader is Howard Kesler.

At the first meeting the following were elected to lead the group: president, Larry Radine; vice president, Dorothy Garelick; secretary, Barbara Kushner; membership chairman, Dorothy Garelick; co-chairman, Sandy Olsen; athletic chairman, Bob Solomon; co-chairman, Pete Lowenberg; refreshment chairman, Peechee Goldbard, co-chairman, Foster Goldstrom.

The next meeting will be held on Sunday evening, May 8.

RUMPELSTILTSKIN, the lively and colorful children's classic, will be enacted on stage this Saturday at Abraham Lincoln School at 11 a.m. and again at 2 p.m. The Lincoln PTA is sponsoring this presentation by the Daly City Players. Pictured above (l. to r.) are Arlene Gibson and Marlene Sheridan as the king's courtiers; Ray Navarra, who portrays Prince Alex; Tinker Taylor as the princess; Pat Mayer as the miller's wife; Zizz Black as the king. Seated is Darlyn Lewis, who plays Rumpelstiltskin. Tickets will be available at the door. For additional information, call Mrs. Conte Giessani, PL 6-5689. Photo by Customs

Douglas Becker To Celebrate Bar Mitzvah At YWCA Friday

Douglas Becker, son of Judge Charles and Mrs. Becker, will celebrate his Bar Mitzvah Friday evening at 8:30 p.m. Services will be conducted at the Stonestown YMCA, 20th avenue and Eucalyptus drive in San Francisco.

The Board of Trustees of Temple Judea will hold a special Congregational Dinner on Sunday, at 6:30 p.m., at the Press and Union League Club, 355 Post street, San Francisco, to acquaint the congregation and friends with the completed plans for the Temple to be erected on Brotherhood way, San Francisco.

Hillard Goldstein, general chairman of the Building Fund Drive has announced that there will be no solicitation of funds at the dinner. Mr. Goldstein, a prominent San Francisco attorney and a zealous worker for the congregation over the past years, is proud to announce the definite formulation of the building plans. Under the authorization of the President of the congregation, Max Rudorfer, Goldstein has appointed Judge Becker and Bertram S. Silver as honorary chairmen.

The following team chairmen will work under the direction of Dr. George Riba, chairman; Sidney Charlip, Mervin Coleman, Joseph Spiegelman and Dr. Robert Biben. Over-all chairman of the hostesses for the evening is Mrs. Charles wine, president of the Sisterhood of Temple Judea. Arrangements and publicity chairman is Mrs. Arnold Beinner.

Rabbi Robert W. Shapiro, spiritual leader of Temple Judea feels "Brotherhood Way" holds a unique possibility as a force for understanding in our community. "I believe," the Rabbi stated, "that the community at large will view with pride this "road" symbolizing cultural plurality as another landmark of San Francisco."

The Temple Religious School plans an Annual Picnic for Sunday, May 7, from 10 a.m. to 4 p.m. at Camp Saratoga. There will be swimming, games, and fun for all. All members of Temple Judea and their families are invited.

Sisterhood of Temple Judea will hold its Annual Donor Luncheon to be held at the Fairmont Hotel, Gold Room, on Wednesday, May 3, at noon. Fashions by Benioff's will be modeled by Temple Judea Sisterhood members. A special men's table has been arranged.

The "JOY" youth group announces its closing dance of the year on May 20 at 8 p.m. in the clubhouse adjoining Temple Judea, 95 South Mayfair avenue in Westlake. For further information, please call the Temple office, PL 5-6362.

Bridge Club Planned For Those Interested

The Peninsula Jewish Community Center, northern area, will sponsor a bridge club for those who wish to learn to play, and for those who wish to improve their game. This session will consist of eight, two-hour lessons, lead by a master contract bridge teacher.

The lessons will be held on alternate Tuesday evenings in a centrally located meeting place. The group still has room for a limited number of couples. For further information call Mrs. Davis, PL 6-5241.

California has more species of native plants than any other equal area in the United States.

YWCA Will Offer Dancing Classes For Youngsters

The YWCA of North San Mateo County is offering classes for the pre-schooler and sub-teen.

The tiny tot classes start May 1 at 1 p.m. for beginners 3 to 6 years at War Memorial Building in Daly City. There is also a Tuesday class at the Westlake Club House starting May 2 for intermediates at 10 a.m. and beginners at 11 a.m. These classes are in basic dance that teaches elementary techniques and rhythm.

For the 6 to 12 age group there is a Monday class starting May 1 at War Memorial Building at 3:15 for intermediate and 4:15 p.m. for beginners. There is also a Tuesday class starting May 2 at 3:30 and 4:30 at the Westlake Club House and these are for children who have had previous dancing training. These classes for the 6 to 12 age group are in actual ballet training and modified modern dance.

The teacher for these classes is Judith Newman, and Y membership is required for the mother.

Nursery Moms Discuss Children's Behavior

The Pacifica Nursery School joined the Village Nursery School of Colma in their weekly meeting recently at Jefferson High School to discuss a series of questions centering around parents' reactions to various types of child behavior.

Those persons who received awards at the recent 11th annual fund raising dance sponsored by Village Nursery School were B. Grant, 268 Olympia way, Pacifica, $100; floor waxer, Joe's of Westlake; transistor radio, Denise Friend, 575 Higate; gourmet basket, Earl Cohen, 655 Skyline boulevard; toaster, Kay Bartfield, South San Francisco; steak knives, Leon Carlen, San Francisco.

Mayor Installs New Vista Grande PTA

New officers for the year were installed at a meeting of the Vista Grande-Thornton PTA with Mayor Frank Pacelli officiating.

Mrs. Al Tiraschi was installed as the new president succeeding Mrs. Thomas Lewin. Other new officers are Mrs. Del Fehl, vice president; C. J. Martindale, honorary vice president; Mrs. John Rush, recording secretary, Mrs. Robert Carlascio, corresponding secretary; Mrs. Francis Murray, treasurer; Mrs. Abe Gensel, historian; Thomas Lewin parliamentarian.

Entertainment of the evening was provided by the Glee Club under the direction of Mrs. Patricia Hackett and the instrumental group, directed by Richard Snyder.

Driver Training Class At SSF Hi School

Registrations are being accepted for the Driver Training class at South San Francisco Adult School through May 4th. Five weeks of instruction Tuesday and Thursday nights, 7 to 9:30 p.m., plus behind the wheel training are offered at $12.50.

For further information please call JUno 9-6285 Monday through Thursday evenings.

Avalon PTA Has Officer Installed

Avalon PTA of South San Francisco installed the new officers for the coming year at an installation luncheon held at Brentwood Lodge recently.

The new officers were installed by Mrs. J. D. Jackson, past PTA president of Avalon.

The new officers are Mrs. Louis Alcorta, president; Mrs. Robert Lustenberger, vice president; Eugene Sunia, honorary vice president; Mrs. George Iverson, treasurer; Mrs. Graham Rumble, recording secretary; Mrs. Marc Hanna, corresponding secretary, Mrs. Henry Hildebrand, historian.

Outgoing president, Mrs. Iverson, was presented with a gold charm bracelet.

Sisterhood Temple Judea Will Present Donor Lunch On May 3

Sisterhood Temple Judea will present the Sixth Annual Donor Luncheon and Fashion Show at the Fairmont Hotel Gold Room on May 3.

This Sisterhood is the main support of the Religious School, making the Donor Luncheon the most important fund-raising of the year.

Fashion of the Show will be shown by Benioff, and the models' makeup will be by Elizabeth Arden. The donor donation is $10. Valuable prizes, including a portable television, will be given away at the luncheon.

Committee members are: Mesdames Myron Smith, chairman; Hilliard Goldstein, telephone and mailing; Maurice Kasavan, publicity; Daniel Goldman, tickets; Clifford Glicksman, reservations; Louis Aronoff, door prizes; Nathan Siegal and Sidney Bronstein, fashion show; John Butler, prepayment plan; William Barbour, coordinator; Leonard Lewett, decorations; and Sidney Charlip, special effects.

The models will be: Mesdames Leonard Liebowitz, Henry Herz, George Riba, Zelim Pelligrini, Mervyn Coleman, Alfred Beletz, Paul Ross, Lewnard Lewett, Robert Shapiro, Harold Wachter, Marie Del Monte, Frank Langfelder, Arnold Beinner, Robert Hoffman and Kalman Bartfield.

NEW officers of the Vista Grande-Thornton PTA are (l. to r.) Mrs. Del Fehl, vice president; Mrs. John Rush, recording secretary; Mayor Frank Pacelli, installation officer; and Mrs. Al Tiraschi, president.

CDA Inducts Eight New Members At Our Lady Of Perpetual Help

At an impressive ceremony held at the Our Lady of Perpetual Help Auditorium in Daly City on Thursday evening, April 20, Court St. Mary No. 1155, Catholic Daughters of America received eight new members into its ranks.

Attended by Father Matthew P. Sullivan, of Daly City, State Chaplain of Junior Catholic Daughters and Chaplain of Court St. Mary; Mrs. Fred J. Wettstein, of San Francisco, Vice State Regent; Mrs. Joseph Sherry of Oakland, State Chairman of Share The Faith; Archdiocesan chairmen—Mrs. Harold Kull, San Francisco, Social Welfare; Mrs. James Brennan, Oakland, Public Relations; and Mrs. Harvey Mumford, Daly City, Confraternity.

Guests also included members of Courts: Our Lady of Good Council, and California, of Oakland; Golden Gate and Salesian of San Francisco; Junipero Serra and Holy Rosary from the Peninsula.

Distant-wise, Miss Angela M. Ferland member of Court District of Columbia, No. 212, of Washington D.C., was present.

Assisting Mrs. Arthur Dikas, Grand Regent, with the degree work were Mrs. Peter Arietta of Court Salesian, Assisting Monitor; and Court officers—Mrs. Elmo Pucci, Vice Grand Regent; Mrs. Warren Steinbach, Prophetess; Mrs. Maurice Clark, Monitor; Mrs. James O'Reilly, Lecturer; Mrs. Esther Day, Mrs. James Guglielamoni and Miss Eloise Sauer.

Color guards included Mrs. Charles Wettstein, Mrs. Harvey Mumford, and Mrs. Carlo Rollandi.

Directing the initiation was Mrs. Donald Heissenbuttel of Ct. Salesian and District Deputy for Court St. Mary.

Receiving the emblem pins of the Catholic Daughters of America, as a token from the Court, were the newly initiated members; Mmes. John V. Newell, Thomas Glynn, Ronald Judson, Patricia A. Roda, Irene G. O'Neill and Misses Rose Cavanaugh, Ethel Hansen, and Irene O'Neill.

Organist for the evening was Mrs. Ernest Hecht and soloist was Mrs. Wallace Mead, both of Court Golden Gate.

Mrs. Jennie Johnson arranged the hall decor in tones of purple, white and yellow.

A buffet was arranged by Mrs. Margaret Morey, hospitality chairman, and her committee, at the conclusion of the evening.

Pacifica Sailor Is Sub School Graduate

Irvin H. Nickerson, electronics technician seaman, USN, son of Mrs. Madeline Nickerson of 560 Ridgeway drive, Pacifica was recently graduated from the Nuclear Power Submarine School at the New London Naval Submarine Base, Groton, Conn.

The nuclear power department of the school trains officer and enlisted personnel in the theoretical knowledge, construction and operation of submarine nuclear power plants.

'Y' Fashion Show Is May 4 At Bowl

"Heads, Hats, and Furs," is the theme of the May 4 YWCA Fashion Show and Luncheon from 1 to 3 p.m. at the Westlake Bowl.

Six attractive Y models will show the latest in hair styling as created by the Park Plaza Beauty Salon. The newest hair fashions will be set especially for the show. The hats and furs, courtesy of Miss Teen Shop, will be modeled by another well chosen six. In addition, the lovely floral displays will be arranged through the cooperation of the Westlake Florist.

Chairman of all the monthly Y fashion shows is Dee Sklavos. Mrs. Florein Trager will assist as co-chairman on this event representing the North San Mateo County YWCA Area Committee. Chairman Eleanor Raymond is in charge of tickets and Mona Baker will be commentator.

Models for the show include Bety Turner, Pat Kenison, Ginger Straight, Maxine Sweat, Curtis Pfieffer, Margaret Papazian, Peggy Miller, Jeanette Parkinson, Helen Doerr, Trudi Covall, Virginia Myers and Dorothy Orlich.

Vista Mar Class Produces Paper

Mrs. Lanthier's fifth grade class has been producing a daily newspaper, complete with editors and reporters.

As a culmination of the study of the functions of a newspaper and the "benind the scene" activities, the class visited the New Call-Bulletin. Their guide, Mr. O'Connor, took them through the office. They saw the city room, linotypes, teletypes, the presses and the conveyer belt.

From their trip, they gained a greater insight as to what goes on before one buys a newspaper at the corner newsstand or it is delivered to the door. They further were made aware that the newspaper is an important part of our daily lives.

It keeps the public informed as to the happenings throughout the entire country, as well as current events in other countries; it deals with politics, science and things of human interest which help the public to keep abreast of the world, and better appreciate the interrelationships of the world.

Blood For Vets Week Set To Begin May 28

The Veteran Administration announces that May 28-June 3 has been proclaimed as Blood For Veterans Week.

During this week, citizens of Daly City and San Francisco will go to the Irwin Memorial Blood Bank of the San Francisco Medical Society, 270 Masonic avenue to make donations. Hours are from 9:15 to 5:45 p.m., and from 8:30 a.m. to 2 p.m. on Saturday.

Lutheran League Plans Convention At Sebastopol

The Lutheran Women's Missionary League of The Lutheran Church, - Missouri Synod, will hold its 17th annual district convention at Sebastopol on April 29-30.

Mrs. Vernon Pulliam of Bethel Lutheran Church will represent local Lutheran women as the official delegate, and Mrs. Elmer Ohlendorf will serve as alternate.

The International League, with an individual membership of well over 200,000 women, is engaged in numerous worldwide missionary projects. The primary goal is to bring the Word of God to peoples in both domestic and foreign fields. During the present year, the district has contributed some $4,000 to the Lutheran Braille Workers, Inc.

The motto of the League is, "Serve the Lord With Gladness."

LDS Women To Hold Benefit Concert; Stake House Opens

San Francisco Stake House Relief Society, the women's auxiliary of the Church of Jesus Chirst of Latter Day Saints, will present the San Francisco Stake Women's chorus and guest artists in concert as a building fund benefit on Friday, May 5 at 8:15 p.m., at the new Stake House at Brunswick street and Hillside boulevard.

Donation is $2 per person. The public is invited. Tickets may be purchased at the door.

A pre-dedication tour of the new chapel and stake center will be conducted April 22, 23, 29, and 30 and May 6-7 from 10 a.m. until 9 p.m. The tours are free. No donations need be made.

LAST MEET SET FOR MERCY HIGH GUILD; NEW OFFICERS IN

The Mercy High School Guild will hold its last meeting of the school term Thursday, May 4, at 8 p.m. in Rist Hall.

Mrs. John J. Murray will install new officers including, Mesdames Joseph Tinney, president; Dennis Smith, vice president; John Bruns, recording secretary; D. Gallagner, financial secretary; P. Fraher, treasurer; J. Misuraca, auditor; board members, Mesdames A. J. Corsi, V. O'Connor, J. Cannon, R. Maniscalco and A. Rentschler.

Outgoing officers, past presidents and senior mothers will be honored guests. Junior mothers will be nostesses.

Mrs. Balestieri To Represent DC Court

Mrs. Sam Balestieri will represent Court Infant of Prague 1389 at the 19th Biennial State Conference of the California State Court of the Catholic Daughters of America.

The conference will be held at the Huntington Sheraton Hotel in Pasadena from April 30 to May 4.

CDA WILL HOLD BUSINESS MEET

Court St. Mary No. 1155, Catholic Daughters of America will hold its business meeting at the Our Lady of Perpetual Help Hall, Daly City on Thursday evening, May 4.

Mrs. Marcel Covell, nominating committee chairman, will present her report and the election of officers for the coming term will follow.

A layette shower for St. Elizabeth's Home for unwed mothers will also take place at that date. Small infant shirts, clothes, diapers, and wrapping blankets are most welcome. They may be new or nearly new.

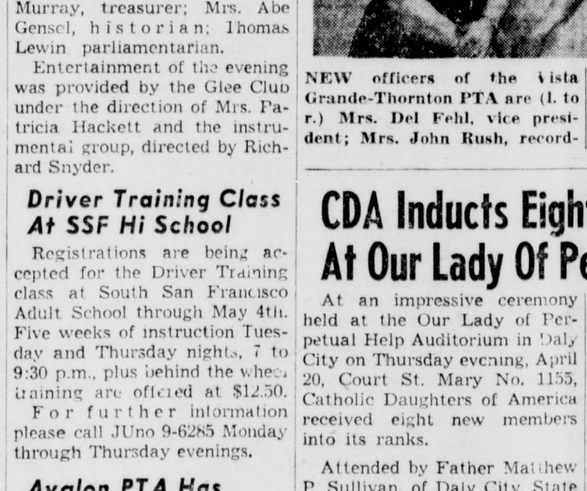
On May 18 the members will enjoy a change from meeting proceedure as the date has been designated by Mrs. Arthur Dikas, grand regent, as a "Fun Night" to conclude the 1960-1961 term of Court St. Mary.

B'nai Brith Women Installation May 1

California Daytimers B'nai B'rith Women 715 announce their installation luncheon to be held on Monday, May 1, at the Westlake Bowl, 99 Southgate avenue, Daly City at 12 noon.

Scheduled on the program is installing officer, Mrs. Harry Tauber, second vice president of District 4.

Officers-elect to be installed are: Lillian Kay, president; Nettie Bisnow, first vice president; Eva Mumm, second vice president; Sarah Bloomberg, third vice president; Sophie Silverman, counselor; Muriel Chernoff, treasurer; Esther Eisenberg, financial secretary; Rose Kaufman, recording secretary; Shirley Bardoff, corresponding secretary; Dorothy Dulberg, guardian; Pearl Anderson, sentinal; Kate Madfes, Ann Ight, and Bertha Hafner, trustees.



RECEIVING a gold charm bracelet is Mrs. George Iverson Avalon PTA. Mrs. Louis Alcorta, (right) new president is making the presentation. Eugene Sunia, honorary vice president, is in center.

Westmoor' Circus Is Scheduled For April 28

On Friday, April 28, at 8 p.m., in the boys' gym the music department of Daly City's Westmoor High School will present a 3-ring circus, "Under the Big Top."

Under the direction of Howard Loeffler, music teacher, this show has been more than four months in preparation. The school band and dance band are providing the circus music. The chorus classes are doing all the work backstage of makeup, property, etc.

The girls' P.E., under the direction of Miss Barbara Bosio, will present acts on trampoline and tumbling on mats. Some 40 boys and girls are involved. They are also demonstrating the art of Swedish gymnastics with jump ropes and balls. Mrs. Sylvia Smith's modern dance class is providing a special dance with "black light." There is another feature number with "black light" using spinning batons, twirling ropes and bouncing balls. All the large performing acts have grown out of the classroom instruction. There are students in charge of each major phase of the production who work with student committees.

Clown acts, vendors, etc., have been devoloped separately from special talents available. A sister and brother act on roller skates is being featured with Becky and Everette Croes. In addition, a unicyclist, snake charmer, and a fat lady will offer side show attractions. MCing the center ring features will be Student Body President Dennis Vigren. In order to provide the special music used in training the various groups, the band and dance band prepared the music, tape recorded it and then cut over a dozen records for group and individual use.

The school newspaper staff under the direction of Mrs. Doris Lindfors has publicized the progress of this production and provided the special edition of the paper enclosed with this account. The staff reported in the true tradition of circus publicity as pioneered by P. T. Barnum.

Providing colored posters for area wide distribution and publicity are the art classes of Mr. Selwyn Jones.

Tickets at 50c will barely cover the cost of this production and provide a picnic on May 13, as a reward for the hard work of all concerned with the circus.

LINDA MAR PTA INSTALLS ITS NEW OFFICERS

New officers of the Linda Mar School PTA were installed at a special meeting held last Wednesday in the school's all-purpose room.

Mrs. Forest Cunningham of Daly City, 7th District president, served as installing officer.

Officers installed included:

President, Mrs. J. C. Martindale; 1st vice president, Mrs. Raymond J. Patterson; 2nd vice president, Fred Schultz; honorary vice president, Albert Haven (school principal); sub honorary vice president, Bruce Hitt (vice principal), recording secretary, John A. Dietz, corresponding secretary, Ruth Seiler; historian, Mrs. D. A. Wing; treasurer, Mrs. Mateel Todd; and parliamentarian, Larry Willey.

The meeting was preceded by an inspirational message delivered by The Rev. Vernon Alexander.

Outgoing 2nd Vice President Mrs. Joseph P. Higgins presided up until the time of the installation.

MRS. SOWL IS NEW PRESIDENT OF WEBSTER PTA

Mrs. William Sowl, newly elected president of the Daniel Webster PTA was installed at a recent unit meeting by Mrs. Arthur Halsey, 17th District historian.

The following officers were installed with her: Mrs. Raymond McIntyre, vice president; Principal H. Z. Weibel, honorary vice president; Mrs. Earl W. Hall, recording secretary; Mrs. Jack Armstrong, corresponding secretary; Mrs. Robert Colclough, treasurer; Louis Peachey, auditor; Mrs. John O'Hara, historian, and Robert Colclough, parliamentarian.

The program also consisted of a panel discussion by members of the school district. "Children in Focus" was discussed by Mrs. Marjory Yates, general consultant; Mrs. Helen Delafield, coordinator of health; Ray Graber, guidance consultant, and Dennis Haujardo, coordinator of physical education.

Annual reports were given to the membership by Mrs. Del Wilson, president; Mrs. Robert Colclough, treasurer, and Mrs. John Duling, historian.

The next PTA sponsored hot dog sale will be held Thursday, April 27 and the May Festival is scheduled for May 19.

Principal H. Z. Weibel announced that kindergarten registration for Daniel Webster School will be held on May 10 and all parents with children who will attend kindergarten next term should register them on this day.

The Daniel Webster School will hold Open House on Wednesday, April 26. All parents and friends of the school are invited to hear the school chorus perform at 7 to 7:20 p.m. The classrooms will be prepared for visitation from 7:30 to 9 p.m. During the week April 24 to 28, visitors are invited to the rooms while the classes are in session, it was announced.

The attendance award was won by Mrs. Heidland's morning kindergarten class at this meeting, and fifth grade mothers were hostesses for the evening.

Walling Finishes Aviation School

Richard H. Walling II, aviation structural mechanic airman, USN, son of Mrs. Laura J. Peterson of 320 Peoria street, Daly City, was graduated, March 8, from the Aviation Structural Mechanic School at the Naval Air Technical Training Center, Memphis, Tenn.

Women's Civic Club Installs New Officers

The Daly City Women's Civic Club had their installation of new officers recently at the home of Lilly Cavagnaro, 428 Irvington street. Theme of the evening was "Foreign Lands."

The following officers were installed by Mrs. Anna Eason, assisted by Mazie Boyle and Julia Byrne: Martha Linden, president; Lilly Cavagnaro, vice president; Julia Byrne, recording secretary; Mazie Boyle, corresponding secretary; Marie Pool, treasurer; and Margret Fields, historian.

New auditors are Celia Gardella and Amelia Lewis; Marie Gehrig, citizenship and sunshine; parliamentarian and publicity, Mrs. Anna Eason.

After the business meeting, a tea set donated by Marie Gehrig, was auctioned off, and all the proceeds were donated to the San Mateo Heart Fund Assn.

The next regular meeting is to be held this Thursday evening at the home of Mazie Boyle, 131 Winchester street.

POEM CONTEST WINNERS TOLD; MANY AWARDED

Winners in the recent Creative Poetry Contest sponsored by Court St. Mary, No. 1155, Catholic Daughters of America, Daly City, were announced this week by Mrs. James O'Reilly, chairman of the education program for the Court.

Awards were presented in Division I, consisting of Grades 4, 5, and 6, to: Dan Hutter, first place, of Our Lady of Mercy School in Westlake; Marilyn Flatley, second place, of St. Emydius School, San Francisco, and James Dyer, third place, also of St. Emydius School.

Division II—Grades 7, 8 and 9: Edward Smyth, first place, of St. Emydius School; Nancy Salvemini, second place, of Our Lady of Mercy School; Christine Hughes, third place, of the Immaculate Conception Academy, San Francisco.

Division III — Grades 10, 11 and 12: Coleen Cottrell, first place; Charline Larson, second place, and Judy Smith, third place awards. All are students of the Immaculate Conception Academy.

The papers in each division have been forwarded to Mrs. Nelsie DeSousa, State Chairman of Education for the Catholic Daughters, for further judging in competition with papers from throughout the state. These winners will be announced at the State Conference, to be held at Pasadena, on May 3rd, after which they go on to National competition for the top prize of $100, these to be announced in mid-August.

The award for the Essay on Communism went to Lorraine M. McDonnell of Our Lady of Mercy School and her entry also was sent on for state competition.

Education Topic Of Rotary Panel

In keeping with Public Schools Week, Daly City Rotarians heard a panel discussion at their meeting this week on the subject of the three grade levels of public education in California.

The panel consisted of Dr. Julio Bortolazzo, president of the College of San Mateo; Dr. Vinton Stratton, assistant superintendent of the Jefferson Elementary School District; and Jefferson High Dist. Supt. Edward Morgan.

Finemaster was Stan Sugarman.

WESTLAKE'S 25,000th resident turns up to be the first customer of the new Skyline Plaza market, which opened today, April 26, 1961. Mr. and Mrs. James E. Reed of 38 Ridge Field, Westlake, found themselves to be numbers 25,000 and 25,001 on the list of Westlake residents. They are shown here being welcomed, at the Skyline Plaza market by: (left to right) John Doelger, Vice President of Henry Doelger Builder, Inc., Carl Vedell, General Superintendant of the Doelger firm, "Scat" Scatena of Skyline Plaza Market, Mr. Reed, Kevin Reed, Mrs. Reed, Michael Reed and U. R. Kendree, managing director of Skyline Plaza.

WESTLAKE ART FAIR SCHEDULED FOR CENTER MAY 17 TO MAY 20

The annual Westlake Art Fair will be held from May 17 through May 20 in the Court of the Westlake Shopping Center.

While there are no geographic limits from which paintings will be accepted for exhibition, the fair is designed primarily to encourage artists in the general Westlake area.

This year, a team of judges will be asked to make awards to the various painting shown, with prizes, consisting of art supplies, going to those whose work is considered outstanding.

There will be two divisions: Adult and Teen-age, (ages 13 to 20). College students who have passed their 20th birthday should enter the adult division.

Artists entering the show may offer their pictures for sale and may affix tags to them, if they wish. There will be no charge or entry fee for exhibiting, however, if a sale should be made, the artist will be subject to the standard agent's fee.

Paintings for exhibit will be accepted in the art department of Seymours of Westlake no later than May 15.

Each exhibitor is limited to four paintings.

Awards will be as follows:

Adult Division — Grand Award, any medium, any subject, $85 French portable easel; in oils, any subject, $50 professional easel; in water colors, any subject, $50 professional easel; 1st award, oils, landscape, $10 in art supplies; still life, $10 art supplies; portraits, $10 art supplies; 1st award, water colors landscapes, same; still life, same; portraits, same, $10 in art supplies will be awarded also to the first award in any other media, abstract oil and abstract water color.

In the Teen-age Division, the Grand Award will be a $50 professional easel. Ten dollars in supplies will go to the first award winners in oils, any subject; water colors, any subject, other medium, any subject; oils, abstract and water colors abstract.

No painting will receive more than one award. A grand prize winner is thus disqualified for any lesser prize.

Terra Nova Teachers Given Scholarships; Instructors Hired

Three Terra Nova teachers have received faculty scholarships to do additional study this summer.

Dist. Supt. Edward Morgan informed the board of trustees Monday night that Dennis Lanterman, Donald Martin and Mrs. Elizabeth Orr are the three recipients.

Lanterman has been awarded a National Science Foundation Scholarship and he will study advanced mathematics at Baldwin-Wallace College in Onio.

Mrs. Orr and Martin, sponsored by the National Defense Education Act, will be studying at the Universities of Nevada and Hawaii, respectively.

The board also hired the following teachers to fill the vacancies in the three high schools: Joanne Cacicedo, foreign languages; Joseph George, business; James Hecker, industrial arts; Robert Lualhati, physical education; Nancy Nurich, English; Phyllis Shackelford, mathematics, and Vivian Springs, mathematics.

Also hired were Gary Thompson, business; Hildebert Van Buren, English; Kenneth Taylor, industrial arts; Marilyn Van Denmark, homemaking, and Stuart Metham, science.

Biancalana Serves Aboard St. Paul

Douglas A. Biancalana, fireman apprentice, USN, son of Mr. and Mrs. E. A. Biancalana of 84 Fleetwood drive, Daly City, is serving aboard the heavy cruiser USS St. Paul, operating out of Yokosuka, Japan.

Mom's Club To Elect Veep At Special Meet

Mother's Club, Bethei 198, will hold a special election for vice president at the regular meeting on Tuesday, May 2 at 8 p.m. at the home of Mrs. Mildred Ford, 16 Palisades drive, PL 5-9035. Co-hostess will be Mrs. Leta Dennis, PL 5-0890.

Third Graders Appear Before Edison PTA

A culmination of Mrs. A. Kasaros' third grade on their study of the Pueblo Indians highlighted the last meeting of the Thomas Edison PTA.

Brownie Troop 605 led the flag salute.

Mrs. Robert Woodworth, chairman of the May Festival to be held May 26, announced that plans are progressing.

Principal Harry Aronson announced that Edison open house will be held on Wednesday, April 26 in observance of Public Schools Week.

The meeting was closed with refreshments served by Mrs. Galvin Matthews, hospitality chairman.

SSF Sailor Serving With Seventh Fleet

Gary C. Maguire, radioman seaman, USN, son of Mr. and Mrs. Clifford G. Maguire of 226 A street., South San Francisco, is serving aboard the attack aircraft carrier USS Midway operating with the Seventh Fleet in the Western Pacific.

During the seven-month cruise, the Midway is scheduled to visit Guam, Hong Kong, Japan, Okinawa, the Philippines and Pearl Harbor.

To Be Club Guests Eighth Grade Moms

Mothers of the eighth grade students will be honored guests at the next monthly meeting of the St. Cecilia's Mothers' Club to be held on Monday May 1 at 8 p.m. in the school auditorium.

Mrs. George Poppin and Mrs. Frank Molinari are chairman for the evening and mothers of the first grade pupils hostesses.

An invitation is also extended to alumni, C.C.D. and pre-school children's mothers to attend this meeting.

Refreshments will be served in the cafeteria following the meeting.

Slated For May 4; B'moor Spring Tea

The social hall of Broadmoor Presbyterian Church will be the scene on Thursday, May 4, for the ladies and their friends of this church. This is the date of the annual Spring Tea which will be held between the hours of 2 p.m. and 4 p.m. The room will be decorated with house plants and flowers, and hobby collections of various types, belonging to members of the church will be on display. The collections will include china, silver, figurines, stamps and coins.

Among the ladies taking their turn at pouring at the beautifully appointed tea tables will be past presidents of the women's association, Mesdames Henry Suenderman, Robert Mattson, Rex Spruill, James Fairbanks, Joseph Harrison, Carlos Mattson, and the minister's wife, Mrs. Herbert Tweedie. One of the tea services to be used is the silver set given to the church by the late Mrs. M. Pauline Brown.

During the afternoon a program of music will be presented. Three piano solos are scheduled, "Claire de Lune" and theme from "The Apartment", soloist Cathy Leech and "Etude" by Chopin, soloist Lynn Jones. A chorus of voices from the youth groups, Vicki Guz, Marsha Hart, Marilyn Wagner, Lynn Jones, Pam Morgan and Don Klevesahl, accompanied by Cothy Leech, will sing three numbers, "I Believe," "You'll Never Walk Alone" and "I'll Walk With God." Mrs. Carlos Mattson will do a soprano solo accompanied by Miss Leech.

The spring tea is sponsored by the executive board of the women's association. The slate of officers for this year are: President, Mrs. Carlos Matson; vice president, Mrs. Harold Hollenbeck; secretary, Mrs. Thomas Burke; treasurer, Mrs. P. E. Smith; program department, Mrs. Herbert Tweedie; spiritual life and stewardship secretary, Mrs. G. P. Pappas; fellowship department, Mrs. Kenneth Gillespie; world service department, Mrs. James Hamilton; nominating committee, Mrs. Vic Guz; local church service, Mrs. Philip Thuener, and the following circle leaders, Mesdames George Buell, Trevor Jones, J. T. Harrison, Charles Sigler and William Floyd.

Mrs. Eason Thanks Those Who Helped In Reelection Bid

My sincere thanks and appreciation for the publicity which your paper has given me during my campaign for re-election to Trustee of Jefferson Union High School District.

I also take this opportunity to thank all my friends, who helped with my campaign, making my re-election possible, and to the voters who have shown their confidence in me.

A school trustee should remember that she is elected to serve the public, and should endeavor to be responsive to their desires. She has an equal responsibility to furnish the best teachers and leadership in school affairs, and at a level which will benefit our children.

I accept the responsibilities given me by the voters of the Jefferson Union High School District, and will endeavor to carry out a program reflecting the needs of our students, and the wishes of our taxpayers.

Sincerely,
Anna M. Eason

NEW, permanent and larger facilities for Home Mutual Savings in the Westlake Shopping Center in Daly City became a reality this week with the signing of a final long-term lease agreement by Sherman Miller, executive vice president and managing officer of the 76-year-old association. Officiating at the "signing-up" ceremonies; left to right, William B. Hanna, attorney; U. R. Kendree, managing director of the Westlake Shopping Center; B. Poncetta, vice president of Henry Doelger, Inc., owners of the big shopping center; Paul Wilmore, manager of properties for Home Mutual; Sherman Miller; Thoman B. Gallen, attorney; and John Doelger, vice president of Henry Doelger, Inc. The move from Home Mutual Savings' temporary headquarters at 177 Southgate to the new permanent location at 5 Southgate is planned for early June of this year and will result in the adding of 5,000 square feet of space to serve the rapidly-growing Westlake-Daly City Area.

Open Classes Listed For Community Adult Schools

The Jefferson and Westmoor Adult Evening Schools have announced new class openings at the mid-way point in the Spring Semester.

Persons interested in enrolling in these classes are reminded that there will be no fee charged. The classes listed below are so designed that enrollment may be made at any time and that by enrolling at this time persons will receive individual help by the instructor if this is required.

The classes at Westmoor High School available on Monday evenings are "Figure Drawing and Still Life" with the use of a model available; citizenship classes for those persons who are interested in studying for their citizenship papers; a beginning real estate class and a class in basic electricity.

Tuesday evenings include a class in painting and drawing, composition and design, a class in business machines operation including a calculator, full and ten-key adding machines, comptometer, duplicating and ditto equipment, as well as improving skills on the electrical typewriter. Also on Tuesday evenings is a class in advanced auto shop.

The offerings on Wednesday evenings are a first aid class in which a Standard First Aid Certificate will be given to those completing the course; two language classes are available, one in German and the other in Italian, the stress on these two languages will be primarily on the conversation aspect. Another class for the investor is called securities and investments. In addition, an advanced typing class employing both the manual and the electric typewriters is offered; and for those who wish help in the use of woodshop tools or projects should take advantage of the woodshop class.

On Thursday evenings a wide range of classes are still available, including auto shop, another section of business machines operation, home gardening, advanced shorthand, and advanced woodshop. For further information of classes at Westmoor High School call PL 6-3434 after 7 p.m.

At Jefferson High School the following classes are available for enrollment. Monday evenings posture and exercise for women is offered. Tuesday evenings, beginning and advanced typing, as well as advanced real estate. The class in real estate is designed primarily for those who are working for their license.

On Wednesday evenings two classes are available, one in dressmaking and clothing construction and the other in mosaics. On Thursday evenings photography, citizenship and sewing classes are open to further enrollment. Three classes in various English for foreign born are offered on the Jefferson campus.

For further information regarding the classes at Jefferson High School call PL 5-6661 after 7 p.m.

Louis J. Martin, principal of the Adult Evening School announced this week that adult classes would not be conducted during the summer months. This is in response to many inquiries being made during the school year. He also announced that so far this year the Adult Evening Schools in the district had enrolled a total of 4,600 adult students, an increase of approximately 1,500 over the same period last year.

Job's Daughters To Attend Rites At Broadmoor

This Sunday the Job's Daughters of Daly City will attend and participate at the 11 o'clock worship service of the Broadmoor Presbyterian Church.

Miss Robin Frisch, Honored Queen, will take part along with others of the officers. All the Daughters will sing an anthem and a closing hymn.

Rev. Herbert Tweedie, pastor, will preach at both 9:30 and 11 a.m. services with the musical arrangements for the services directed by Delmar Severy.

Two new elders were elected and then installed and ordained to office on the Session of the Broadmoor Presbyterian Church last Sunday.

They were Julian Hargrove and Allan Fowler who will fill the three year terms of Lorne Corbett and Lee Bright who resigned because of moving away.

Julian is the Executive Director of the Columbia Park Boy's Club of San Francisco. Allan is an accountant with the Pacific Gas and Electric Company.

Others on the Church Session include George Buell, Henry Weibel, Hary Lapp, Timothy Henry, Frank Garretson, Tom Filmer, Rex Spruiell, Henning Carlson and Hal Holman, along with the pastor, Herbert Tweedie.

Ward McCloud, another session member, recently passed away. The session supervises the work and worship of the local church.

Holy Trinity Will Hold Dance Friday

A gala post-Easter dance has been planned by the Holy Trinity Orthodox Church for the benefit of its building fund program on Brotherhood way.

Peter Rangaves and his nine piece orchestra shall provide the musical background to a pleasant evening at the Fairmont Hotel.

The dance will be held in the Gold Room from 8:30 p.m. to 12:30 a.m. The admission is $2.

The dance will be held this Friday. The public is invited.

Cub Pack 259 To Sell Scout-O-Rama Ducats

Members of Cub Pack 259 will be out selling tickets from door-to-door beginning May 2 for the Scout-O-Rama show on May 26.

For their theme at the Scout-O-Rama show, the pack's committee has chosen, "Carnival Time With Pack 259." There will be a den mother, four cubs and one weblo in the booth at all times.

K of C Prepares To Honor Chief

Throughout northern California, the Knights of Columbus are completing preparations for Saturday's testimonial dinner honoring their State Chaplain, Most Reverend Merlin J. Guilfoyle, Auxiliary Bishop of San Francisco at the Gold Room of the Sheraton-Palace Hotel.

From all parts of California, Knights and their ladies will gather to pay tribute to Bishop Guilfoyle. Among the many civic officials who will also be present is Mayor George Christopher of San Francisco. The public is cordially invited to attend.

General Chairman Harold Roesch heads the arrangement committee. Arthur J. Melka, the head of the Knights of Columbus in California is honorary chairman.

Bishop Guilfoyle is known throughout California not only as the pastor of historic Mission Dolores but also for his participation in civic affairs. His excellency is a distinquished speaker and poet and is a popular columnist in the Monitor newspaper.

CALLING attention to both last week's Public Library Week observation and the new signs directing the public to the Daly City library facilities are (l.to r.) Mrs. Thomas E. Brewer, president of the Friends of the Library Club, which donated the signs; Samuel Chandler, city librarian, and Mrs. U. R. Kendree, a member of the library commission. The sign is one of three located throughout the city.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p.m. on May 17, 1961, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on State highway in accordance with the specifications therefor, to which special reference is made, as follows:

San Mateo County, at the city limits of Daly City, on Junipero Serra Boulevard at Eastmoor Avenue (IV-S.M-237-D1C,A), roadway to be widened, channelization to be constructed and traffic signal system and highway lighting to be installed.

Bids are required for the entire work described herein.

Plans, specifications, and proposal forms to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, and at the office of the District Engineer of the district in which the work is situated.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard Specifications and special provisions. Each bidder must be licensed as required by law.

The Department of Public Works reserves the right to reject any or all bids.

Abbreviations used in the schedule of predetermined wage rates in conjunction with employer payments listed in the right hand columns are identified as follows:

ph	per hour
phw	per hour worked
php	per hour paid
phw/p	per hour worked or paid
psth	per straight time hour
psthw	per straight time hour worked
psthp	per straight time hour paid
psthw/p	per straight time hour worked or paid
pd	per day
pdw	per day worked
pdp	per day paid
pdw/p	per day worked or paid
w	wage
gw	gross wage
tw	total wage
pmd	per man day

Employer payments other than those itemized herein, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

Overtime, Sundays and Holidays—not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

Attention is directed to Section 7-1.01G of the Standard Specifications providing for employment of apprentices on the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the trade at which he is employed. Information relative to employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council.

Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the county in which the work is to be done to be as follows:

NOTICE OF TRUSTEE'S SALE

No. 174168

On Thursday, May 11th, 1961, at the hour of 10:00 o'clock A.M., at the Middlefield Road entrance to the County Courthouse of the County of San Mateo in Redwood City, County of San Mateo, State of California, SAN MATEO TITLE COMPANY, a corporation, as Trustee, will sell at public auction to the highest bidder for cash, in lawful money of the United States, all payable at the time of sale the following described real property situate in the City of Daly City, County of San Mateo, State of California, described as follows, to-wit:

Portion of Lots 3 and 4 in Block 3 as shown on that certain map entitled "The Seventy-Five Dollar Lot Homestead Association," filed in the office of the County Recorder of San Mateo County on October 3, 1870 in Book "E" of Original Maps at page 63 and copied into Book 1 of Maps at page 6, described as follows:

BEGINNING at a point on the Westerly line of Railroad Avenue, distant thereon South 63.67 feet from the intersection thereof with the Southerly line of 89th Street; thence from said point of beginning along said Westerly line of Railroad Avenue South 31.83 feet; thence West 100 feet to the Easterly line of Lot 5 in Block 3; thence along said Easterly line of Lot 5, North 31.83 feet; thence East 100 feet to the point of beginning.

Said sale will be made without covenant or warranty regarding title, possession, or encumbrances, to satisfy the obligations secured by and pursuant to the power of sale conferred in that certain Deed of Trust executed by PATRICK A. TOSCANELLI AND ELVEZIA TOSCANELLI, his wife, Trustor, to SAN MATEO COUNTY TITLE COMPANY, a corporation, as Trustee, and LE ROY J. ZACHMAN AND VIRGINIA ZACHMAN, his wife, Beneficiary, dated May 31st, 1955, and recorded June 1st, 1955, in Volume 2807 at page 714, Recorder's File No. 55234-M, Official Records of San Mateo County, California.

Notice of breach of said obligation and election to sell said real property was recorded in the office of the County Recorder of San Mateo County, California, on December 5th, 1960, in Volume 3901 at page 226, Recorder's File No. 12636-T, Official Records of San Mateo County, California.

RESOLUTION NO. 16030

A RESOLUTION OF INTENTION TO ANNEX TERRITORY TO NORTH SAN MATEO COUNTY SANITATION DISTRICT

OLCESE ANNEXATION NO. 2 — ANNEX 1961-1

RESOLVED, by the Board of Supervisors of the County of San Mateo, California, that the public interest and convenience require, and that it is the intention of said Board to annex certain territory situate in the County of San Mateo to the North San Mateo County Sanitation District, which territory does not include the whole or any part of any other district formed for similar purposes and is more particularly described in Exhibit "A" hereto attached and made a part hereof by reference thereto.

NOTICE IS HEREBY GIVEN that Tuesday, the 9th day of May, 1961, at the hour of 10:00 o'clock A.M. at the Supervisors Chambers, Hall of Justice and Records, Redwood City, California, are hereby fixed as the time and place when and where all persons having any objections to the annexation of said territory to said District may be heard.

The County Clerk of said County shall publish this resolution at length twice prior to said hearing in the "Record" of Daly City, a newspaper of general circulation within said District and the area proposed to be annexed and published in said County, and no further notice of the passage of this resolution need be given.

* * * * *

EXHIBIT "A"
DESCRIPTION — OLCESE ANNEXATION NO. 2 TO NORTH SAN MATEO COUNTY SANITATION DISTRICT.

BEGINNING at an angle point in the existing boundary line of the North San Mateo County Sanitation District, which point is the most easterly extremity of the centerline of "Webster Drive" as shown on that certain Map entitled "St. Francis Heights, Unit No. 4, Daly City, San Mateo County, California," filed September 19, 1958 in Volume 49 of Maps at Pages 41 and 42, San Mateo County Records, said point being also the intersection of the courses "North 0° 10" West 435.55 feet" and "North 89° 36' 20" East 719.75 feet" in the exterior boundary of said Map; running thence along said Sanitation District boundary line and the easterly line of Block 11 as said Block is shown on the Map aforesaid, North 0° 10' West 435.55 feet; on the arc of a curve to the right, tangent to the last preceeding course, with a radius of 480 feet, subtending a central angle of 18° 40' 03", an arc distance of 156.39 feet to the southwesterly corner of Parcel G as shown on the aforesaid Map; thence continuing along said Sanitation District Boundary line and the southerly line of said Parcel G, South 79° 25' 40" East 231.84 feet; thence leaving said line and leaving said Sanitation District boundary line, South 20° 08' West 16.70 feet and South 529.35 feet to a point in the northerly line of Parcel F as shown on the aforesaid Map; thence along the northerly line of said Parcel F, South 89° 36' 20" West 245.70 feet to the Point of BEGINNING.

Containing an area of 3.20 Acres

Passed and adopted by the Board of Supervisors of the County of San Mateo, California, this 4th day of April, 1961, by the following vote:

AYES, and in favor of said Resolution
Supervisors:
JAMES V. FITZGERALD

Ordinance No. 534

ORDINANCE ANNEXING CERTAIN UNINHABITED CONTIGUOUS TERRITORY TO THE CITY OF DALY CITY DESIGNATED AS CIARDELLA ANNEXATION

The City Council of the City of Daly City does ordain as follows:

WHEREAS, by resolution duly and regularly adopted, the City Council of the City of Daly City, on February 14, 1961, initiated proceedings for the annexation of certain uninhabited contiguous territory to this City, which said property is described hereinafter and referred to herein as the CIARDELLA ANNEXATION.

WHEREAS, proceedings have been duly and regularly taken in accordance with the provisions of the Annexation of Uninhabited Territory Act of 1939 (Sections 35,300 and following of the Government Code of the State of California.)

WHEREAS, in accordance with the provisions of Section 35,311 of the Government Code, a copy of the aforementioned resolution was published once a week for two successive weeks in The Record, a newspaper of general circulation published in the City of Daly City, County of San Mateo, State of California, and in the San Mateo Times, a newspaper of general circulation published outside of the City of Daly City but in the County of San Mateo, State of California.

WHEREAS, in accordance with the terms of said resolution, a public hearing was held Monday, March 27, 1961, at the hour of 8 o'clock P.M. in the City Council Chambers, City Hall, Daly City, California, which said hearing was duly and regularly held.

WHEREAS at the time and place of said public hearing, no sufficient protest nor opposition to said proposed annexation was made, nor at any time since the institution of these proceedings was any sufficient protese made to the proposed annexation.

WHEREAS, the City Council of the City of Daly City finds and determines that the provisions of said Annexation of Uninhabited Territory Act of 1939, as amended, have been duly and regularly complied with; and further, that the said proposed annexation be, and it is in the best interests of the City of Daly City that said property hereinafter described be annexed to the City of Daly City.

NOW, THEREFORE, IT IS HEREBY ORDERED, and the City Council of the City of Daly City does ordain as follows:

1. The City Council of the City of Daly City does hereby annex to the City of Daly City the following described uninhabited contiguous territory situated in the County of San Mateo, State of California, and more particularly described hereinafter.

2. The property hereinafter described shall be and the same is hereby made liable and encumbered with all existing bonded indebtedness of the City of Daly City.

3. This ordinance shall be published once in The Record, a newspaper of general circulation published in the City of Daly City, County of San Mateo, State of California.

4. The City Clerk of the City of Daly City be, and she is hereby ordered and directed to file a certified copy of this ordinance with the Secretary of State of the State of California, in accordance with the provisions of the Annexation of Uninhabited Territory Act of 1939, as amended, referred to hereinabove.

5. The uninhabited contiguous territory hereby annexed to the City of Daly City is described as follows:

BEGINNING in a point in the existing corporation limits line of the City of Daly City where said corporate limits line is intersected by the Northeast corner of Lot 65, Block 7, as said lot and block are shown on that certain map, "MAP OF THE LAND OF THE CASTLE TRACT HOMESTEAD ASSOCIATION" filed in the Office of the County Recorder of San Mateo County on October 12, 1871, in Book "D" of Maps at Page 22 and copied into Book 1 of Maps at Page 7; thence westerly along said corporate limit line and the northerly line of the said Lot 65 100 feet to the westerly line of said Lot 65; thence southerly along last mentioned westerly line 50 feet to a point; thence easterly in a direct line and parallel with said northerly line of Lot 65, 100 feet to the easterly line of said Lot 65; thence northerly along last mentioned easterly line of said Lot 65 50 feet to the point of beginning.

Introduced this 10th day of April, 1961.

Passed and adopted as an ordinance of the City of Daly City, California, at a regular meeting of the City Council of the City of Daly City held the 24th day of April, 1961, by the following vote, to wit:

AYES, Councilmen: DeBernardi, Dennis, Pacelli, St. Clair.
NOES, Councilmen: None.
ABSENT, Councilmen: Verducci.

Low Bidder For New Court House Is Morris Daley

Low bidder for the new Northern Judicial District court house in South San Francisco was Morris Daley Inc. of Burlingame, according to figures released yesterday by the County building office.

The Daley bid was $329,932. Other bids were as follows: Harvis Construction, Inc., South San Francisco, $334,700; Arne H. Falk, Redwood City, $337,000; John S. Nelson, Inc., San Francisco, $37,777; Andrew L. Waechter, & Co., Millbrae, $339,900; Peter Sartorio, Colma, $341,975; Joseph Betancort, South San Francisco, $356,500; Martinelli Construction Co., Inc., San Francisco, $359,750; and Ralph Larsen & Son, Inc. South San Francisco, $363,313.

Although the bids were opened during Tuesday's Board of Supervisor's meeting, the award will not be made until next Tuesday, according to a county building office official.

Third Graders Take Tour Of Bay Area

Mrs. Barbara Busetto's third grade at Colma K-6 School took a harbor tour recently as part of their Social Studies unit on the Bay Area.

The following were highlights of their tour: the location of Bay Area points of interest which they had noted previously on maps and pictures, and an investigation and a briefing on the use of safety equipment and life preservers.

Following the hour long Bay cruise the children toured the Maritime Museum at Aquatic Park. Here they especially enjoyed tracing the history of the Bay Area through the exhibits of old ships of all types and the historic and modern photographs of the city.

Finally the group toured briefly the Ferry Building specifically to study the mural maps which depict the people of the world on floor-to-ceiling colored murals of the continents of the world.

They were accompanied by Mesdames D. Hatfield and T. Torohteef.

Curry powder is a blend of numerous spices.

ORDINANCE NO. 535

AN ORDINANCE OF THE CITY OF DALY CITY, CALIFORNIA, ADOPTING REGULATIONS FOR THE DEVELOPMENT OF LAND AS SUBDIVISIONS IN SAID CITY, PROVIDING PROCEDURES THEREFOR, PENALTIES FOR THE VIOLATION THEREOF, AND REPEALING ORDINANCE NO. 403 OF THE CITY OF DALY CITY AND ALL AMENDMENTS THERETO, AND ALL OTHER ORDINANCES IN CONFLICT HEREWITH

The City Council of the City of Daly City does ordain as follows:

Chapter IV. PLANNING AND ZONING.

Article III. SUBDIVISION.

Section 1. PURPOSE OF ORDINANCE.

Section 5500. Purpose. The purpose of this Ordinance is to adopt subdivision regulations for the City of Daly City, State of California.

Section 5501. **Advisory Agency.** The Planning Commission of the City of Daly City, State of California, hereinafter referred to as the Planning Commission, is hereby designated as the advisory agency with respect to subdivisions as provided in "The Subdivision Map Act of the State of California" (Section 11,500 of the Business and Professions Code of the State of California).

Section II. DEFINITIONS.

Section 5505. **Gender, etc.** Wherever in this Ordinance the masculine gender is used, it shall be deemed to include the feminine gender and neuter gender when the meaning so requires. Wherever the singular number is used it shall be deemed to include plural whenever the meaning so requires.

Section 5506. **Owner** is the person, firm or corporation having sufficient interest in the land sought to be subdivided to commence and maintain proceedings to subdivide the same under the law of the State of California and this Ordinance.

Section 5507. **Subdivider** shall mean any person, firm, corporation or trust commencing proceedings under this Ordinance to effect a subdivision of land hereunder for himself, itself, or for another.

Section 5508. **Subdivision** shall mean any land or portion thereof shown on the last preceding tax roll as a unit or as a continuous unit which is subdivided for the purpose of sale whether immediate or future by any subdivider.

Section 5509. **Block** shall mean an area of land within a subdivision which area is entirely bounded by streets, highways, or ways, except alleys, or the exterior boundary or boundaries of the subdivision.

Section 5510. **Cul-de-sac** shall mean a street open at one end only, and providing at the other end special facilities for the turning around of vehicular traffic.

Section 5511. **Lot** shall mean a parcel or portion of land separated from other parcels or portions of land by description as on a subdivision or record of survey map or by metes and bounds for purpose of sale, lease, or separate use.

Section 5512. **Map Act** shall mean that certain legislative enactment of the State of California found in Section 11,500 of the Business and Professions Code of this State and the sections following thereafter.

Section 5513. **Improvement** shall mean any addition to raw land designed to increase the value of such land or fit the same for occupancy, or as a means of public travel, use or enjoyment.

Section III. TENTATIVE MAP.

Section 5520. **Filing.** Fifteen copies of a tentative map and statement of the proposed subdivision of any land shall be filed with the City Clerk not less than ten days prior to the meeting of the Planning Commission at which consideration of such map is desired, together with a filing fee of $25.00 for any subdivision of five or more lots.

Section 5521. **Circulation of Copies.** The City Clerk shall transmit copies of such tentative maps as follows: one copy each to the County Engineer, the District Engineer of the Division of Highways of the State of California, affected school districts, the Fire Department of Daly City, the Police Department of Daly City, the Pacific Gas and Electric Company, the Pacific Telephone and Telegraph Company, the North San Mateo County Sanitation District, and all remaining copies, save for one for her files, to the City Engineer of the City of Daly City.

Section 5522. **Size of Map; Scale.** Tentative maps shall be at least 18 x 24 inches in size and to a scale of at least 1 inch to each 100 feet unless otherwise approved by the Planning Commission, and shall be clearly and legibly drawn.

Section 5523. **Less than Five Lots.** The tentative map of a subdivision containing less than five lots shall show the dimension of the proposed lots and any other information deemed necessary by the Planning Commission.

Section 5524. **Additional Requirements.** The tentative map of a subdivision containing five or more lots shall contain the following information:

A. The subdivision name or number, date, North point, scale and sufficient description to define the location and boundaries of the proposed subdivision.
B. Name and address of the record owner or owners of said land proposed for subdivision.
C. Name and address of the subdivider.
D. Name, business address and number of the registered engineer or licensed surveyor who prepared the map of said subdivision.
E. Sufficient elevations or contours to determine the general slope of the land and the high and low points thereof. Contour lines shall be placed at five foot intervals and an elevation datum thereof shall be on Daly City datum or United States Geological Survey datum as approved by the City Engineer.
F. The locations, names, widths, and approximate grades of all roads, streets, highways and ways in the proposed subdivision and along the boundaries thereof, and the approximate radius of all curves of such roads, streets, highways and ways.
G. The approximate width, locations and purpose of all existing or proposed easements.
H. Approximate lot layout and approximate dimensions of each lot. Each lot shall be numbered.
I. The outline of any existing buildings to remain in place and their locations in relation to existing or proposed street and lot lines.
J. The approximate location of all trees standing within the boundaries of proposed public rights of way.
K. The approximate location of all areas subject to inundation or storm water overflow and the location, width and direction of all water courses.
L. A typical street cross section showing pavement thickness, subbase thickness and the location of street and sidewalk within the right of way.
M. If more than one tentative map is submitted, a key map should be shown on the first sheet showing the relation of the other or others to the first map and to each other.

Section 5525. **Subdivision Statement.** A subdivision statement shall accompany each tentative map, shall be in writing, and shall contain the following information:

A. Existing use or uses of the property.
B. The proposed use of the property. If the property is proposed to be used for more than one purpose, the area, lots or lot proposed for each type of use shall be shown on the tentative map.
C. The subdivider shall furnish a general statement of of the improvements and public utilities proposed to be made or installed and of the time in which improvements are proposed to be completed.
D. Provision for sewage and sewage disposal shall be shown.
E. Public areas proposed, if any, shall be shown.
F. Tree planting proposed, if any.
G. Exceptions to the provisions of this Ordinance and reason therefor.
H. Type and location of street lighting proposed.
I. The type of parking proposed, if any.
J. The size of the smallest lot in the tract.
K. A statement of the source of water supply for human consumption in the area.
L. The major storm drain facilities.

Section 5526. **Compliance with Tentative Map.** The Planning Commission shall determine whether the tentative map is in conformity with the provisions of law and of this Ordinance. The Planning Commission, within 30 days after the filing of the tentative map, shall approve, conditionally approve, or disapprove the same and shall report such action in writing to the subdivider and shall transmit to the City Council a copy of the tentative map and a memorandum setting forth the action of the Planning Commission thereon.

Section 5527. **Public Areas.** The City may require the subdivider to set aside an area for public use, provided, however, that in any event, unless such property is conveyed by the owner to the appropriate public agency or an action for condemnation of same commenced within one year from the date of filing of the tentative map, such reservation shall be void.

Section 5528. **Four or Less Lots.** Where the proposed subdivision contains four or less numbers of lots, all of which are placed upon a dedicated street, a final map shall not be required.

Section IV. THE FINAL MAP.

Section 5540. **Filing.** Except as provided in Section 5528 and within one year after approval or conditional approval of the tentative map by the City Council, the subdivider shall cause the subdivision and every part thereof to be surveyed and a final map thereof prepared in conformity with the tentative map as approved or conditionally approved. The tracing and two blue lined or black lined prints of the map shall be filed with the City Clerk with a filing fee of $50.00, and a further sum of $1.00 per lot shown on said map.

Section 5541. **Extension of Time.** Upon written application of the subdivider made within one year of the approval or conditional approval of the tentative map the City Council may grant an extension of time, not exceeding one year for filing of the final map. The application should be filed sufficiently in advance of the expiration of the tentative map to permit a report and recommendation on the proposed extension of time tobe made by the City Engineer and by the Planning Commission.

Section 5542. **Matters to be Shown.** At the time of submitting the final map to the City Clerk, the subdivider shall also submit therewith the following:

A. Traverse sheets in a form approved by the City Engineer giving latitudes and departures and coordinates of the boundary of the subdivision and blocks and lots thereof.
B. As many copies as may be required of detailed plans, cross sections, profiles and specifications of the improvements to be installed as required by the provisions of this Ordinance and of all other improvements proposed to be installed by this subdivider in, on, over, or under any street, right of way, easement, or parcel of land dedicated by the map or previously dedicated including the estimated cost thereof.
C. Design data, assumptions and computations for proper analysis in accordance with sound engineering practice.
D. The final map shall be accompanied by satisfactory evidence of ownership of the property involved so as to establish the persons whose consent is necessary to the preparation and recordation of said map, and to the dedication of streets, alleys, and other public ways shown on the map and certifying that as of the date of the preparation of the report, the persons therein named are all the persons necessary to give clear title to said subdivision.
E. Before approval is given the final map, the subdivider shall deposit with the City Clerk, in cash, the cost of inspections to be made by the City according to the following scale: 2 per cent of the estimated cost of improvements up to and including $10,000; 1-½ per cent of the total of estimated cost of improvements from $10,001 to and including $50,000; 1 per cent of the total estimated cost of improvements on any amount in excess of $50,000. No refund shall be made.
F. Subdivision agreement and bond hereinafter specified.
G. Subdivider, prior to approval of final map, shall provide satisfactory written approval by the governmental entity responsible for sewage disposal to the effect that adequate provision has been made for disposal of sewage. The approval must further indicate that the governmental entity involved will receive and dispose of the sewage from the area proposed for subdivision.

Section 5543. **Document Requirements.** The final subdivision map shall be clearly and legibly drawn up on tracing cloth of good quality. All lines, letters, figures, certificates, and signatures shall be made in black India ink. Typewriting or rubber stamp shall not be used. The map shall be so made and shall be in such condition when filed that good legible blue prints and negative can be made therefrom. The size of the sheets of tracing cloth shall be 18 x 26 inches, leaving a margin of 2 inches at the left edge and 1 inch at the other three edges of the sheet. The scale of the map shall be no smaller than 1 inch to 100 feet.

Section 5544. **Additional Requirements.** Every sheet comprising the map shall bear the scale, North point, legend, sheet number, and number of sheets comprising the map.

Section 5545. **Coordinates.** Whenever the City Engineer has established a system of coordinates, the survey shall be tied into such system. To determine the boundaries of the subdivision, the map shall show clearly the stakes, monuments, or other evidences wherever found on the ground. The adjoining corners of all adjoining subdivisions shall be indentified by lot and block number, subdivision name and place of record or other proper designation.

Section 5546. **Lot Dimensions; Lines and Arcs.** Sufficient data must be shown to determine readily the bearing and length of every lot line, block line and boundary line. Dimensions of lot line shall be shown in feet and hundredths of a foot. No ditto marks shall be used. Lots containing one acre or more shall show total acreage to nearest hundredth. Bearing and length of straight lines and radii and arc lengths for all curves as may be necessary to determine the centers of curves and tangent points shall be shown. Whenever a portion of a curve is not clear as to the location of its radii point, a clarifying not shall be included on the map.

Section 5547. **Street Center Lines.** Whenever the City Engineer has established the center line of a street or alley adjacent to or in the proposed subdivision, the ties shall be made to such center lines and any monuments or reference points thereon.

Section 5548. **Monuments.** The map shall show the location and description of all monuments found in making the survey of the subdivision.

Section 5549. **More than One Sheet.** When a final map consists of two or more sheets (exclusive of the title sheet if the title sheet shows no portion of the map), a key map showing the relation of the sheets shall be placed on sheet one.

Section 5550. **Design Data.** Design data, assumptions, and computations for proper analysis in accordance with sound engineering practice shall include but not be restricted to rainfall data and frequency of design storm.

Section 5551. **Additional Requirements.** In addition, the final map shall be prepared in full compliance with the following requirements:

A. The final map shall show line of high water in case the subdivision is adjacent to a stream, channel or any body of water, and shall also show any area subject to periodic inundation by water.
B. The boundary of a subdivision shall be designated by a colored border applied to the reverse side of the tracing and on the face of the blue line prints. Such borders shall not interfere with the legibility of figures or other data.
C. Street and other rights of way shall be clearly defined. The map shall show the center and side lines of all streets, the width of all streets, the width of the portion being dedicated, and the width of existing dedications, and the width each side of the center line, and also the width of railroad rights of way appearing on the map.
D. The map shall show the side lines of all easements to which the lots are subject. The easements must be clearly labeled and identified, and if already of record, the recorded reference must be given. If any easement is not definitely located of record, a statement of such easements must appear on the title sheet. Easements for storm drains, sewers, public utilities and other purposes shall be denoted by fine dotted lines. The width of the easement and the lengths and bearings of the lines thereof and sufficient ties thereto, definitely to locate the easement with respect to the subdivision must be shown. If the easement is being dedicated by the map, it shall be properly referenced in the owner's certificate of dedication.
E. Lot numbers shall begin with the Arabic numeral 1 and continue consecutively without duplication throughout each block of the subdivision. The numbers shall be solid and of sufficient size and thickness to stand out and shall be so placed so as to not obliterate any figure and shall not be enclosed in any design. Where adjoining blocks appear on separate sheets, the sheet adjoining blocks shall be shown on both sheets complete with center line and property line data. Letters shall not be used to identify block or lot numbers.
F. The final map shall particularly define, delineate, and designate all lots intended for sale or reserved for private purposes, and all parcels offered for dedication for any purpose, public or private, with all dimensions, boundaries, and courses clearly shown and defined in every case. Parcels offered for dedication but not accepted shall be designated by letter in writing.

Section 5552. **Filing of the Final Map.** Upon filing of the final map and other data submitted therewith, the same shall be forthwith filed with the City Clerk of the City of Daly City for consideration by the City Council of the City of Daly City at its next regular meeting immediately following the filing of the final map. If the map conforms to all the requirements of Chapter 2, Part 2, Division 4, of the Business and Professions Code of the State of California (the Subdivision Map Act) and the requirements of any ordinance of the City of Daly City applicable thereto at the time of the approval of the tentative map and any ruling made thereunder, the same shall be approved. If the area included in the map is entirely within the City of Daly City, the City Engineer shall be prepared to advise the Council fully and completely at the meeting in which the map is considered.

If the map includes an area partially in the City of Daly City and partially outside of the City, the City Engineer shall nonetheless be prepared to discuss and advise the City Council concerning said map and in addition shall obtain such information and reports as may be necessary from any other governmental entity concerned with said map, so that the City Council will be apprised of the nature of consideration given by other governmental entities.

Section 5553. **Time Limit for Approval.** The time limit for the approval of such map may be extended by mutual consent of the subdivider and the City Council. If no action is taken within such time limit or within the time to which it has been extended by mutual consent, the map, if it conforms to all requirements above set forth in Section 5552 hereto, shall be deemed to be approved.

Section 5554. **Action by City Council.** The City Council shall, at the time of consideration of the final map, accept or reject any or all offers of dedication and shall as a condition precedent to the acceptance of any streets or easements require that the subdivider improve or agree to improve such streets or easements in accordance with the standards established hereinafter and subject to the requirements hereinafter set forth.

Section 5555. **Disapproval of Map.** If the City Council shall determine that said map is not in conformity with the requirements of this Ordinance and applicable law, it shall disapprove said map specifying its reason or reasons therefor, and the City Clerk shall, in writing, advise the subdivider and Planning Commission of such disapproval and of the reason or reasons for such disapproval. Within 30 days after the City Council has disapproved any map, the subdivider may file with the City Council the map altered to meet the objections of the City Council. The time limit for filing an amended final map may be extended by mutual consent of the City Council and the subdivider. If there are any changes which may be made on the final map at the time the same is considered by the City Council so as to meet any objections made, the Council may if it wishes approve said map upon completion of these changes.

Section 5556. **Effective Date of Map.** No map shall have any force or effect until the same has been approved by the City Council and no title to any property described in the offer of dedication shall pass until recordation of the final map.

Section 5557. **Uncompleted Improvements.** In the event that all improvements required or conditions imposed upon approval under the terms of this Ordinance or by applicable law are not completed before filing of the final map, the Council shall require an agreement with the subdivider for the completion of improvements required and further require the posting of a bond or cash deposit as hereinafter provided. In such case when the agreement and bond or deposit have been approved by the City Attorney as to form and by the City Engineer as to sufficiency, the Council shall consider the final map.

Section 5558. **Subdivision Agreement.** Prior to approval by the City Council of the final map in the event all streets and easements are not improved as required by law and ordinance by such date, the subdivider shall execute and deliver an agreement between himself and the City specifying the period within which he shall complete all necessary improvements as required by law and ordinance to the satisfaction of the City. Such agreement shall also provide that if the subdivider shall fail to complete such work within the stipulated period, the City may complete the same and recover the full cost and expense thereof from the subdivider. The agreement may also provide:

A. For the extension of time for performance by subdivider under conditions specified.
B. For proportionate release to the subdivider or his order of any deposit of money which the subdivider may have posted with the City in lieu of providing a surety bond; provided, however, that not less than 25 per cent of the deposit shall be reserved and held by the City until such time that the City Engineer certifies that all work of improvement has been completed in accordance with applicable law and ordinance.

Section 5559. **Construction of Improvements by Assessment Proceding.** Subject to the approval of the City Council, the subdivider in lieu of an agreement to construct improvements and a bond or cash deposit to secure it, may enter into a contract with the City secured by a faithful performance bond or cash deposit in an amount to be fixed by the City Council, which amount shall not exceed the estimated cost of the improvement, by which agreement the subdivider within such time as may be specified agrees to initiate and consummate under an appropriate special assessment act for the formulation of a special assessment district covering the subdivision or part thereof, for the financing and construction of all necessary improvements upon the streets or easements dedicated by the map. Such contract may provide for acceptance of work as it progresses and for partial withdrawal of the deposit in money or bonds upon certificate of the City Engineer and under such conditions as may be established by the City Council.

Section 5560. **Installation of Improvements in Portions of Area Proposed for Subdivision.** Subject to the approval of the City Council, subdivider may elect to install the improvements required by law and by ordinance in a portion or portions of the premises covered by the subdivision map and in such event the provisions of Section 11,612.5 of the Business and Professions Code of the State of California shall exclusively control such procedures.

Section 5561. **Security or Bond.** In the event an agreement is executed and delivered as provided in Section 5558 hereinabove, the subdivider shall also file with the aforesaid agreement a cash deposit or a faithful performance bond in an amount deemed sufficient by the City Council to cover the cost of said improvements and in any event the amount of such bond shall not be less than 50 per cent of the estimated cost of all required improvements. Such bond shall be executed by a surety company authorized to transact the surety business in the State of California and must be satisfactory to and be approved by the City Attorney as to form. In lieu of such bond, the subdivider may deposit with the City Clerk a sum of money or approved negotiable securities in an amount fixed as aforesaid by the City Council.

Section 5562. **Recourse to Security.** In the event the subdivider shall fail to complete all improvement work in accordance with the provisions of this ordinance or applicable law, the City shall call on the surety, if any, for performance of its contract or in the event of a deposit, shall appropriate from any deposit funds for damages sustained. In any case, if the amount of the surety bond or cash deposit shall exceed all damages incurred by the City, it shall release the remainder of such bond or cash deposit and if the amount of the surety bond or cash deposit shall be less than the damages incurred by the City, the subdivider shall be liable to the City for such difference.

Section 5563. **Extension of Time.** No extension of time, progress payment from cash deposit, or release of surety bond or cash deposit shall be made except upon the certification of the City Engineer that the work covered thereby has been satisfactorily completed and upon the approval of the City Council.

Section 5564. **Non-release.** No extension of time, proportionate return of cash deposit, or proportionate release of surety bond or cash deposit, shall in any way constitute a release of such surety other than as may be expressly provided.

Section V. GENERAL REQUIREMENTS AND DESIGN.

Section 5575. **General Requirements.** The regulations set forth hereinafter in this section shall apply to all subdivisions lying wholly or in part within the City of Daly City.

Section 5576. **Master Plan.** In all respects, the subdivision shall be considered in relation to the master plan of Daly City or any part thereof, or preliminary plans made in anticipation thereof.

Section 5577. **Access to Public Streets.** All lots or parcels created by the subdivision of land shall have access to a public street of the standards as hereinafter required. Private streets shall not normally be permitted. However, if the City determines that the most logical development of land requires that lots be created which cannot be feasibly served by a public street, a private street may be approved. The subdivider shall submit a development plan showing the alignment with grade and material specifications of any proposed private street, the topography and means of access to each lot and drainage of the subdivision. Construction of the private street as approved by the City Engineer shall be completed prior to completion of construction and/or occupancy of the lots.

Section 5578. **Master Plan and Existing Alignment.** The street and highway design shall conform to any master plan of streets and highways approved by the City Council and the right of way for any street or highway indicated on said master plan shall be dedicated. All streets shall as far as practicable be in alignment with existing adjacent streets by continuation of the center lines thereof or adjustments by curves.

Section 5579. **Proceedings affecting Subdivisions.** The street and highway design shall conform to all proceedings affecting the subdivision which have been commenced by the City Council.

Section 5580. **Non-access and Planting Strips.** When the rear of any lot borders any parkway, major or secondary street, the subdivider may be required to dedicate and improve a planting strip adjacent to such parkway, major or secondary street, or provide some other permanent means of prohibiting and preventing ingress and egress to and from the rear of such lots, to the parkway, major or secondary street.

Section 5581. **Reserve Strips.** Reserve strips controlling the access to public ways or minimizing values for special improvement assessments, shall not be approved unless such strips are necessary for the protection of the public welfare or of substantial property rights, or both, and in any case unless the control and disposal of the land comprising such strips is dedicated to and accepted by the City Council.

Section 5582. **One-foot Reserve Strip.** In the case of stub end streets extending to the boundary of the property subdivided, a one-foot strip the width of the street right of way shall be deeded to the City at the end of the stub end street and improvements of said strip shall be suspended pending the extension of said street into adjacent property. Where required by the City, a temporary turn-around or temporary connection to another street shall be provided by the subdivider.

Section 5583. **Street Names.** All street names shall be approved by the City.

Section 5584. **Geometric Street Design.**

A. Streets and highways not shown on any master street and highway plan or not affected by proceedings approved by the City Council shall be of no less width than those set forth hereinafter except where topography, the small number of lots served, and probable future traffic pattern are such as to justify a narrower width. Increased widths may be required where streets are to serve special property or where probable traffic conditions warrant such. Approval or determination of street or highway classifications shall be made by the City Council at the time the tentative map is considered by such body.

Classification	Right of Way	Pavement Width
Major City Street	80	62
Major Residential Street	60	42
Secondary Residential Street	50	32
Cul-de-sac Street	50	32
Alleys	25	24

B. Streets shall intersect one another at an angle as near to a right angle as is practicable and no intersection of streets at angles less than 30 degrees shall be approved unless required by topographical conditions. Where two major streets intersect one another, they shall be preceded by a tangent of not less than 50 feet or a center line curve radius of greater than 400 feet.
C. At all street intersections in residential areas the property lines at each block corner shall be rounded with a curb having a radius of not less than 15 feet. Whenever a major street or state highway intersects any other street or highway the property lines at each corner shall be rounded with a curve having a radius of not less than 30 feet. In either case, a greater curve radius may be required if streets intersect at other than right angles.
D. The center line curve radius on major city streets shall be a minimum of 400 feet and a minimum radius of 100 feet on residential streets.
E. No street or highway shall have a grade of more than 14 per cent unless because of topographical conditions or other exceptional requirements, the City Engineer determines that a grade in excess of 14 per cent is necessary. The minimum street grade shall not be less than one-half of one per cent.
F. Where there are two level streets, the minimum right of way width shall be 60 feet which may be varied according to grade. In cases of two sections of pavement, each section shall have a minimum width of 20 feet to curb face.
G. Cul-de-sac streets shall not exceed 500 feet in length and shall be terminated by a turn-around having a right of way radius of 40 feet and a curb radius of 31 feet, except where topography or unusual conditions dictate a greater length.
H. Blocks shall not exceed 1,800 feet in length unless previous adjacent layout or topographical or traffic conditions justify a variation from this requirement. Large blocks shall be provided adjacent to major city streets in order to reduce the number of intersections. The minimum distance between intersection center lines shall be a distance of 242 feet. Offset intersections shall not be approved unless the offset center lines are separated by a minimum of 150 feet.
I. Secondary street intersections on major city streets shall be "T" intersections unless necessitated by existing street layout or topographical conditions.
J. Frontage roads if required shall be separated from the thoroughfare highway or freeway by a strip of permanent landscaping of a suitable width subject to approval by the City. Access from the frontage road to the thoroughfare, highway or freeway shall be by means of "bulb type" intersections capable of accomodating at least four automobiles between the frontage road and the said highway, freeway or thoroughfare.

Section 5585. **Structural Street Design.**

A. The subgrade for all city streets shall conform to all of the requirements of Section 21 of the California Standard Specifications for Class "B" subgrade.
B. The aggregate base for major city streets shall be 9 inches of compacted thickness. For residential streets the aggregate base shall be 6 inches of compacted thickness. The aggregate base shall conform to all of the requirements of Section 26 of the California Standard Specifications for Class 2 aggregate base with 1½ inch maximum fine aggregate, except that the methods of spreading and compaction of the base shall be by a means approved by the City Engineer.
C. A prime coat shall be applied to the base using an approved liquid asphalt.
D. Plant mix surfacing shall conform to the requirements of Section 39 and Section 92 of the California Standard Specifications for Type "B" mineral aggregate using ¾ inch fine aggregate size with 85-100 penetration grade asphalt. The compacted thickness of asphaltic concrete surfacing shall be a minimum of 2 inches.
E. In cases where conditions of topography require grades in excess of 14 per cent streets may be constructed to a more excessive grade upon approval of the City Council. Such grades shall be kept to a minimum both in number and length. All streets in excess of 14 per cent grade shall be paved with a Portland cement surface having a thickness, joint pattern, and reinforcing system according to the requirements of the City Engineer.

Section 5586. **Lots.** All subdivisions shall result in the creation of lots which are capable of being built upon. No subdivision shall create lots which are impractical of improvement due to location of water courses or other natural physical conditions.

Section 5587. **Lot Size.** The size, shape and orientation of lots shall be appropriate to the type of development contemplated. The following principles and standards shall apply:

A. Minimum area and dimensions of all lots shall conform to the requirements of the Zoning Ordinance for the district in which the subdivision is located.
B. The side lines for all lots so far as possible shall be at right angles to the street which the lot faces, or approximately radial to the center of curvature if such street is curved, except in the case of a cul-de-sac turn around in which case the side lot lines shall be laid out in an approved manner.
C. Lots other than corner lots may front on more than one street where necessitated by topographical or other unusual conditions.
D. No remnants of property shall be left in the subdivision which cannot conform to lot requirements or are not required for a private or public utility purpose.
E. Blocks shall have sufficient width for an ultimate layout of two tiers of lots therein of the size required by the provisions herein or the Zoning Ordinance unless the surrounding layout or lines of ownership or topography justify or require a variation from this requirement.
F. Lots without frontage on a street will not be permitted.
G. Where a parcel is subdivided into lots of one acre or more, the City may require that the blocks be of such size and shape and be so divided into lots as to provide for the extension and opening of streets and alleys at such intervals as will permit a subsequent division of any parcel into lots of normal size.
H. Lot numbers shall begin with the number 1 in each block and shall continue consecutively throughout each block in the subdivision with no duplication.
I. Wherever possible, all lots shall drain to the street.

Section 5588. **Easements.** The subdivider shall grant easements as required for public utility, sanitary sewer and drainage purposes.

Section 5589. **Overhead Wire Lines.** Easements for overhead wire lines shall be provided where required.

Section 5590. **Dedication.** Dedication of easements shall be to the public and/or the City for the purpose of installing utilities, planting strips and for such other public purposes as may be lawfully required by the City Council.

Section 5591. **Water Drainage.** The subdivider shall, subject to riparian rights, dedicate a right of way for storm drainage purposes conforming substantially with the lines of any natural water course or channel, stream, or creek that traverses the subdivision. As an alternative, the subdivider may provide by dedication other and sufficient

(Continued on Page 9)

ORDINANCE NO. 535

(Continued from Page 8)

easements for location and construction of storm water sewers and their appurtenances to dispose of surface and storm waters.

Section 5592. **Inundation**. If any portion of any land within the boundaries shown on any final map is subject to overflow, inundation or flood hazard by storm waters, such fact and said portion shall be clearly shown on such final map and enclosed in a border on each sheet of said map.

Section VI. UTILITIES AND PUBLIC IMPROVEMENTS.

Section 5593. **Utilities**. All utilities which the City shall be required to accept for maintenance shall be designed, constructed and installed as approved by the City. Only those materials or construction as approved by the City will be permitted.

Section 5594. **Installation of Utilities.** All underground utilities, sanitary sewers, and storm drains installed in the streets, service roads, alleys or highways shall be constructed prior to the surfacing of such street, service road, alley, or highway. Service connections for all underground utilities and sanitary sewers shall be laid to such lengths as will obviate the necessity for disturbing the street or alley improvements when service connections thereto are made. Exceptions to the requirements of this section may be made where it is neither feasible nor desirable to install such facilities prior to the surfacing of said street, service road, alley or highway upon approval of the City Engineer.

Section 5595. **Water Supply Utilities.**

A. The manufacturer, type, and materials for all valves, pipe-fittings, hydrants, instruments and appurtenances necessary for the completion of the water distribution system shall be approved by the City Engineer.

B. The subdivider shall tap all street mains in an approved manner according to the specifications of the City Engineer and shall continue each meter tap with copper tubing, couplings and copper fittings to the meter box. The City shall supply and the subdivider shall install each meter box at the approved service location and the designed grade elevation. The City will install a water meter and shut-off valve within the previously located meter box for a prescribed meter installation fee to be designated by the City Council.

C. All fire hydrants shall be connected to a six-inch water main and shall be six inches in size. Where excessive lengths of six-inch pipe are not normally required for domestic or fire flow, the City Engineer may allow the use of four-inch pipe and a four-inch hydrant. However, in no case shall any fire hydrant be less than four inches in diameter nor connected to a line less than four inches in diameter.

D. The minimum street main shall be four inches in diameter. Two-inch mains will be allowed only when they are parallel to a main four inches or more in diameter or where special conditions make two-inch mains adequate.

Section 5596. **Street Lights and Traffic Signs.**

A. The manufacturer, type and materials for all wiring, conduit, street light poles and appurtenances necessary for the completion of the street light system shall be approved by the City Engineer, and installed by the subdivider at his expense.

B. All street light poles shall be constructed of a corrosion resistant material and shall be approved by the City Engineer. Street lighting shall be installed at subdivider's expense and the locations of light standards shall be approved by the City Engineer.

C. Street traffic signs shall be of a type designed and location approved by the City Council.

Section 5597. **Streets, Curbs, Gutters and Sidewalks.**

A. All streets shall be designed and constructed as required in Paragraph 5584 and 5585 of this Ordinance.

B. Curbs and gutters shall be of a design and configuration as approved by the City Engineer. All curbs and gutters shall be constructed in accordance with Sections 73 and 90 of the California Standard Specifications using Class "B" concrete.

C. Sidewalks shall be four inches thick and four feet wide exclusive of the curb width. Sidewalks shall be constructed in accordance with Sections 73 and 90 of the California Standard Specifications using Class "B" concrete.

Section 5598. **Sewers.**

A. Structures shall be installed as deemed necessary by the City Engineer for drainage access and public safety. Such structures shall be placed to grades and shall be of a design approved by the City Engineer.

B. Sanitary sewer facilities connecting with the existing city or county sewer system shall be installed to service each lot and to grades, locations, design and sizes approved by the appropriate governmental entity. No septic tanks or cess pools will be permitted. Storm water sewers and appurtenances shall installed as required by the City Engineer.

Section 5599. **Fire Alarms.** The design, layout, and location of fire alarm boxes connecting to the Daly City Fire Alarm System shall be installed by the subdivider at his expense and approved by the City Engineer and the Chief of the Fire Department of Daly City. For each box required to be installed, the subdivider shall pay to the City the sum of $100, which said sum shall be deposited and paid to the City prior to acknowledgment of completion of performance by subdivider of his contract. All equipment necessary to connect this system to the central alarm control of the Daly City Fire Department shall be provided for or paid for by the subdivider prior to the approval of the final map.

Section 5600. **Railroad Crossings.** Provisions shall be made for any and all railroad crossings necessary to provide access to or transportation within the proposed subdivision including the preparation of all documents necessary for application to the California State Public Utilities Commission for the establishment and improvement of such crossings.

Section 5601. **Grading.** All grading operations, methods, and degree of compaction shall be in accordance with the requirements of Section 5585 of this Ordinance.

Section 5602. **Location of Monuments.** Permanent monuments shall be set in street areas located so as to define the street lines bounding each block. Due consideration shall be given to visibility of monuments one from another. The monuments shall be set at each street intersection, tangent point, beginning and end of street curve, center of cul-de-sac, and at the terminus of dead end streets.

Section 5603. **Construction of Monuments.** Where monuments are set in approved street or highways, the top shall be at least six inches below street grade with a cast iron ring and cover of a type approved by the City Engineer set flush with the finished grade and supported independently of the monument.

Section VII. MINIMUM REQUIREMENTS.

Section 5625. **Improvements**. No permanent improvement work shall be commenced until improvement plans have been approved by the City Engineer. Improvements shall be installed to permanent line and grade and to the satisfaction of the City Engineer and in accordance with the Standard Specifications herein and above referred to. The minimum improvements which the subdivider normally shall make or agree to make at the cost of the subdivider which agreement shall be given prior to the approval of the final subdivision map and accompanied by a Faithful Performance Bond shall be:

A. Grading, curbs and gutter, paving, drainage and drainage structures necessary for the proper use and drainage of streets, highways and ways.

B. Drainage, taking into consideration the drainage pattern of adjacent improved or unimproved property and treating upstream areas as though fully improved.

C. Street name signs of a type approved by the City.

D. Sidewalks where required.

E. Fire hydrants and a water system with mains of sufficient size and having a sufficient number of outlets to furnish an adequate water supply for each lot or parcel in the subdivision and to provide adequate fire protection.

F. Sanitary sewer facilities and connections for each lot in accordance with the requirements of appropriate governmental entity responsible for disposal of sewage.

G. Street lighting facilities.

H. Street trees.

I. Provision shall be made for any and all railroad crossings necessary to provide the access to or circulation within proposed subdivision, including the preparation of all documents necessary for application to the California State Public Utilities Commission for the establishment and improvement of such crossings.

Section 5626. **Installation of Utility Facilities.** Services from public utilities where provided and from sanitary sewers shall normally be made available for each lot in such manner as will obivate the necessity for disturbing the street pavement, gutter, culvert and curb when service connections are made.

Section 5627. **Completion.** A completed improvement plan "as built" shall be filed with the City Engineer upon completion of said improvements. Said "as built" plans shall be on duplicated tracings. Upon receipt and acceptance of an "as built" plan, the City Engineer shall recommend formal acceptance by the City Council.

Section 5628. **Bench Marks.** Elevations on Daly City datum or United States Geological Survey datum shall be shown on the "as built" improvement plans for all monuments in the subdivision.

Section 5629. **California Standard Specifications of 1960 on file With Clerk.** There are on file with the City Clerk of the City of Daly City three copies of California Standard Specifications for 1960. By this reference, the provisions of such publication are fully and completely incorporated in this Ordinance as though at length set forth in full.

Section VIII. MODIFICATIONS.

Section 5650. **Planning Commission.** The Planning Commission may recommend that the City Council modify any of the requirements and regulations set forth in this Ordinance. Application for any such modification shall be made in writing by the subdivider stating fully the grounds of the application and the facts relied upon by the subdivider. Such application shall be filed with the tentative map of the subdivision. In order for the property referred to in the application to come within the provisions of this Section, it shall be necessary that the Planning Commission shall find the following facts with respect thereto.

A. That there are special circumstances or conditions affecting that property.

B. That the modification is necessary for the preservation and enjoyment of a substantial property right of the petitioner.

C. That the granting of the modification will not be detrimental to the public welfare or injurious to other property in the territory in which said property is situated.

Section 5651. **Recommendation**. In recommending the authorization of any modification under the provisions of this Section, the Planning Commission shall report to the City Council its findings with respect thereto, and all facts in connection therewith, and shall specifically and fully set forth the modification recommended and the conditions designated.

Section 5652. Receipt. Upon receipt of such report, the City Council may authorize the Planning Commission to approve the tentative map with the modification recommended.

Section 5653. **Modifications Authorized.** In all cases in which such modifications are authorized the Planning Commission shall require such evidence as it deems necessary that the conditions required in connection with such modification are being complied with.

Section IX. VALIDITY.

Section 5660. **Validity.** If any section, sub-section, sentence, clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the Ordinance. The City Council of the City of Daly City hereby declares that it would have passed this Ordinance with each section, sub-section, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, sub-sections, sentences, clauses or phrases be declared invalid or unconstitutional.

Section 5661. **Title.** This Ordinance may be referred to as "The Daly City Subdivision Ordinance."

Section 5662. **Penalties.** Any violation of this Ordinance shall be a misdemeanor and any person, firm, corporation, partnership or co-partnership, upon conviction thereof shall be punishable by a fine of not less than $25.00 and not more than $500.00, or by imprisonment in the County Jail for a period of not more than six months, or by both such fine and imprisonment, except that nothing herein contained shall be deemed to bar any legal, equitable or summary remedy to which the City, County, or other political subdivision, or any person, firm, corporation, partnership or co-partnership, may otherwise be entitled.

Section 5663. **Repeal.** Ordinance 403 of the City of Daly City and all Ordinances or parts of Ordinances of said City in conflict with this Ordinance to the extent of such conflict and no further are hereby repealed.

Section 5664. **Enactment.** This Ordinance shall be published once in The Record, a newspaper published in the City of Daly City, and shall be and is hereby declared to be in full force and effect from and after 30 days from the date of its passage.

INTRODUCED this 10th day of April, 1961, by Councilman De Bernardi.

PASSED AND ADOPTED by the City Council of the City of the City of Daly City, on this 24th day of April, 1961, by the following roll call vote:

RESOLUTION NO. 2993

A RESOLUTION DECLARING THE INTENTION OF THE CITY OF DALY CITY TO CLOSE A PORTION OF PUBLIC STREET ADJACENT TO SOUTHGATE AVENUE and a PORTION OF PUBLIC STREET ADJACENT TO SOUTH MAYFAIR AVENUE in DALY CITY AND FIXING THE TIME AND PLACE OF HEARING ALL PERSONS INTERESTED IN OR OBJECTING TO SUCH PROPOSED CLOSINGS

Whereas, The City Council of the City of Daly City is desirous of vacating portions of Southgate Avenue and South Mayfair Avenue, public streets in the City of Daly City, as hereinafter described, and

WHEREAS, the City Council desires to take the necessary proceedings under the Street Vacation Act of 1941 closing said portions of said streets;

NOW, THEREFORE, BE IT RESOLVED BY THE City Council of the City of Daly City as follows:

1. It is the intention of the City Council of the City of Daly City to vacate a portion of public street adjacent to Southgate Avenue (PARCEL ONE), and a portion of public street adjacent to South Mayfair Avenue (PARCEL TWO), as the same are hereinafter described.

2. Reference is hereby made to the map and description on file in the office of the City Clerk of the City of Daly City for particulars as to the proposed closing.

3. Monday, May 22, 1961, at 8 o'clock p.m. of said day in the Council Chambers in the City Hall of the City of Daly City be, and the same is hereby fixed as the time and place for hearing all persons interested in or objecting to said proposed closing.

4. At least three notices of this proposed street closing shall be posted conspicuously on Southgate Avenue and South Mayfair Avenue in the areas proposed for vacation. Such notices shall be posted not more than three hundred (300) feet apart but at least three (3) shall be posted as of each parcel and such notices shall state the passage of this resolution of intention of the time and place of hearing thereon.

5. At the time and place aforesaid, said City Council will hear the evidence offered by any person interested, and if said City Council then finds from all the evidence submitted that such portions of said street is unnecessary for present or prospective public street purposes, said City Council will make its order closing the above described portions of said streets.

6. This resolution shall be published once in The Record, a newspaper of general circulation published in the City of Daly City, California.

7. The portions of public streets proposed for abandonment are described as follows:

PARCEL ONE (portion of public street adjacent to Southgate Avenue).

Beginning at a point on the southerly line of Lot 14, Block 37, as designated on the map entitled "WESTLAKE UNIT NO. 4 DALY CITY SAN MATEO COUNTY CALIFORNIA," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on August 25, 1950 in Book 32 of Maps at pages 8, 9, and 10, distant thereon North 89° 46' West, 26.34 feet from the southeasterly corner of said lot; thence along the southerly line of said lot northwesterly along the arc of a tangent curve to the right with a radius of 20 feet and a central angle of 41° 30' 25" a distance of 14.49 feet; thence leaving said lot line southeasterly along the arc of a tangent curve to the left with a radius of 686.78 feet and a central angle of 0° 38' 10" a distance of 7.62 feet, thence South 89° 46' East, 7.51 feet to the point of beginning.

PARCEL TWO (portion of public street adjacent to South Mayfair Avenue).

Beginning at the northeast corner of Lot 1, Block 34, as designated on the map entitled "WESTLAKE UNIT NO. 4 DALY CITY SAN MATEO COUNTY CALIFORNIA" which map was filed in the office of the Recorder of the County of San Mateo, State of California on August 25, 1950 in Book 32 of Maps at pages 8, 9 and 10; running thence South 89° 42' West 56.76 feet to the TRUE POINT OF BEGINNING of this description; thence on a curve to the left tangent to the preceding course, having a radius of 20.00 feet, with a central angle of 122° 19' 54", an arc length of 42.70 feet to a point of reverse curvature; thence on a curve to the left from a tangent which bears North 52° 37' 54" West, having a radius of 603.69 feet, with a central angle of 3° 31' 06"; an arc length of 37.07 feet; thence North 69° 42' East, 37.68 feet to the TRUE POINT OF BEGINNING.

I hereby certify the foregoing to be a true copy of a Resolution adopted by the City Council of Daly City, California at a regular meeting thereof held on the 24th day of April, 1961, by the following vote of the members thereof.

AYES, and in favor thereof, Councilmen:
DeBernardi, Dennis, Pacelli, St. Clair
NOES, Councilmen: None
Absent, Councilmen: Verducci

Evelyn Mosman
City Clerk
of the City of Daly City

APPROVED:
Robert B. St. Clair
Mayor of the City of Daly City

KPIX MARSHAL "J" has been selected by the Boy Scouts of San Francisco to be official narrator of the 1961 SCOUT-O-RAMA at the Cow Palace on May 5 and 6. Cub Scouts of Daly City Pack 347 went to KPIX to discuss the SCOUT-O-RAMA plans with MARSHAL "J" (Jay Alexander) who showed them through the station. Shown here are Cubs (l. to r.): Tom Gernhardt, Timmie Welsh, Peter Markovitch, Russell Locke, Gar Tompkins, Andy Poggio and Donald Castranovo. Marshal "J's" dog is known as "Rough."

RECORDS, ART NOW AVAILABLE AT DC LIBRARY

Several hundred recordings of the world's most enjoyable music and over fifty reproductions of great art are now available to adult borrowers at the Daly City Public Library.

Samuel Chandler, City Librarian, reports that both paintings and records are housed in the meeting room of the library at 275 Southgate. Other records are kept in the library at 6351 Mission to be lent to patrons of that branch.

Plans call for paintings to be checked out for one month within frames that are property of the library. "The frames are made to hang on the patron's walls," Chandler said. "They are sturdy and will blend with most interiors."

The recordings may circulate for one week. If one desires to listen to the records within the library, he may do so by asking at the charging desk.

"Although, each record has been placed within a sturdy cover, "Chandler said, "patrons will be urged to take extra special care of them to avoid breakage."

Four railroads connect with the State Belt Railroad which serves San Francisco piers and nearby industries on the waterfront.

A single 611-page telephone directory serves the entire Republic of Ireland.

JEFF'S VARSITY, C SQUAD SWIMMERS WIN OVER SSF

Jefferson High's varsity and C-squad swimmers were able to outswim the South San Francisco High swim team to score important wins in their meet recently, while the B-squad had to take a bad "dunking" from the South City club. The meet was held here at the Jefferson pool.

Jeff's varsity aquamen had a close call, though, winning their division against South City's varsity by a mere one point—39 to 38. The C's took over in their division, coming up with a score of 45-14. Jeff's B's lost 38-30.

Following is listed the divisions, the particular event, and the winners for the first three places, with the scoring time for the first-place winner:

VARSITY

50-Yd. Freestyle
1—Vozzo (Jefferson) 26:7
2—Hemton (SSF)
3—Navarra (Jefferson)

100-Yd. Butterfly
1—Beecher (Jefferson) 1.20.2
No second or third piace.

200-Yd. Freestyle
1—Soals (SSF) 2:35.6.
2—Ubaldo (Jefferson)
3—Pfeiffer (Jefferson)

100-Yd. Backstroke
1—Houston (Jeferson) 1:12.6.
2—Runge (Jefferson)
3—Lowe (SSF)

100-Yd. Breastroke
1—Carrmon (SSF) 1:25
2—Weiss (SSF)

100-Yd. Freestroke
1—McGuire (SSF) 1:01.8
2—Tomasello (Jefferson)
3—Crist (Jefferson)

Diving
1—Clover (Jefferson) with 92.2 points.
2—Delarios (SSF)
3—Sherman (SSF)

200-Yd. Individual Medley
Olander (SSF) 3:17.4.
No second or third places.

Medley relay won by SSF in 2:17.7.

Free relay won by Jefferson in 1:51.2.

B-SQUAD

50-Yd. Freestyle
Shelton (SSF) 26.2

200-Yd. Butterfly
Knight (SSF) 29:7

100-Yd. Backstroke
Wallace (Jefferson) 1:15.6

100-Yd. Breaststroke
Abold (SSF) 1:27.2

100-Yd. Freestyle
Shelton (SSF) 59:9

100-Yd. Individual Medley
Hess (Jefferson) 1:22

Medley relay won by SSF in 2:14.4

Free relay won by Jefferson in 1:56

C-SQUAD

50-Yd. Freestyle
Morris (Jefferson) 27:9

50-Yd. Butterfly
Iwahashi (Jefferson) 30.4

50-Yd. Backstroke
Kaleiki (Jefferson) 32.9

50-Yd. Breaststroke
Iwahashi (Jefferson) 35.50

100-Yd. Freestyle
Goodin (Jefferson) 1:04.2

Medley relay was won by SSF in 2:26

Free relay was won by Jefferson in 1:55.3.

Rams Continue Winning Streak; Tie With Mills

Westmoor's varsity horsehiders continue to play winning baseball, and after three league contests the Rams are tied for first place with the undefeated Vikings of Mills.

In their biggest win of the season thus far, the Rams recently defeated their crosstown rival—Jefferson—by a score of 4 to 2.

Westmoor's ace, Cornell Holmes, pitched the Rams to victory by fashioning a neat 6-hiter, with 4 strike-outs and 2 walks.

Half of the Indian's hits came from the bat of catcher John Sonza, whose 3 for 3 and 2 rbi were the only memorable feats by an Indian batter.

All of Westmoor's runs were scored in the third inning, when the Rams grouped six hits in that single frame. Singles by Terry Christman and Rich Morales, followed by Barry Krohn's infield single off the glove of pitcher Stan Montalvo, loaded the bases with no outs.

The Indian infield, playing in for the bunt, was crossed up by Cornell Holmes, who lined a single to right. Christman scored easily, but Morales was thrown out at the plate on a close call. Catcher Steve Payette belted a triple down the left field line to score Krohn and Holmes. Payette crossed the plate on Ron Townsend's single to left, and the Rams had all they were to need for victory.

Rams Take SSF 3-0; Fifth League Win!

Westmoor High varsity baseballers have scored their ninth consecutive victory and their fifth consecutive Peninsula League victory by winning over South San Francisco 3-0, giving them a 12-3 record for the season. The game was played at Marchbanks Park.

It was also the second consecutive shut-out for the Rams Nine, for a grand total of 17 consecutive scoreless innings. Barry Krohn chucked the ball, going the full seven to pick up his second consecutive victory in the league. He gave up two hits, while walking two and striking out eight.

Westmoor scored in the bottom of the fourth inning. Cornell Holmes drew a base on balls to start the inning. Mike Daniels followed with a single to left field, both runners scored on a long double to center by Steve Payette.

Westmoor scored a third and final time at the bottom half of the fifth inning when Rich Morales led off with a line single through the box into center field, and was followed by Krohn's long double to the left. Morales scored on a South City pickoff play at third base when Duke Cady let the throw from Steve Vena get away from him, allowing Morales to score.

South City had no runs, two hits and one error. Westmoor had three runs, seven hits and one error. Extra base hits by Krohn and Payette who doubled.

Noted Golfers To Appear At Jubilee Open

Many of the Bay Area's nationally-known golfers will be on hand for the Golden Jubilee Open at the Lake Merced Golf and Country Club May 25, according to Peter J. Markovich, chairman of the event.

About 180 golfers are expected to participate in the all-day event which will be highlighted with a full course, awards dinner at the Country Club.

The Golden Jubilee Open is sponsored by the Chamber of Commerce and is one of a series of events scheduled to call attention to Daly City's 50th anniversary which will be celebrated October 7 through 14.

Prizes will be presented to all participants with special awards and trophies going to winners in a variety of categories.

Ken Venturi, Bay Area native and one of the nation's top golfers, is expected to head the list of golfing personalities who will participate, Markovich announced. Other well-known local golfers expected to compete in the tournament include Bob Sylvestri, Edward Castagnetto, George Gnau, Einar Hanson and Art Linhares.

Tickets for the tournament can be obtained at the Chamber of Commerce office at 6454 Mission Street at $20 each. The price includes green fee and dinner.

Another pre-Jubilee event that will call attention to the October Golden Anniversary Celebration is the Daly City Fireman's Ball which will be held at 8 p.m. May 6 at the War Memorial Center.

Adult Swim Classes Set For SSF High

Adult swimming classes will begin Wednesday, May 3 at South San Francisco Adult School, 7-8 and 8-9 p.m. Classes will be for beginners, advanced beginners and intermediate swimmers. The course will run for five weeks. A registration fee of $3 is required. Classes are limited in size. Interested persons are asked to pre-register at the high school office between 7 and 10 p.m., Monday through Thursday.

Parks Code Is Tabled At Meet

The Parks and Recreation Commision tabled work on their park code Tuesday night until their next meeting due to the lack of a full commission present.

It is this code the commission is hoping to present soon to the City Council, and have them adopt it as an ordinance. This code would cover a multitude of items establishing park rules on such matters as the forbidding of advertising in parks, and other practices.

Oral reports on the organization of the department-sponsored baseball leagues were given. It was announced that some 600 boys were enrolled in the Midget and Junior Leagues, and that practice will begin in mid-May. There are 18 midget leagues formed, and 14 juniors.

Chuck Vincent, director of recreation, announced that land at Frankfort Park, located at Frankfort and Acton streets, has been leveled by the contractor, a sprinkler system has been installed, and the planting of turf is now taking place.

Something About Sports

By JIM KALLENBACH

... When a fella goes out for baseball it's because he likes the game. It offers a great feeling for him to know that he has played a good game—the best he knows how—and it must be a great source of pride for that player to know that a fan whom he has never met or is likely to meet thinks he plays the greatest ball.

... There's nothing rougher than playing ball in a cold, fierce wind, no matter how much you like the game. Outside of you and your team mates, who cares about the crazy old game anyway? It takes a real fan watching a game under such climatic conditions to stick it out until the very end just because he admires how the teams play, especially he notes the performance of one player, who, incidentally holds down his favorite position.

... But, there are real fans like that, and Shortstop Rich Morales of Westmoor has one. This paper earlier this week in our morning mail received an unsigned letter from a man, already a baseball fan, who has made himself a fan of both the Westmoor and Jefferson High teams. The ol' fan couldn't take his eyes off Morales, who was giving it everything he had. It was on the 11th when Westmoor and Jefferson tangled at the Westmoor diamond. It was any kind of a day but a day for baseball. The wind was blowing up a storm that day if you remember.

... The letter reads in part: "I'm just a visitor from out of town and I'd heard so much about the wind at Candlestick Park. I came here to visit a friend and while here see the Giants and Pirates play. One day he took me up to a school where a high school game was going on. One team was named Jefferson and the other was the home team, and was called the Westmoor's. . . .

"I love to see young boys playing baseball or any sports. I mentioned the wind at the big league park in San Francisco, well if these big leaguers cried about the wind at their park and how hard it was to catch a fly ball in that wind at their park, I'd really feel sorry for them if they had to play on the diamond at Westmoor. I never heard one of the kids at the game complain about the wind interfering with their plays. . . .

... "We saw a boy playing shortstop that reminded us of a guy we saw play for the old Pittsburgh Pirates. His name was Honus Wagner. He was my favorite. I just knew that I had to write in and let you people know what kind of a ballplayer you people have in one of the schools. I just want to say that I've never enjoyed a game as much as this one on the hill. Some of the boys were saying they never saw it so windy. . . .

... The letter continues, "This shortstop and the rest of his team mates played a good game, both teams played well. I do believe the shortstop is the backbone of any team if he's good enough. Well this boy on the Westmoor team chased a foul ball almost down the hill; as a matter of fact he did go a little down hill to catch the fly ball by the third base side of the hill, what a sure fire ballplayer he is. I didn't get the boy's name, but his number was 5." (This number is held down by Rich Morales.) The letter concludes by the gentleman saying, "I hope this boy keeps up his ball playing, he's a pleasure to watch." The letter was simply signed "An Old Fan."

.... It wasn't such a good day for the Franklin nine last week, Thursday to be specific when Colma's ball club nosed by Franklin to win their game 2-1. The loss for Franklin now gives 'em a record of two ties and one loss. They're tied with Taylor of Millbrae and Parkside of San Bruno. In last week's melee, Colma got four hits to Franklin's lone hit by Catcher Nick Krnich. . . .

... The fishing season for trout opens up this Saturday (April 29). San Francisco's Bay Area anglers should find trout plentiful in Lake Merced. Fingerlings stocked there are now reaching proper size in preparation for the season opener. Good fishing is promised by the Department of Fish and Game for Gazos Creek, two miles south of Pidgeon Point Lighthouse; Pescadero Creek, in Portola State and San Mateo County Parks, and Upper Bean Hollow (?) Lake, near Pescadero, off the coast highway. A note of caution: remember, if you fish in Lake Merced, the City of S.F. requires you have a city permit, too! That's 30 for now. . . .

WESTMOOR NINE SMASH PANTHERS 9-0 HERE

Westmoor Rams proved to be an invincible foe recently when they tangled with the Burlingame Panthers in a Peninsula League game, smashing them unmercifully 9-0. The game was played at Marchbanks Park.

The Rams scored in the first inning when Bill Hix hit one from Roger Bailey, Terry Christman then got an infield single and Rich Morales came out and hit a ground ball to third baseman Bill Kirk who errored.

In the fifth inning, Hix led off with a base on balls, Christman was safe on a throwing error by Steve Strauss. Morales on an infield single loaded the bases up. Hix and Christman scored when Bary Krohn hit a long sacrifice fly ball to left field, Hix scoring on a play and Christman scoring on a throw-in. Cornell Holmes singled to the right, scoring Morales.

Mike Daniels walked and Steve Payette walked, loading the bases.

Steve Betts came in to relieve Bailey and first man was Chris Hanson, who hit into a fielder's choice, scoring Holmes from third base, and got the fourth run of the inning.

At the top of the sixth, with one out, Christman singled down the right field line, Morales walked, putting runners on first and second. Barry Krohn hit a line single to center scoring Christman. Holmes followed with a single to right center field scoring Morales and Krohn, coming in on a throwing error by the center fielder.

Final run was scored by Holmes who was driven by Daniels on a long double to left field. Krohn, making the first league start of the year, and credited with the win, did not give up any runs and allowed only three hits in the four innings. He struck out eight, while walking one. He was relieved by Holmes in the fifth, who pitched the last three innings, allowing no runs and giving up one hit, while walking one and striking out seven, making a grand total for the Rams of giving up no runs, while striking out 15 of the Panthers.

It's SPARE TIME at Westlake Bowl

By JIM GREALISH

After over two and one-half years of operation and millions of games, Ron Anquillo of the Mardec team finally broke the 700 barrier as he bowled games of 268-202-244 for a 714 total. Ron's feat earns him a place in the Westlake Bowl Hall of Fame along with Bob Bresnahan who rolled the only 300 game to date and those who have registered games of 275 and over.

Congratulations are in order for Jerry Johnson, The Westlake Bowl representative of the San Francisco Women's Bowling Association who has been elected First Vice-Presldent of the organization. Jerry, who is the very efficient secretary of many of the leagues here at Westlake has selected Martha Lauer and Doris Cunningham as our representatives to the Association.

May 27 has been set as the starting date of the first tournament of its kind. Strictly a family affair, this doubles competition will be open to any combination of parents and children. The only requirement as to league participation is that one of the team, either parent or child, is a member of the American Junior Bowling Congress, American Bowling Congress or the Women's International Bowling Congress. Children who have not reached their eighteenth birthday by May 27 will be eligible to compete. The cost will be $2.00 per bowler and there will be prizes for all combinations, father and son, father and daughter, mother and son, and mother and daughter. This tournament called the "Family Doubles" will give an opportunity to bowl in competition to the many families in which only one of the members is presently bowling in league competition.

Rich Cryer remains as "King of the Hill" in the Friday night Jackpot Sweepers as he continues to knock off challengers week after week. It took only one extra strike for him to defeat Ric Colorado.

"Monterey or Bust" is the theme of over 100 Westlake Junior bowlers who will be aboard the chartered busses next Sunday morning for the trip to the Northern California Junior Championships at Monterey. Junior Director Bob Sexton who will accompany the group reports that many of the parents are going along to cheer on the boys and girls.

Bowlers are civic minded as evidenced by last week's Westlake Times picture of Norm Butler of The Westlake Knolls League and Shirley Fischer of The Bank of America Team.

Bonnie Jones in the Evening Stars had one pin too many last week. Unlike most bowlers who usually complain about not knocking down enough pins, Bonnie would easily have forgotten the last pin which kept her from getting the coveted Triplicate patch. Her games were 162-162 and 162.

Boys become men in the Olympic Club League on Monday nights. Carl Steigerwald who formerly, as a Junior League bowler, kept score in the league, has now entered the adult leagues with a booming start. His 241 game and 640 series were high for the week.

Christman Pitches Shut-Out; 5-0 Win

Terry Christman, a 6' 1" 162-pound senior, pitched a triumphant no-hitter against Capuchino High Tuesday afternoon giving the Westmoor Rams a 5-0 victory over their San Bruno foes. The game was played at Capuchino.

It was the Rams' 10th straight victory, the sixth straight victory for them in the Peninsula League, and their third successive shut out, giving them a total of 24 scoreless innings.

Christman — undisputedly the hero of the day — struck out 10 players, walked three and allowed only two balls to be hit out of the infield.

In one stretch, from the bottom of the fourth and going into the sixth inning, Christman struck out six batters in a row. Christman now has five wins and one loss to his credit for the season. In 40⅓ innings, he has thrown this season he has struck out a total of 44 batters, allowing only 29 hits.

Coach Rod Losberger, pleased over Christman's showing, said that shut-outs are not the most common outcomes even in pro ball games, and are extremely rare in high school games.

Westmoor scored first in the first inning on an unearned run, scored three runs in the second. With one out, Ron Townsend led off with a line single into center field and was followed by a loud booming triple by Steve Funai to right center. Funai scored when Cap Pitcher Mike Claudon dropped Hix' easy pop fly ball. Hix in turn scored when Rich Morales doubled off the left field wall.

Final run came in the sixth inning when Hix, who drew life on a fielders choice, took second on a passed ball, scoring on a line single to left center by Christman.

Judo Tourney At SSF High This Sunday

Daly City residents will be able to see some of the nation's top judoists in action as South San Francisco High School gym becomes site for the American Judo Black Belt Federation's Northern California Spring Promotional Tournament this Sunday.

Twelve members of Cahill Judo Academy of South San Francisco will enter the competition, open to seniors in White, Brown and Black Belt categories.

The meet is held annually to give participants opportunity to advance in rank. Promotions go to the top three competitors in each category.

Competition is arranged strictly by Belt Classification, with no weight categories observed. This form of pairing sometimes sees a match between two men with as much as 100 pounds weight difference.

White Belt competition begins at 1 p.m. Sunday. Black Belt competition is scheduled for 3 p.m.

Jeff Baseballers Clip Hillsdale 6-5

Jefferson High's frosh-soph ball team clipped the Hillsdale frosh-soph nine 6-5 in a hot PL game Thursday afternoon at Jefferson.

Marty Ortweig, Jefferson frosh pitcher, made his first league appearance. Ortweig was outstanding when he came in at the top of the seventh with two men on and one out and retired the side.

Four-Run Rally Cause Of Rams Win Over SM; Christman Earns Win

In their recent game against San Mateo, the Rams made use of a 4-run rally to down the Bearcats, 5 to 1.

Going in to the last of the sixth, the 'Cats had helped the Rams to a 1-1 deadlock. Rich Morales and Barry Krohn worked San Mateo pitcher, Al Agelon, for free passes. A single to left by Holmes put the Rams ahead by one. Krohn scored from second via an error on Steve Payett's hard-to-handle ground ball. An infield single by Ron Townsend loaded the bases. The Rams' fourth and final run of the inning came in on a deep sacrifice fly to center by Steve Funai.

Terry Christman earned the victory for the Rams by allowing only 1 unearned run on 5 hits and 3 free passes.

Holy Angels To Hold Women's Meet Wednesday

Holy Angels Women's guild will hold its monthly meeting on Wednesday at 8 p.m. in the parish hall.

Main business for the evening will be election of new officers for the coming year. Those nominated for office are: president, Mrs. Eugene Camous and Mrs. John Putkey; vice president, Mrs. Mario DuPont and Mrs. John Harness; treasurer, Mrs. T. A. Frates and Mrs. James Lowe; recording secretary, Mrs. Donald Trenholm and Mrs. G. T. Preston; corresponding secretary, Mrs. George Kelly and Mrs. Robert Lapachet; membership chairman, Mrs. M. Menconi and Mrs. R. L. Guevara.

Mrs. T. Picchi will give a report on the results of the scholarship fund food sale which was held in the hall on April 23.

The guild will hold a Mother-Daughter Communion Breakfast May 7, after the 8 p.m. Mass at the "Steak Pit." Reservations may be made through Mrs. Stewart, 640 Orange street, or Mrs. Lapachet, 606 Orange street.

Mrs. George Ellis, president, requests all members to attend the meeting on May 3 and vote for the candidates of their choice. Refreshments will be served after the meeting.

Applications To Camp Yomah

A limited number of applications are being accepted from Westlake residents who wish to send their children to Camp Yomah, the Peninsula Jewish Community Center's country day camp at Hilltop, in Searsville Lake Park, Woodside. If sufficient number of families are interested, transportation from Westlake to Searsville will be available.

The camp is open to boys and girls from 5½ to 11 years. The season will be divided into two three-week sessions, first session starts Friday, June 23 to Friday, July 14 (except July 4); second session Monday, July 17 to Friday, August 4.

The program for each session will include swimming, hiking, trips, craft activities, overnights and many more activities that go into the making of a happy camper and a summer of enriched experiences.

For more information call Phyllis Davis, PL 6-5421, or camp director, Leonard Krivonas, JU 9-0257, after 5 p.m.

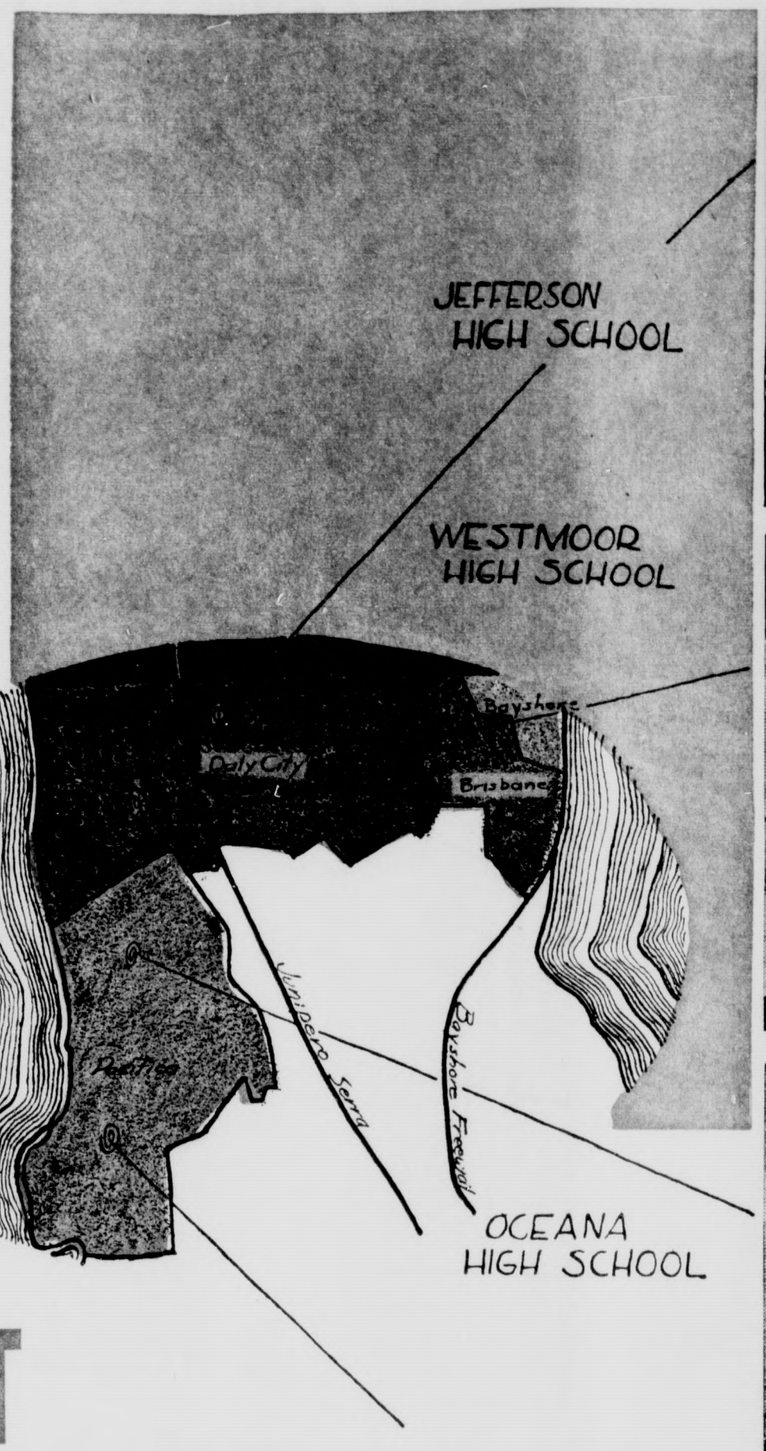
Two Jewish Temples Join For Services; Meeting Is Called

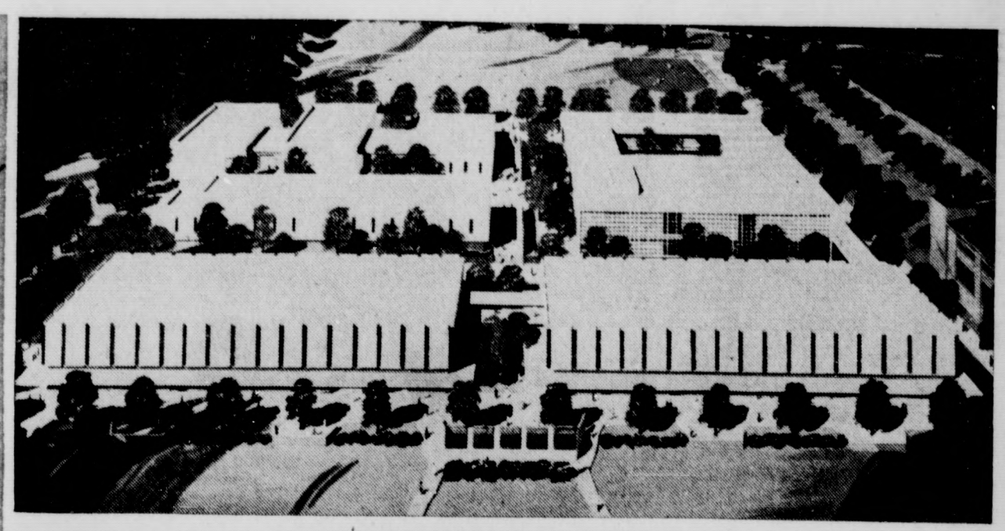
Congregation B'nai Israel of Daly City and Congregation Rodeph Sholom of San Francisco will hold joint Sabbath services Friday night at the Sholom sanctuary at the corner of Silliman and Brussels streets at 8:30 p.m.

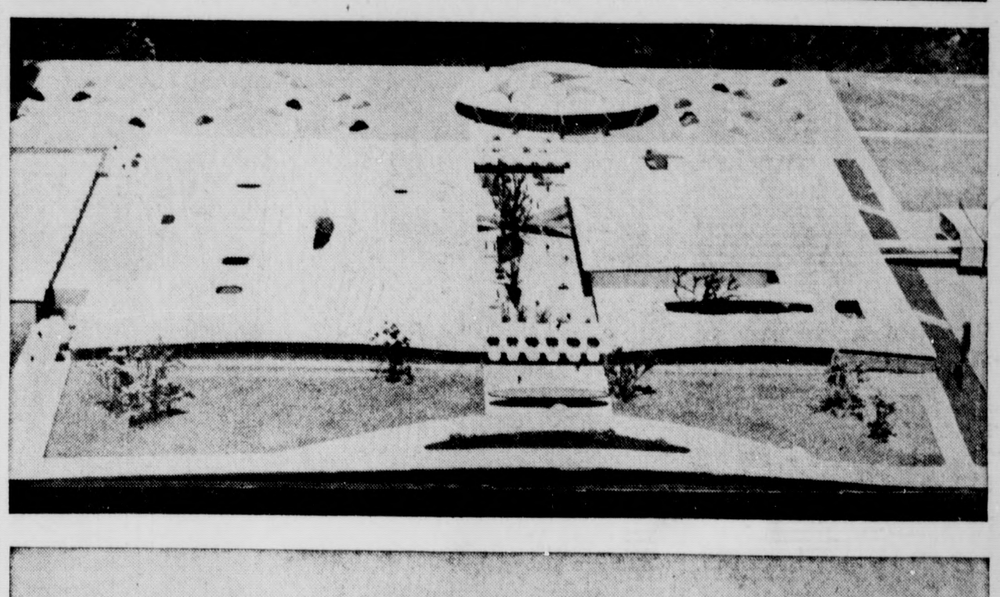
The two congregations are working together to bring to the San Bruno area the much needed Jewish activities. B'nai Israel will hold their Sabbath services every second and fourth Fridays alternately.

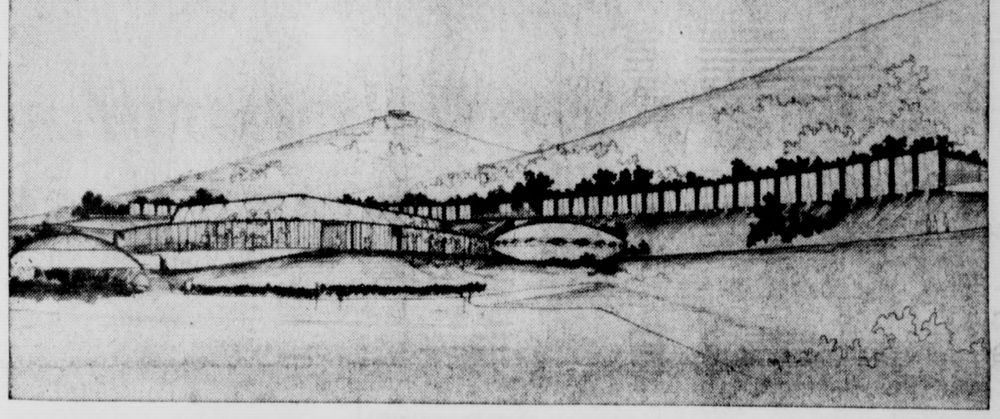
A membership meeting of B'nai Israel will be held Saturday evening at 8 o'clock at the social hall at 67 Los Banos avenue, Daly City.

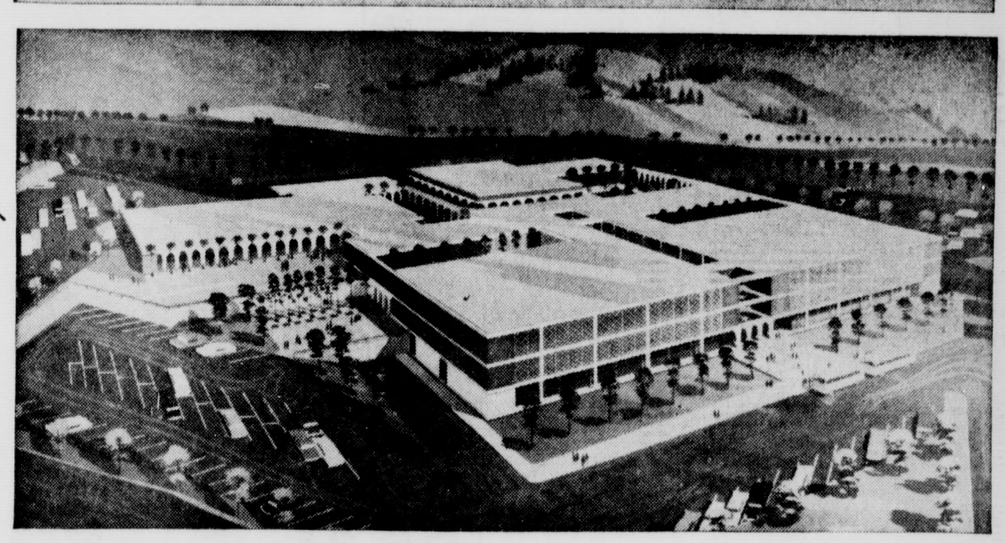
After the meeting a film "Memo To Eichmann" will be shown and refreshments will be served. Members of both congregations are invited to attend.











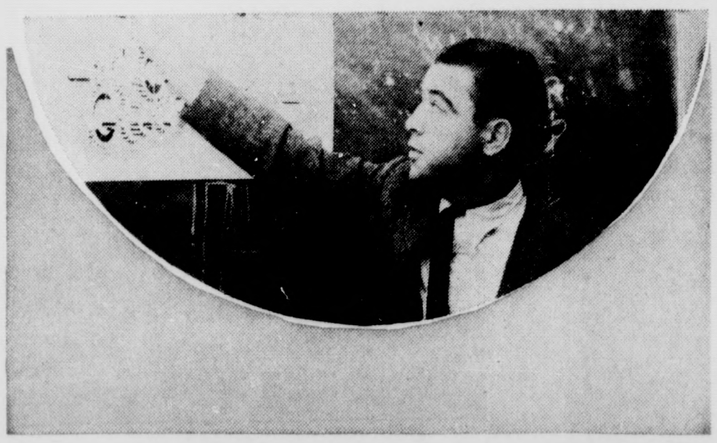
A REPORT TO THE PUBLIC

FROM THE JEFFERSON UNION HIGH SCHOOL DISTRICT

DISTRICT OFFICES 375 SOUTH MAYFAIR AVE.
DALY CITY, CALIFORNIA

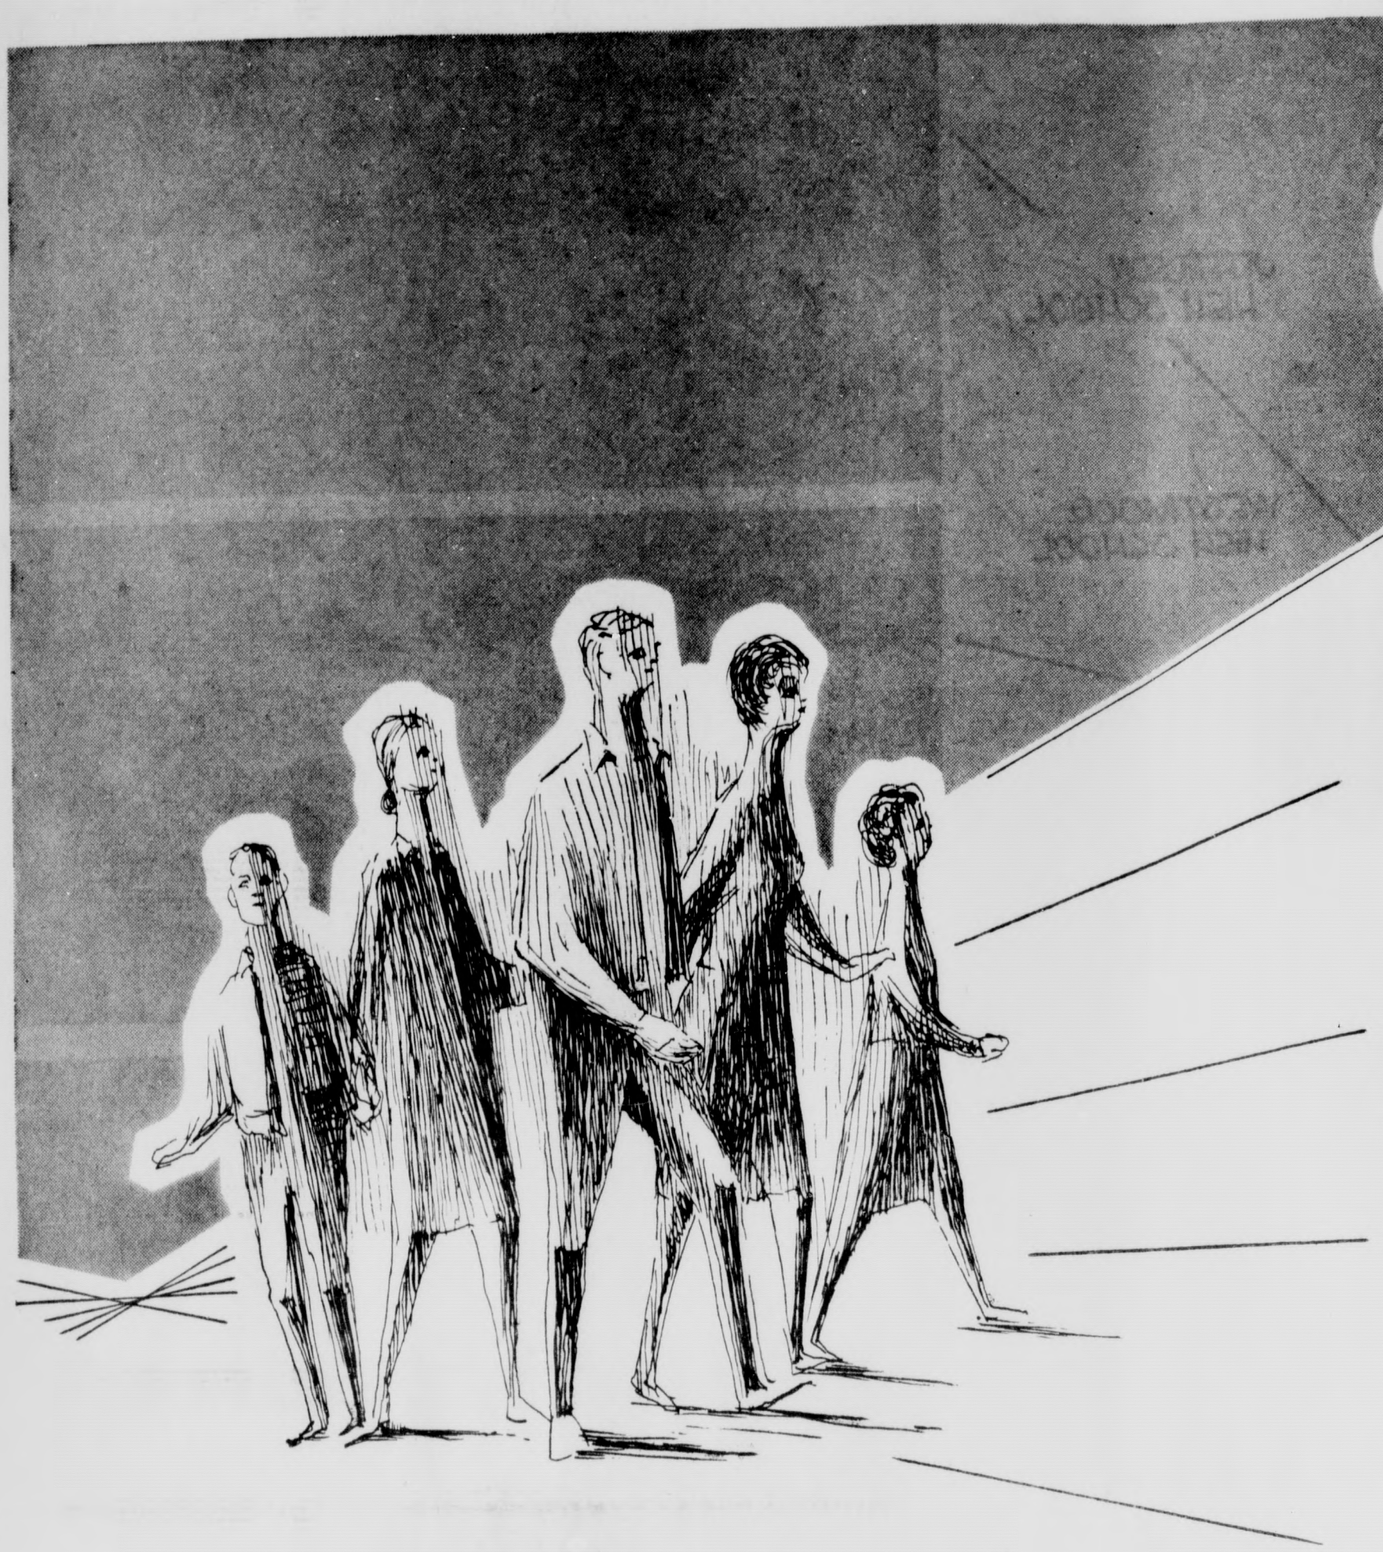
WHAT THE SCHOOLS ARE DOING—1961

The Jefferson Union High School District is one of the largest business operations in northern San Mateo County. This report provides up-to-date information for citizens who are interested in gaining a better understanding of our high schools.



Entering school in the morning, listening in rapt attention to an instructor, or studying in the laboratory, Jefferson Union High School District students form part of a learning "family" that grows up together during the four-year educational experience.

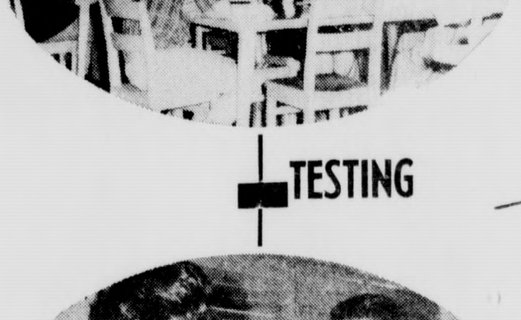
GUIDANCE PROGRAM



PRE-SCHOOL ORIENTATION

TESTING

PARENTAL CONFERENCE



COUNSELING PROGRAMING

INSTRUCTIONAL PROGRAM

OUR SCHOOLS DO A COMPREHENSIVE JOB

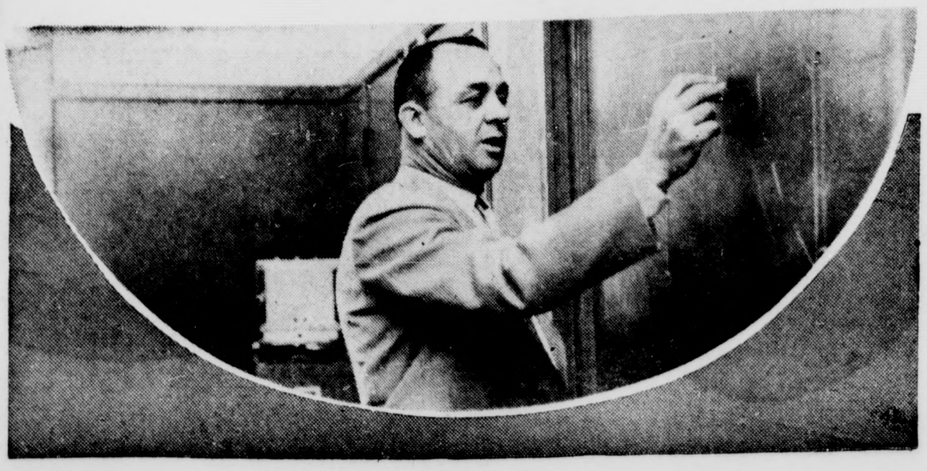
BUSSES UNLOADING AT WESTMOOR

Over 1660 high school students living two or more miles from school are transported round trip each day in twelve (12) district owned buses and a fleet of sixteen (16) greyhound buses. They travel a distance each year of over 300,000 miles.

CLASS ROOM GUIDANCE

Adults desiring the best possible education for children recognize the need for **personalized** guidance services in today's schools. Guidance begins with a comprehensive testing program and orientation meetings with prospective ninth graders. Each student then is individually counseled in planning his program for the first year.

Students meet routinely with the Counselors and Deans. Our Counselors are pecially trained to help work out solutions to educational, vocational and personal problems and to inform about scholarship and college entrance. Some students take advantage of the special services and abilities of two District Guidance personnel, the School Psychologist and the Psychiatric Social Worker.



ACADEMIC CURRICULUM

BUSINESS CURRICULUM

GENERAL CURRICULUM

LIBERAL ARTS CURRICULUM

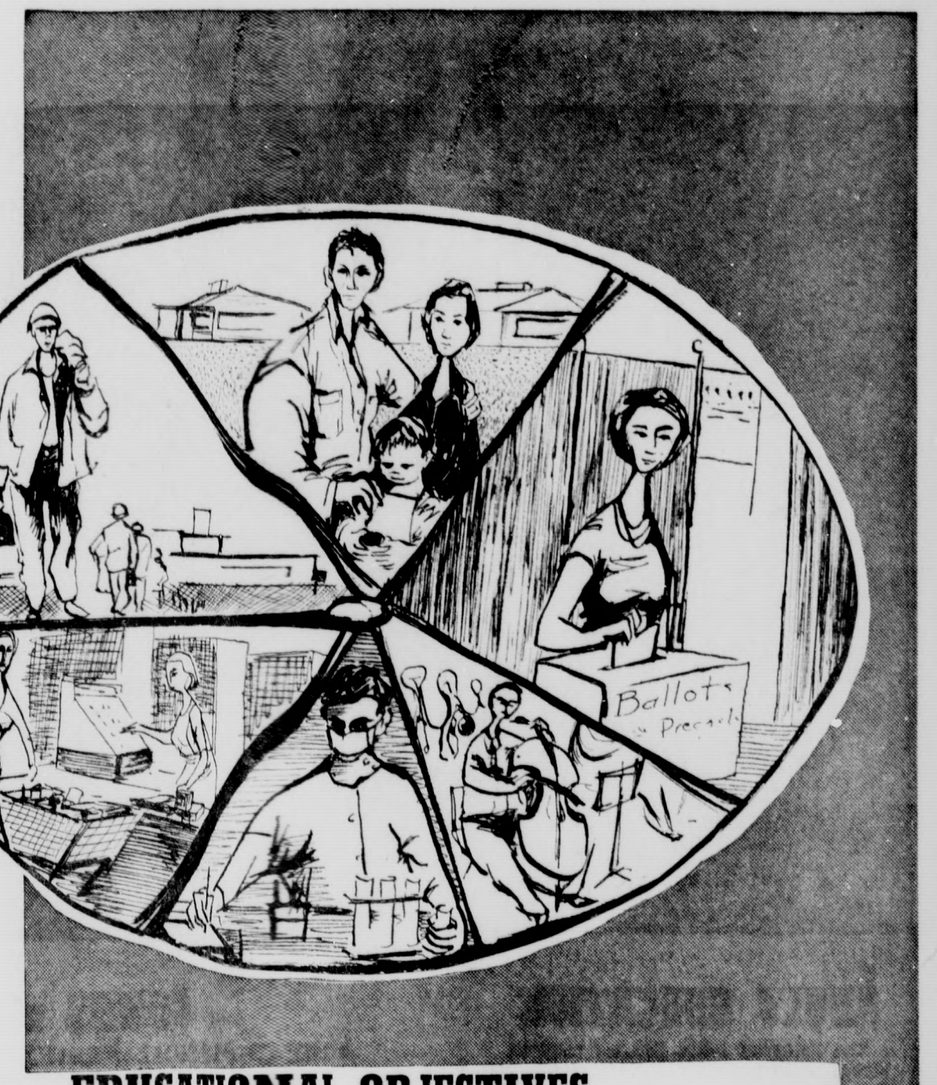
VOCATIONAL CURRICULUM

...E WITH A VARIED CURRICULUM

The comprehensive high school, unlike its predecessor of nearly a century ago, has the more demanding task of preparing youth for living in a society which has grown astronomically in numbers and complexity. The little school house is a thing of the romantic and remote past. Today's educational requirements call for larger schools, diversity of subject matter and extensive guidance programs.

The Jefferson Union High School District typically reflects these requisites within its three existing schools: Westmoor and Terra Nova, both modern facilities; and Jefferson High, soon to be modernized. Master planning calls for a total of five schools, each to accommodate some 2,000 students. The schools' curriculum is multiple, providing an educational program suited to the talents and interests of its varied student population. Thus each student has a choice of five major study areas: vocational arts, fine arts, business training, university preparation, or simply a course of general education.

Jefferson Union High District's comprehensive schools are meeting the ever-growing demands placed upon education to keep apace with a changing world.

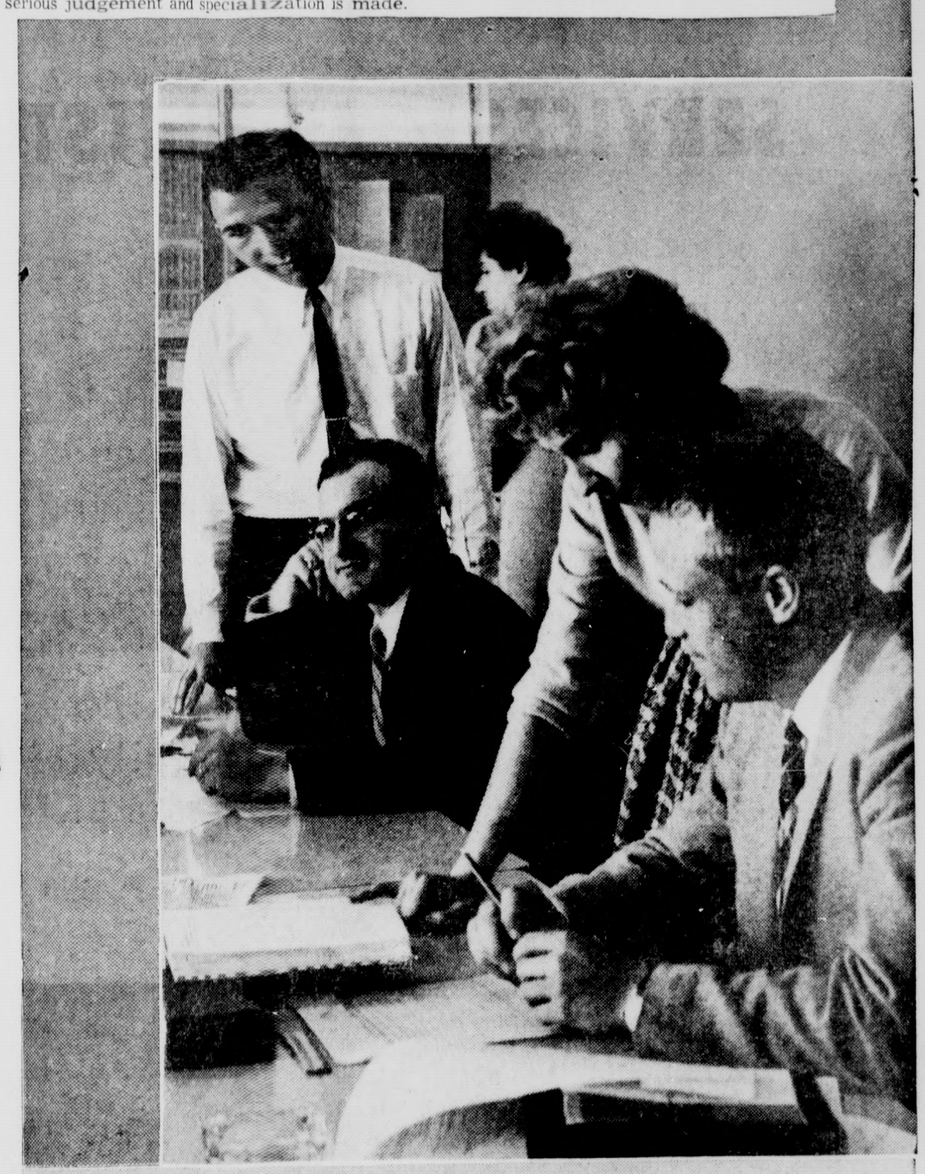


EDUCATIONAL OBJECTIVES

For democracy, the severest tests await the graduates of today's schools. We have the seemingly insurmountable task of educating well enough not for mere vocation but for a public awareness and responsiveness which will allow us as a society to move with firmness and adaptability through a confusing and dangerous world.

In this light one must not confuse the purpose of education. In the program specialization of the comprehensive high school there has been as an objective the fitting of educational programing to the widely divergent interests of the school child. While introduction is made to fields of special vocational interest the stress is as it should be on educational goals rather than vocational training. Mere training by its nature implies a limited specific objective whereas education has the broader purpose of seeking general knowledge.

Into the grossly sophisticated and complex society which the graduate of 1961 steps a liberal education is preparation so one may more wisely select future paths. One should be able to look intelligently through this experience of knowledge before serious judgement and specialization is made.



FACULTY

Teachers like the Jefferson Union High School District. Here a teacher is offered a good salary, encouragement in increasing his teaching effectiveness, modern facilities and equipment to aid his teaching, and the chance to live in one of the World's most attractive areas.

This means that Jefferson may and does employ the most able teachers, each selected for outstanding competence in his special teaching field.

While most of the sixty nine women and one hundred thirty four men who teach here are graduates of California, Stanford, and San Francisco State College, many hold degrees from Eastern and Foreign Universities. You have the assurance that your children are being taught by carefully selected people with highly developed skills and dedication to their task.

STUDENTS

This year 3,668 boys and girls are attending high school in the Jefferson Union High School District. The district's three high schools, Jefferson, Terra Nova and Westmoor, serve the communities of Bayshore, Brisbane, Colma, Daly City, Broadmoor, Pacifica and Westlake.

In June, 1961, Jefferson and Westmoor High Schools will graduate 270 boys and 295 girls, of which 60% will seek a college education.

ADULT EDUCATION

The Jefferson Adult Evening program serves adults both in and out of the Jefferson Union High School District. More than 5,000 people attend its classes each year. 160 classes are offered in the program and are taught by more than 70 teachers. The adult program serves a wide diversity of interests and includes academic classes leading toward a high school diploma for adults, continuation classes for minors who are working, Americanization classes, and two full-time nursery schools in Colma and Pacifica. Many other classes are offered which meet the needs and interests of the community.

GOODS and SERVICES

- **PSYCHOLOGICAL SERVICES**
  Assisting the district's counseling and guidance staff is a full-time psychologist and a full-time psychiatric case worker.
- **HEALTH SERVICES**
  Three highly trained schools nurses. One in each school coordinating the district's health policies, standards, objectives.
- **CAFETERIA SERVICES**
  Serving hundreds of children per day each school prepares and serves a well balanced meal.
- **CUSTODIAL SERVICES**
  33 men and women working diligently maintain this district's two high schools.

SERVICES · ADMINISTRATION · BUDGET

Your schools perform many services beyond the acceptable concepts of sound fundamental classroom instruction. The Administration of a $2 million yearly budget, a $5 million building program, a $100,000 cafeteria operation, coordination of school facilities with communities, all of these functions demand the services of many competently, highly-trained lay and professional leaders.

ROLE OF SCHOOL BOARD

The major role of the Governing Board is to establish policies and procedures and to evaluate the various school programs. School boards work at decision making. The areas of decision involve curriculum, finance, and housing. Theirs is the final action and responsibility for all the functions of the district.

OFFICE OF THE SUPERINTENDENT

The District Superintendent is the Chief Executive and Advisory Officer of the high school district charged with the direction of the schools.

Service to the staff and to parents constitutes one of the major functions of this position.

CLERICAL SERVICES

28 women serving three schools and the District Office perform a myriad of tasks. Each task designated to facilitate the education of children.

1960-61 BUDGET
-INCOME-

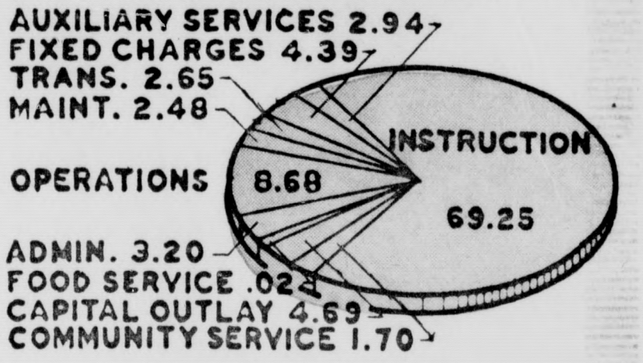
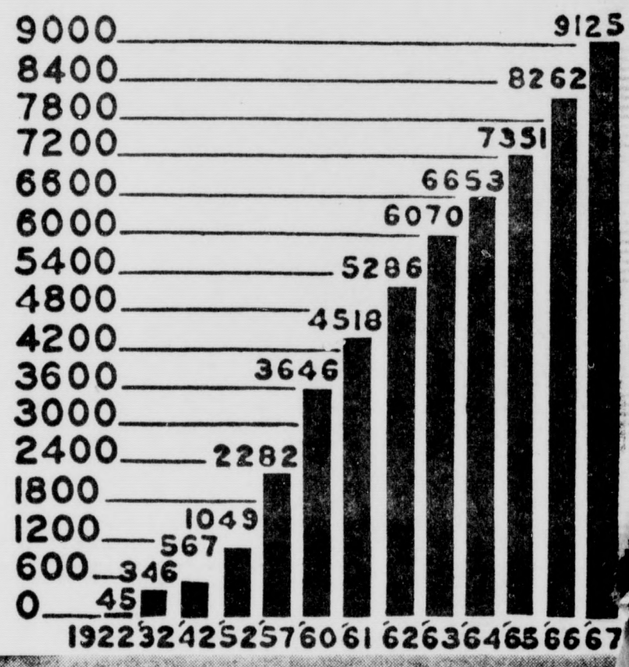
-EXPENDITURES-



ENROLLMENT 1922 TO 1967



To meet rapidly expanding enrollments the following construction projects have been authorized:

JEFFERSON:
Work on renovation and new buildings to start this summer. To be completed by February 1963.

WESTMOOR:
16 additional teaching stations to be added. Work to begin this fall. Completed by Summer 1962.

TERRA NOVA:
Under construction. School scheduled to open September 1961.

OCEANA:
Under construction. Scheduled to be delivered early in 1962.

When occupied the above will give to the district 199 new teaching stations. Plans for a 5th and possibly a 6th high school are being considered by trustees.
